5.30 Tuesday Evening for "HAPPY CHILDREN'S LAND"

Supervised by Miss Berna Huestis. Sponsored by Moore & McLeod Limited. A delightful radio programme, story, song, violin and piano that will, we think, interest everybody.

The young folk assisting will be Misses (Andrew) Gillis, Elizabeth Brown, Anabelle Lawson, Rosemary Rogers, Mary Campbell and Mr. Bill Rogers.

Tuesday evening at 5.30.

Moore & McLeod Limited

WILTSHIRE HOCKEY LEAGUE

With an enthusiastic gallery of over 300 fans as a fitting background for their magnificent stand, the Hartsville Maple Leafs, with depleted ranks, smashed out an impressive victory over the Wiltshire Hawks Thursday night at the Wiltshire rink in the hardest fought game of the year. The winners now enter the finals with the Beavers in a best out of three series and if their injured wingman, Hum Docherty, is back in harness, should make a wonderful series.

Outstanding for the winners were Roy Nicholson, a mere boy, but one with excellent possibilities, Everett MacLeod, back-checker par excellence, and we must not forget little Everett Nicholson's performance. Keith Johnson, rangy winger and George MacLeod with Jim Thompson, played beautiful hockey for the losers.

A fast first period ended scoreless, but early in the second, George MacLeod, veteran Hawk defenseman and Emmerson Deacon each notched up a counter. Roy Nicholson flipped a high one in for the Leafs before the close of the season. Early in the third verse, Everett MacLeod tossed in a fast one to

knot the count 2-2. Keith Johnson capitalized on Peter Nicholson's fumble and put the Hawks one up. Within five minutes from the final bell, Donald Nicholson slipped two smart goals past Harry Golderson to win the game 4-3. Referee, Keith Warren.

WALTER PRATT

Walter Pratt who has retired from the position of General Manager of Sleeping, Dining and Parlor Cars and Hotels, Canadian National Railways, after many years of faithful and valuable service. During the greater part of his career he was associated with the administration of railway sleeping and dining car services and hotels and won for himself an enviable reputation throughout Canada and elsewhere for his skill and efficiency in catering to the public through those branches of railway service. He was born at Sibbertoft, Northamptonshire, England, in 1869, educated at public and grammar schools at Stratford-on-Avon and came to Canada in 1883, in which year he secured his first railway job as a lad of fourteen years as a Junior Clerk in the accounting branch.

BRACE's general purpose snow and stable shovels will last longer. Price only 60c. L-594.

LOST - Medium silver male fox, registered, No. EBS92K. Also female medium silver, not marked. Reward offered. C. M. Johnson, Central Bedque. L-929.

FRESH FROZEN BEEF, beef hearts, beef liver, beef tripe in stock at Brace's. L-938.

EXCHANGE OF PULPITS - On Sunday Rev. C. J. St. Clair Jeanes pastor of the Presbyterian Church at Summerside exchanged pulpits with Rev. S. J. McArthur, pastor of the Presbyterian Church at Moncton, N. B. Mr. McArthur was the guest of Mr. and Mrs. Peter G. Clark during his visit. -S

FOUR PAIR OF CARRIAGE HORSES - Judges of good horse flesh have remarked very favourably on the fine pair of carriage horses to be seen taking their exercise every day on the streets of Summerside. This perfectly matched pair of dapple greys are the property of Mr. Percy L. Bowness, funeral director. Both horses are pedigree animals from famous race horses. Mr. Bowness has refused some tempting offers for the pair, as it is his intention to use them in connection with his professional work. -S

SCOUTS AND CUBS ACTIVE - The 1st Troop Summerside Boy Scouts under the leadership of Scout Master Hanks have been holding regular meetings during the winter months and are looking forward to the fine weather when hikes will be the order of the day. The Cubs under the leadership of Mr. Stephen Pond, have also been quite active about winter. Several of the Cubs as they reached the age of twelve years graduated in to the Scouts, but new Cubs have joined the Wolf Pack and are learning the Wolf Cub Law. They too are looking forward to spring when they will be able to lead about the out of doors when they take themselves to the woods, and hold camp fire meetings. -S

DEATH OF MRS. EDWARD LA ROSE - Much sympathy is extended to Mr. Stephen Arsenault and his family in the death of his daughter, Ullie, widow of the late Edward La Rose, who passed away at her father's home in St. Chrysostom on Thursday, March 1st, at 8:30 p.m. Mrs. La Rose was 50 years of age and had been in failing health for some time, but was able to be up and about until a few days before she passed away. Her sweet disposition and beautiful character won for her many friends not only at home but in the United States where part of her life was spent. She was a devout Catholic and received the last rites of the church, administered by her pastor Rev. F. X. Gallant, before she passed away. She leaves to cherish her memory, one son, Edward, her father, and the following brothers and sisters: Mr. Emilien Arsenault on the homestead at St. Chrysostom; Hon. Adrien P. Arsenault of Summerside; Mr. Philome Arsenault of Boston, Mass. and (Sophie) Mrs. Benjamin Arsenault of Moncton, N. B. The funeral took place on Saturday morning from the home to St. X. Gallant celebrating the Requiem High Mass, and also officiating at the grave. The pall bearers were neighbours and friends of the deceased. -S

PERSONALS - Mrs. Elias Bishop of Summerside was visiting in Moncton, N. B., the guest of her sister, Mrs. William Taylor. -S

Mr. George Bishop of Summerside returned from a visit to St. John, N. B. -S

Mr. George McArthur, who has been working with the Prince Edward Island Fur Pool during the winter months has returned to his home in Moncton, N. B. -S

CONDEMNED NEGRO Awaits Decision Of Privy Council (Canadian Press)

HAMILTON, Bermuda, March 4.—Sentenced to be hanged for the murder of his wife's two children, of whom he declared he was not the father, Warren Duane Smith lies in prison here while an appeal against his conviction is pending. The first murder charge heard in Bermuda since 1931, the nonchalant negro stoutly pleaded innocence, although he admitted he had often threatened to drown the children when they became noisy.

The "harmless" threat as he quoted it, was: "Get a bag and put her in it and take and throw her overboard."

At conclusion of the evidence, the jury sat all night without reaching an agreement. The deadlock was reported to Chief Justice Sir Sidney O. Rowan-Hamilton, who addressed the jurymen:

"Gentlemen: I am obliged to you. I am sorry you have not agreed on your verdict but you will be discharged now and you will be exempted from service on a jury for the next two years."

Here the foreman, H. H. Frith, rose as if to speak.

The foreman walked over to the bench and conferred with the Chief Justice, who then said:

"Gentlemen of the jury: All the witnesses that could have been called by the prosecution have been called. If there are any witnesses you wish to hear for the defense you must come to your own conclusions as to why they were not called. Having said that, I think you can come to a verdict, because if you think it is impossible I shall discharge you. If you think that you can come to a verdict that could be called by the prosecution, you must draw your own conclusions as to the defense."

The Boss—I wish you wouldn't look so worried, Jones; you've put me to the expense of having the auditors in for nothing at all.

Smokers Evict Non-Smoking Members

(By The Canadian Press) LONDON, March 5.—Smokers and non-smokers have joined combat once again in the Athenaeum Club, and the non-smokers have been nearly vanquished. The smokers won their first footing in the club in 1888 under the leadership of such famous personages as W. M. Thackeray and Anthony Trollope. Then a special room was given up to the smokers. Since then the smokers have gone from strength to strength until they were allowed in the drawing-room from 1:30 p.m. onwards. Non-smokers had their last sanctuary in one of the libraries.

They returned to the attack however and requested either that smoking should be prohibited in the drawing-room, or that another room should be allotted to them for their exclusive use. They failed to get a majority on the committee, but to meet their demands the libraries, where formation of smoking was allowed all day, has been set apart for them after 1:30 p.m.

HAMILTON SCHOOL Honor roll for February.

- Grade X-1 Patricia Ramsay, 2 Keith Champion. Grade IX-1 Elva Stewart, 2 Harry Taylor, 3 John Owen. Grade VIII-1 Lea Champion. Grade VII-1 Eileen Hamilton, 2 Elizabeth Ramsay, 3 Charles Stewart. COUNTER HALIFAX, March 5.—(By The Canadian Press)—Action to recover from Royal Canadian Mounted Police the auxiliary schooner, Kronholm, which he is accused of stealing from them, was started here today by Capt. Ross Mason.

Mason, skipper of the liquor-laden craft, seized by a coastguard cutter off Cape Breton coast last December, is awaiting trial on a charge of theft of the vessel after the coastguard had taken it in tow for run-running.

Today, however, through his counsel W. P. H. Foster, K. C., Mason served notice on Capt. M. J. Ryan, Commander of the coastguard cutters, he was taking action to recover his ship. Demand also was made for the return of \$70,000 worth of liquor cargo.

The Kronholm master will come up for trial this month on the charge that arose from the run-runner's break from custody and subsequent trip to St. Pierre with four police officers aboard.

Mason's Lieutenant cuts Grass.

POLICE CURB OUTBREAK IN AUSTRIA

Thirty Jailed When Nazis Attempt Demonstration After Speech by Austrian Chancellor.

(By Wlad Werner, Associated Press Foreign Staff) VIENNA, Austria, Mar. 4.—(By The Associated Press)—Police were required to restore order today when a crowd of Austrian Nazis shouted "Heil Hitler" and hoisted Swastika banners at the conclusion of an address by Chancellor Engelbert Dollfuss. Thirty of the Nazis were jailed.

The little Chancellor, bitter foe of Nazism, had just delivered a mass meeting that a new constitution will replace the recently discarded one of the republic within a week. Pope's Encyclical

It will be based, Dollfuss said, on the Pope's encyclical "Quadragesimo Anno" and will be maintained inviolate against any efforts of those who follow false prophets.

Despite recent events, Dollfuss said, his government is not filled with a desire for revenge but stretched out "a friendly hand" to everyone.

"Christian love must unite all sections of the populace," the leader asserted. "Our youth must be trained in Christian spirit, but at the same time every man must be guaranteed freedom of his conscience."

His address came on the first anniversary of the abolishment of the Austrian Parliament and Dollfuss' rigid rule.

PARTY LEADERS TO BE ABSENT FROM HOUSE

OTTAWA, March 4.—(By The Canadian Press)—With both House Leaders absent from Ottawa the week in Parliament will open quietly. Both Prime Minister R. B. Bennett and Rt. Hon. W. L. Mackenzie King, Opposition Leader, will be in Toronto Monday and Tuesday to attend the 80th anniversary of the founding of that city.

The Stevens mass buying committee occupied the spotlight last week, and is likely to continue to do so for some time. Its hearings will be resumed on Wednesday.

Last week saw the House make considerable progress with the estimates, and there were few high spots in the way of lively debate. The bill introduced by Hon. C. E. O'Han, Secretary of State, which would have the effect of consolidating the translation services of the various government departments into one bureau with a superintendent, was hotly contested by the French speaking Opposition members who saw in it a threat against the French language.

The first item of public business scheduled for attention when the House resumes tomorrow is Bill 22, an act to amend the Royal Canadian Mounted Police Act, introduced and given first reading last Thursday. This is to effect a reorganization of the force, and as it involves a very little additional expenditure of money there is little likelihood of a prolonged debate.

The translation bill will be brought forward again tomorrow evening, certain members having requested that it be held back until that time to meet their convenience. It stands for second reading. The remaining time will be taken up with the estimates.

The banking and commerce committee will get down to work Tuesday on the bill respecting banks and banking upon which will be based the decennial revision of the bank charters. The Bank of Canada Act, which will set up a central bank, has not yet received second reading and will not be brought up again in the House until Thursday.

The budget will probably be brought down late in the month, no earlier, it is understood, than last year when it appeared on March 12. It is expected that it will be preceded by an announcement respecting the continuation or otherwise of the 10 percent deduction from civil service salaries. The Senate will not meet until Tuesday night. The highlight in that Chamber this week is expected to be the introduction of a new Act to amend the Canada Shipping Act, which will set up a central bank, has not yet received second reading and will not be brought up again in the House until Thursday.

To BUILD UP Undernourished, Underweight "Teen-Age" BOYS & GIRLS give them the "VITAL 3"

To build rich, red blood, strong bones, sound teeth, sturdy muscles and good nerves, boys and girls of "teen" ages require about twice as much calcium and one and a half times as much phosphorus each day as does the average adult. Therefore, meals that furnish sufficient calcium and phosphorus for adults may fall short in supplying the needs of boys and girls between the ages of 12 and 16 years when they are emerging from boyhood into manhood, and from girlhood into womanhood, and should be growing nearly twice as fast as in the previous period.

Added to a regular diet, which should include at least a pint of milk daily, Follows' Syrup will supply the extra quantity of calcium that is needed for growing "teen-age" boys and girls. It will also supply them with additional amounts of phosphorus and iron.

Follows' Syrup not only provides them with the "Vital 3" (calcium, phosphorus and iron), but also with other tonics such as sodium, potassium and manganese. The combination is particularly valuable for undernourished and underweight "teen-age" boys and girls, because it stimulates youthful appetites and thereby builds weight, and increases sturdiness and strength.

Doctors have prescribed this safe, standard preparation for 60 years. Its use has spread to 63 countries. It is one of the most famous and respected of medical preparations. Drug stores everywhere have FELLOWS' — the "Vital 3" Syrup Compound of Hypophosphites.

Every cell of the body and every tiny red blood corpuscle needs a daily supply of these otherwise weakness immediately results. If enough iron is not supplied every day the blood will take what it needs from the small reserve stores in the liver, causing anemia and thus weakening the entire body structure. Anemia and this blood, in children and adults, simply mean inefficient iron in the system.

1—CALCIUM Vital to the child's life and growth. Adequate supplies promote normal action of muscles and nerves and build strong bones and sound teeth. Too low a supply of calcium causes softening of bones, delayed teeth, bowed legs, enlarged ankles and wrists, over-sensitive nerves and irritable muscles.

2—PHOSPHORUS An important constituent of all cells of the body, of the bones and glandular tissues. It stands first among all substances as a nerve food. Phosphorus is necessary in regulating and maintaining the neutrality of the blood and in sustaining its normal temperature. It is also needed for turning starch foods (bread, potatoes, sugar) into energy.

3—IRON Every cell of the body and every tiny red blood corpuscle needs a daily supply of iron. Otherwise weakness immediately results. If enough iron is not supplied every day the blood will take what it needs from the small reserve stores in the liver, causing anemia and thus weakening the entire body structure. Anemia and this blood, in children and adults, simply mean inefficient iron in the system.

Gold Cargo For States

(C. F. By Guardian's Special Wire) HALIFAX, March 4.—With about \$1,750,000 in gold in her strong room, the Anchor Line Cameronia came into Halifax Harbor over the weekend and then sailed for New York with her valuable cargo.

It is part of the influx of the metal from Europe to the United States that follows the devaluation of the American dollar.

Aboard the liner also were 3,000 cases of European liquors, mostly Scotch whiskey, destined for consumption in the United States.

French Airmen Shot Unjustly

PARIS, March 4.—Four French army corporals shot to death during the war by their own comrades for failure to obey orders, were vindicated today—6 years too late. Their families yesterday were awarded damages of one franc (1-2 cents) each by a special court of military justice which declared they had been unjustly executed.

Efforts to vindicate them had been in progress for several years.

It Used to Be Hard to Feed Foxes When the Pens were Snowed Up, but Now:— SILVER TIP FOX CUBES Can-Be-Fed Through the Fox Netting It is more economical to feed Silver Tip Fox Cubes in place of meat because if you could wring all the water out of three pounds of fresh meat, less than one pound of actual food would be left. The other two pounds are water. But there is practically no water in Silver Tip Cubes. One pound of Silver Tip Cubes is equal to three pounds of meat.
