THE S. S. HALIFAX

Passengers Lose All Their Effects—Twenty Were From This City.

WRECK OF S. S. HALIFAX.

BOSTON, August 12.—(Special).—Steamer Halifax of the Plant Line struck a ledge off Minot's Light while coming into port in a thick fog.

She was beached in a sinking condition, but the passengers got ashore, losing all their effects, as the steamer settled until her deck was almost covered.

THE STEAMER AND CARGO.

The Halifax has been for six years on the Charlottetown-Boston route. Her registered tonnage was 958 tons, and she had accommodation for about 500 passengers.

Capt. Pye is known as a capable and experienced navigator. The crew was 61 men.

The cargo in part comprised 600 cases lobsters, 60 barrels mackerel, 100 drums-fish for Havana, 3 horses and 26 packages of effects. The Portland Packing Co. were the principal lobster shippers. The horses were owned W. B. Seller, formerly of Charlottetown.

THE CAUSE OF HAY FEVER.

It's a microbe that floats in the air gets into the throat and lungs, develops rapidly, excites inflammation, &c. The cause is as simple as a thistle in the finger. Extract the thistle, away goes the pain. Destroy the Hay Fever germ—you get well. That's why Catarrhozone acts so marvellously in Hay Fever. Its fragrant vapor to you brings cure, but to the microbe death. Catarrhozone is as quick to act on these microscopic organisms as lightning. Prevents as well as cures, and is always successful. Druggists, 25c and $1.00, or Polson & Co. Kingston, Ont.

Looking back over the years since June 1886 when this Grand Lodge was first instituted, furnishes some very interesting thoughts and shows what rapid strides the Order is making down by the sea.

W. C. BLACK, G. M. A.

There was then but five lodges and 388 members. At the close of December last they had 20 lodges and 1,515. The growth has been healthy and steady, both in members and finances. Four new lodges since last Grand Lodge adjourned, and the returns presented at the coming session will show a large increase. Conventions of the Grand Lodge have been held as follows:

Don't Nearly Double With Bright's Disease.

A Severe and Torturing Case of Bright's Disease—A Justice of the Peace Certifies to the Cure by Dr. Chase's Kidney-Liver Pills.

Mr. James Dellihunt, a much respected resident of Consecon, Ont., states:—"I was a sufferer from Bright's Disease for several years, and at times the tortures of mind and body were almost beyond endurance. The pains were in my head, between the shoulders and down the whole spine, concentrating across the kidneys, where I was never entirely free from pain. When I got up in the morning I went about bent over nearly double. It gave me great pain to urinate, and at times the water was very scanty. Medicines seemed to have little or no effect in my case, until I began the use of Dr. Chase's Kidney-Liver Pills. The first dose relieved me, and five boxes entirely cured me. I have no pains in my kidneys, and can do as good a day's work as I ever could."

Mr. J. J. Ward, J.P., of Consecon, certifies that he knows Mr. Dellihunt's statement of his cure to be correct and true and without exaggeration. It seems foolish to trifle with new-fangled medicines when you can get the tested and proven kind. Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, all dealers, or Edmanson, Bates & Co., Toronto. Agents wanted for Dr. Chase's last and complete Receipt Book.
