USKUB IN FLAMES.

Triumph of Allies in Balkans Continues to Grow. LONDON, Sept. 30.—Large fires are burning around the important base of Uskub, towards which the Serbians are advancing from Velez, which they captured Friday.

Northwest of Monastir Allied troops advanced 11 miles up to Friday, and along the entire front had captured more than 300 guns.

British and Greek forces also are moving on Petrich along the Strumitsa valley. Petrich is about 20 miles inside the Bulgarian frontier.

Our own casualties are less than the number of prisoners. Our men went singing into battle, exactly as they did at Amiens, and were equally confident of victory.

ARCHANGEL, Sept. 30.—Americans returning to the Dvina front with Bolshevik prisoners, brought stories of new cruelties and murders.

Most of the prisoners brought here, including officers, declared they had been forced to serve under threat of death.

BATTLE LINE IS AFLAME

Amazing Advances Made Everywhere by Allies.

Four Great Drives on West Front Smash German Defences and Enemy Falls Back at All Points—Foch Has Launched Three Separate Attacks in Last Three Days, and All Proved Successful.

LONDON, Sept. 30.—Over a front of more than 250 miles from the North Sea to the Meuse the Allies are smashing the German defences on four wide and important sectors, and important strategic points are being taken from the enemy by the sledge-hammer blows of the French, British, American and Belgian forces.

The enemy is kept with the greatest Allied offensive effort since the beginning of the war. On all sectors British, French, American and Belgian troops are progressing successfully. Serious inroads are being made into the German defensive system north of Ypres, around Cambrai, north of the Aisne and on the Champagne-Verdun sector.

Meanwhile the British are pushing forward rapidly. Southwest of Cambrai, Field Marshal Haig's men are fighting for crossings of the Scheldt Canal.

Belgian troops entered the great offensive Saturday by beginning an operation in conjunction with the British in the Dixmude-Ypres area.

British and American troops launched an attack Sunday morning northwest of St. Quentin as a result the British are astride the St. Quentin-Cambrai railway.

On the Champagne-Verdun front the armies of Generals Gouraud and Liggett are progressing steadily over the heights behind the Hindenburg line. The French and American forces in the last 24 hours captured the strong positions of Somme-Py Mance, Grateuil and Buconville and had extended the advance east of the Argonne.

Gen. Mangin's army Saturday performed a master-stroke in the capture of Fort Malmanson and this success is expected to lead to the capture of the entire Chemin-des-Dames Ridge.

With a 250-mile line aflame over almost its entire length, Marshal Foch has the German command in a tight place. On each of the four sectors the Allies threaten important bases and valuable communication lines.

AMSTERDAM, Sept. 30.—Crown Prince Charles of Roumania, who was ordered by King Ferdinand to undergo 75 days' solitary confinement because he recently went to Odessa and married the daughter of a Roumanian army officer, is reported to have renounced his succession to the Roumanian throne.

Foxy King Changed Cipher. AMSTERDAM, Sept. 30.—A Berlin despatch to the Frankfort Zeitung suggests that the basis for the Bulgarian armistice offer was created in previous negotiations with the Entente.

Austrian Emperor Armed. AMSTERDAM, Sept. 30.—Emperor Charles presided at a meeting of the Crown Council at Vienna Saturday, according to a despatch to the Berlin Tageblatt.

AMSTERDAM, Oct. 1.—Diplomats from Vienna show Austrian newspapers to be deeply impressed with the importance of the peace move made by the Central Powers, and filled with hope for its success.

WELCOME TO RETURNED SOLDIER

"How in the dead of night, that brooch thrill savage and shrill," These words could be applied to Wednesday night at Abram's Village, when as the mid night hour was struck, the prolonged gun salute that resounded far and wide announced the arrival of a returned soldier Pte. Theodore Arsenault son of Elize Arsenault.

Some days ago Mr. Elize Arsenault received a letter from his son stating that he expected to be home soon. Ever since then expectation was on tiptoe, and on Wednesday afternoon the news was flashed to Abram's Village that Pte. Arsenault had landed the day before and expected to be at Wellington Wednesday night.

This glad tidings soon spread far and wide and as a result a large number of people gathered at Abram's Village corner to extend a hearty greeting and a royal welcome to the darling hero. Mr. Harry Darby autotec to Wellington Station together with the soldier's father and mother, but they were sadly disappointed when the train pulled in Wellington but the soldier was not aboard.

On learning this the committee in charge, at the instigation of the many people who were most eager to see him that night, telephoned to Summerside only to learn that Pte. Arsenault had alighted from the train at Summerside and had silently but slowly wended his way to the house of his sister Mrs. Simon Hayes, I make use of the word "silently" as this wounded soldier returns with only one leg and, the word silently implies that no demonstration of any kind was extended to him.

Very strange indeed that a soldier belonging to the western part of the Island, should arrive in the western capital unnoticed and unwelcomed.

But another singular thing was that no car could be secured to drive him to his home and he had to be driven to Abram's Village by team, arriving as before mentioned at 12 o'clock to meet the vast throng who had come from all sections to welcome him home.

A lengthy program had been prepared but owing to the late hour, it was curtailed to a great degree. The wounded soldier was escorted to the hall to the sound of music rendered by Miss Celestine Arsenault. He was seated on the stage between his father and mother and surrounded by his little sisters, also by him was his sister Mrs. Simon Hayes of Summerside.

The president of the meeting, Mr. Stephen Bernard in welcoming the young hero home, made touching references to the hardships he had gone through, alluding also to the noble family that had furnished two sons to the war, one of whom now sleeps under Belgian soil.

Mr. Etienne M. Arsenault in extending a welcome bid to Pte. Arsenault said he voiced the sentiments of the whole audience in his greeting to the returned soldier. Our petty sacrifices we make, here in our pleasant homes sink into insignificance when we behold this returned soldier bearing the scars of battle.

Mr. Harry Darby congratulated the patriotic family in getting back amongst them their son. Not only the surrounding community, but the whole province was indebted to this young man. He himself felt deeply on this matter, as he recently was sorely afflicted by the war, in the loss of his eldest son. He begged to be excused from saying any more. A splendid address of welcome was read to Private Arsenault by Mr. Amand Gallant and a gift (a valuable watch and fob) presented by Philmore Arsenault.

A few patriotic songs with Mrs. Cyrus L. Arsenault at the organ, interspersed the program; also a comical song by Mr. Joseph G. Arsenault. Among others who spoke were Messrs Ferdinand Richard and Joseph F. Arsenault of Urbanville and Peter Gallant. Before dispersing most of those present rushed forward to press the hand of this returned hero who had shared the perils of war. The notable singers present rendering in a loud tone that impressive French song La Marseillaise. Three cheers and a tiger were also given in honor of the hero.

Pte. Arsenault as before stated was wounded in battle, and taken prisoner by Germans. After spending many months with them he was finally exchanged and was then sent home. Soon after being taken prisoner he was adopted by some charitable society in the eastern part of the Province. At the request of the Abram's Village Prisoners of War branch he was handed over to them and ever since was regularly sent the parcels required. Private Arsenault looks quite healthy and cheerful in spite of the fact that he lost a limb and now wears crutches.

MADE BIG HAUL

Canadian Losses Less Than Prisoners Taken.

With the Canadian Forces in France, Sept. 30.—The following are the net results to the Canadian Corps of Friday's fighting.

Penetration of about five miles, with possession of the Canal du Nord, and a possible turning of the enemy position at Douai; capture of Bourlon Wood, which overlooks Cambrai, and whose fall may follow in a few days; prisoners, 71 officers and 2,000 men passed through the cages Friday night, with a total of between 3,000 and 4,000 men.

The prisoners are of the best type yet encountered, being mostly Prussians and Hanoverians. Our own casualties are less than the number of prisoners.

Our men went singing into battle, exactly as they did at Amiens, and were equally confident of victory.

Forced to Serve. ARCHANGEL, Sept. 30.—Americans returning to the Dvina front with Bolshevik prisoners, brought stories of new cruelties and murders.
