WON THE AUTOMOBILE.—The lottery for the automobile at Kelly's Cross took place last night. The winner was Mr. Charles Boucher, 20 Hillside St., Haverhill, Mass. There was a very successful social, a large number being present. The Glee Club of St. Dunstan's College, provided all the numbers of the concert which was very enjoyable.

NEW DETENTION HOME.—At a meeting of the Ottawa City Council last week, Sir Louis Davies and Hon. Sidney Fisher headed a deputation which asked \$25,000 for a new building to replace the present detention home which is not fire-proof and not large enough. The Board decided to ask special legislation to raise the amount by debenture, says the Ottawa Citizen.

A NARROW ESCAPE.—During the night of the snow storm Monday evening, three young men from Summerside were returning home from Bedeque with a load of saw dust. The horse got bewildered and lost the track and for a few hours considerable anxiety was felt for their safety, but about 8 p. m. the storm abated and the young men arrived home, having left their load of fifty bags of saw dust somewhere on the ice.—H.

CONGRATULATIONS.—In the Sussex County Times, published in Horsa-ham, England, appears in the issue of Jan. 13th, notice of the birth at Horsa-ham, of a daughter to Lieut. James J. Leightizer, of the 98th Canadian Siege Battery, C. E. F., France. Lieut. and Mrs. Leightizer's numerous friends in Charlottetown will be interested to learn of the arrival of their little daughter, which event was chronicled in the Guardian some time since.

INTERESTED IN P. E. I. POTATOES.—U. S. Const. Pierce, while in Washington recently, met Mr. G. W. Moss, representative of the Cinar and other steamship lines. Mr. Moss takes quite an interest in matters agricultural as a side-line, and was quite interested in the article in The Guardian of January 6th, referring to a letter from a man named Macdonald in Colorado, who made application to Consul Pierce for a quantity of P. E. I. Island potato seed. Mr. Moss, who is quite familiar with New Brunswick and P. E. I. Island, is also intent upon securing some Island seed, and is contemplating a visit to this province in the spring.

MEDAL RECEIVED.—Mrs. Thomas Mahar, of this city, has received from her son, Private A. J. Mahar, the military medal won by the latter for "Bravery on the Field." The medal is of silver and bears on one side the head of our King, and on the other the above inscription. Private Mahar's name is engraved along the edge of the medal. This gallant soldier, who is only 20 years of age, and the main support of his widowed mother, enlisted in the 55th Regiment here, and has been 15 months in the trenches. That he may return home safe and sound from the battlefields is the wish of his friends in this city.

IT WAS EVER THUS.—To those in the inside circle a rather amusing episode was enacted recently. A prominent young farmer of Hazelbrook, expecting to meet a lady friend from another part of the Province in the city, was annoyed at not finding her at the usual trysting place but was compelled to return in search of her. However, not to be daunted, a sharp lookout was kept on all trains and at length was rewarded, and the last seen of them was leaving the station "eastward bound" looking as happy as could be and a living proof of the saying that "The course of true love never runs smooth."

RETURNS WEST.—Mrs. A. E. Hancock and children started en route to their home at Tate, Sask., on Monday last. Mrs. Hancock came to the island about Nov. 1st to visit her aged parents. Mr. and Mrs. Robert Rex who have been seriously ill. The death of her brother, Mr. Wesley Rex who died at the old homestead, Bayside, Lot 14, shortly before she arrived made the homecoming doubly sad. Mrs. Hancock desires to express her thanks to the numerous friends who so kindly came to see her, and for the many tokens of sympathy for the family. But greatly regrets that owing to circumstances she was unable to return the many calls of friends and relatives before leaving on her return for her home in the far West.

The death took place at his home in Emerald on the 2nd of February, of Mr. Edward Croken in the 66th year of his age. The deceased was not enjoyed good health for some years past, but continued to work around his farm and home until a week previous to his demise, when he contracted a cold resulting in pneumonia. He was a quiet, inoffensive man and enjoyed the respect of all neighbors and friends. He leaves a sorrowing widow and a family of two sons and one daughter, besides two brothers and three sisters, who have the sympathy of the whole community. The funeral took place on the 4th inst. to St. James' Catholic Church, Freetown, and was largely attended. The following acted as pall-bearers: Parnell McMahon, R. McDonald, A. Stewart, P. McGuirk, B. Murphy and D. Monaghan.

SEED FAIR COMMITTEE.—A meeting of the seed fair committee was held at Summerside on Monday last to consider the advisability of holding the Provincial seed fair this spring. The Pres. Rev. P. C. Gaudet, being absent, Mr. W. H. McGregor acted as chairman of the meeting. After some discussion as to a place to hold the fair it was finally decided to go ahead with arrangements for the fair to be held on Tuesday, Wednesday and Thursday, March 20, 21, and 22, in the Agricultural Building. The Secretary was instructed to have prize lists prepared and distributed. The only change in the prizes being in class A. The first prize in all wheat sections was placed at \$18.00 an increase of \$4.00. The different committees of arrangements were appointed, after which meeting adjourned until March 6th.—C.

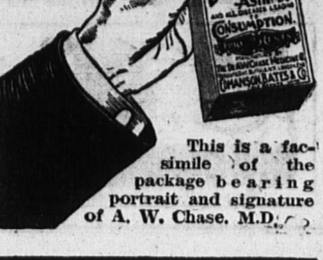

CURLERS ENTERTAINED.—The Charlottetown Curlers who recently visited Summerside report having had a very enjoyable time while there. Their trip was in the nature of a friendly visit to arouse interest in the game among some of the Summerside brethren, which might in time lead to the formation of a Curling Club there. Needless to say the gathering proved a most enjoyable one, the westerners proving very adept pupils. Afterwards the visitors were the guests of their Summerside friends at Joe Bun's Restaurant, where a tip-top oyster supper was served and an impromptu toast list was carried out. The spirit of good-fellowship was uppermost at this repast and all were unanimous in feeling that the gathering was one which should help to cement the feeling of friendliness between the two towns.

At the home of her nephew, Chas. D. J. McLeod, Mr. Buchanan, Miss Hannah McLeod passed peacefully away at 10.30 a. m., Monday Jan. 8th, at the advanced age of eighty-seven years and six months, after a brief illness of a gripper. She leaves to mourn one sister, Flora. Deceased was a woman of a kind and cheerful disposition, was loved by both old and young, and died trusting in her Saviour. She was bedfast the last six years owing to an accidental fall, but still had the use of her hands. She was a good knitter, having knit nine pairs socks for the Red Cross. She was very fond of reading and had a good memory. The funeral service was conducted by Rev. J. W. McKenzie. Her remains, followed by a large number of friends, were interred in Belfast Cemetery. The pall-bearers were, John W. McLeod, Jas. D. Murchison, Neil Morrison, James A. Stewart, Dougald McKinnon and William MacKinnon.

ISLANDER ILL.—The many friends and acquaintances of Pte. Ed. Smith of this city, will regret to learn that he is in the hospital at Havre, France with pneumonia according to a despatch received here yesterday. Pte. Smith left here with the 105th Battalion and crossed to France with the first draft from that regiment.

There passed peacefully away at her home in Southampton on the 26th of January, 1917, after a week's illness Jane, widow of the late Peter McAlay. In the eightieth year of her age. The deceased was a daughter of the late Captain Kennedy of Marie, who for many years conducted a shipyard at that place. She was attended in her last illness by her pastor Rev. A. McAulay, and died fortified by the last rites of the Roman Catholic Church of which she had always been a faithful member. She leaves to mourn besides a host of friends and relatives, a family consisting of the following: Three sons, Franklin on the homestead, Alphonsus in West Semerville and Joseph in McLennon, Alberta, and three daughters, Mrs. John A. Peters of South Boston, Mrs. David G. Brean of Hyde Park and Mrs. Flora J. Sutherland of St. Peter's, by whom she will be sorely missed. May her soul rest in peace. (Island papers please copy.)

ENJOYABLE BANQUET.—Last Thursday evening, the annual banquet of the Marshfield Farmers' Institute was held in the hall, and was a very enjoyable and successful function. Owing to the prevalence of sickness in the community the gathering was not so large as on former occasions, but apart from that there was a very interesting programme and a feast of good things. The programme was prepared by the ladies of the Institute in excellent style. It was dainty, satisfying and fortifying. Before the feast was partaken of, an interesting programme was rendered, with the capable and progressive President of the Institute, Mr. Walton Scott, in the chair. The programme included a well executed solo by our popular vocalist, Miss Crosby (encored); reading, Miss Ruby Stewart; duet, Mr. F. W. Godfrey and Miss Flo Campbell; recitation, Miss May Stewart; violin solo, Mr. H. B. Dennis (encored); songs by Miss Florie Scott and Miss Campbell, and speeches by Messrs Peter Brodie, W. J. Gibson and W. H. Godfrey. Special mention might be made of the violin solo by Mr. Dennis, accompanied by Miss Crosby on the organ. A vote of thanks was moved by Mr. W. J. Gibson, seconded by Mr. W. H. Godfrey and ably supported by Mr. John Stetson, and presented to those who took part in the programme, making it a success. The ac- (55 making it such a success. The accompanist of the evening were Mrs. A. W. Robertson and Miss Bessie Crosby. It was after midnight before the enjoyable banquet, well attended, credit to all concerned, was brought to a close.—Com.

THE 105TH TO BE ABOLISHED.—A correspondent of The Examiner, writing from Witley Camp, England, under date of January 22nd, states that at the time of writing it seemed certain that the remainder of the 104th and 105th Regiments, now in camp, were to be amalgamated and to bear the number 104. Col. Ings of the 105th to be in command. There seems to be considerable feeling on the part of the 105th that their old number should be wiped out. It means further that a number of the senior officers will have to vacate their posts, as, although the amalgamated regiment will carry fourteen supernumerary lieutenants the number of captain and majors will have to be reduced by half. The same correspondent states that field certificates were granted to the following officers: Major R. H. Campbell; Capt. H. G. Dawson, distinguished in topography and organization; Lieut. Cook, distinguished in topography, engineering, organization, administration and law; Lieut. S. K. Donahue, distinguished in law and drill; Lieut. Metherall, distinguished in organization; Lieuts. C. G. McDonald, D. A. Sutherland, R. R. McLean, and J. R. Paton. The correspondent remarks that a sermon preached by Captain Rev. R. G. Taylor, on the relations between officers—non-coms—and men, had caused considerable comment. The health of the 105th Regiment has been maintained at the high standard which characterized it in Charlottetown and Valcartier, the last brigade orders showing that there was only 1.55 per cent on the sick list as against 4.26 for the 104th, that is, there were only about three men off duty out of every two hundred in the 105th and about 8.5 men out of the New Brunswick Regiment.

APPOINTED STATION AGENT.—Mr. A. D. McLennan, of Vernon River, has been appointed Railway Station Agent at Murray Harbor in succession to the late Mr. McInnis.

There will also be service at Hampshire at 7 conducted by Mr. George Crewey. The Bible Study Class conducted by Mr. W. H. Boyle will meet at Cornwall at 11.

BODIES ARRIVE.—Three bodies arrived in the city by the mail train from Georgetown last evening, those of Miss Annie McKay, whose death occurred in Orange, New Jersey; Miss Fraser of Clyde River, who also died in the United States, and Mr. James Herbert Edmonds, who died in New Glasgow, N. S., after a brief illness of pneumonia. His funeral takes place at 9 o'clock this morning.

THE SOLDIERS' PAPER.—The Guardian has received from the Canadian War Records Office, London, a copy of No. 5 of the "Canadian Daily Record," a news bulletin issued free of charge to Canadian troops in France and England. The bulletin gives in concise form the gist of the daily happenings in Canada and thus keeps the soldiers posted in the affairs of their country during their absence.

PAINFUL ACCIDENT.—A painful accident occurred at Stanley Bridge on Wednesday last. While Fred Bennett was in the act of stopping his gasoline engine, the thumb of the glove which he wore came in contact with the cogs, with the result that the right thumb was drawn in and badly mangled. Dr. Simpson was hastily summoned and by treatment hopes to save the thumb, although it will be some time before Mr. Bennett will be able to do any work.

GOVERNMENT SAVINGS BANK.—In the last issue of the Canada Gazette appears a statement of the balance at credit of depositors in the Dominion Government Savings Banks on Dec. 31, 1916. It shows that in Savings Bank at Charlottetown on Nov. 30th, 1916 there was a balance of \$1,912,395.99. There were deposits in December of \$48,566.00 making a total of \$1,960,961.99, withdrawals for December totalled \$23,619.20, leaving a balance on December 31st of \$1,937,342.79.

IRISH TOWN.—The semi-annual examination of Irishtown school was held Friday, Jan. 19th. On account of the weather being so very disagreeable, only a few of the ratepayers were present. The pupils were examined in the different branches by their teacher, Mr. Jack Montgomery, who was very ably assisted by Mr. Henry Ready, teacher from Sea View. At the close of the examination Mr. William Profit, in speaking complimented the teacher and scholars very highly. Other remarks of a similar nature were made by Mr. William Payne, Mr. Geo. Condy, and Mr. Henry Ready. On the whole the examination was a great success, save only for the poor attendance of the parents. It is hoped that when the time comes for the annual examination that every ratepayer and parent will be present to encourage both teacher and pupils in the good work being done.

WELL PRESENTED PLAY.—The three act play "Blundering Mr. Brown" was staged in Hartney Hall Tuesday night by local talent and although the weather and roads were both bad, they were greeted by a full house. Mr. Chester Acorn, as Mr. Brown dressed in Prince Albert costume looked a typical gentleman, and although a hard part to act did it with all the ease and grace of a professional. Miss May Jackson as Mrs. Brown acted the part of "mother" to perfection. The two Miss Browns in the persons of Misses Katie Currie and Victoria Jenkins looked sweet, especially in the final act, when dressed as brides they looked their part. Whilst everybody expected Miss Jessie Jenkins to do her part well, her personification of Maggie, the maid, was well acted especially when "Police-man Patsy" in the person of Mr. Christy Jenkins came in off his "beat" to make love to her. Mr. Chester Robertson as Jack Armstrong, a poor bank clerk succeeded well, especially as he got the girl he wanted in the end. Mr. Fred Robertson as Dr. Horton the "Aristocrat" was right at home with his part and thanks to the "Blundering Mr. Brown" also succeeded in getting the right wife. In fact from first to last the play which lasted one and one half hours was a success not a dull minute in it, while the ludicrous situations kept the faces of the audience wreathed in smiles. Between the acts Mrs. Wm. McEachern and Islet Richards sang that good old plaintive song, "Flow gently Sweet Afton." The sale of home made candy was also appreciated by those with a

sweet tooth. The proceeds were given for Red Cross Work and the thanks of that Society are due to all the players but especially to Miss Lottie Jackman who gave liberally of her time and talent training the players, and to her ability is due the grand success that it was. John McNeill acted as stage manager and decorator and well he did his part.

There passed peacefully away at French River, New London, on Thursday morning last, February 1st, Mr. Lemuel P. Sims at the advanced age of 78 years.

Mr. Sims was the youngest son of the late Mr. John C. Sims who in his early days resided in Charlottetown and later removed to New London. The funeral took place on Saturday at 2 o'clock and although the day was exceptionally cold yet a large number of the deceased's friends attended to pay the last tribute of respect to one whom they esteemed very highly. A short service was held at the home after which the remains were removed to St. Thomas Episcopal Church, of which the deceased was a member, and where an appropriate sermon was preached by the Rev. Mr. Watson. The remains were laid to rest in the Episcopal Cemetery at French
