NOT ASPIRIN WITHOUT THE "BAYER CROSS"

Any Tablet Offered as Aspirin and Not Stamped with the "Bayer Cross" is Not Aspirin at All!

"Bayer" Now Made in Canada—No German Interest—All Rights Purchased from U. S. Government

There is not a penny of German money invested in "Bayer Tablets of Aspirin" nor will a German citizen profit by its sale or ever be allowed to acquire interest.

The original, world-famous "Bayer Tablets of Aspirin" is now made in Canada and can be had at your druggist's in handy packages.

Unless you see the "Bayer Cross" on package and on tablets you are not getting Aspirin at all.

During the war, acid imitations were sold as Aspirin in pill boxes and various other containers. But there is no substitute for genuine "Bayer Tablets of Aspirin" which have been proved safe by millions for Pain, Headache, Toothache, Earache, Rheumatism, Lumbago, Colds, Grippe, Joint Pains, Neuritis.

Proper and safe directions are in every "Bayer Package." Don't accept Aspirin in a pill box. Buy a "Bayer Package!"

Boxes of 12 tablets—Bottles of 24—Bottles of 100—Also Capsules.

Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monocrotic acid of Salicylic acid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

McKinnon Returns After 37 Years

SAYS PEOPLE OF CALIFORNIA FOUND TANLAC WONDERFUL—RELATES HIS OWN EXPERIENCE.

"I'll tell the world that this is the most wonderful medicine ever put in a bottle," said J. A. McKinnon, while making a purchase of Tanlac, at Turnbull's drug store in Sydney, for some friends at Whycomagh recently.

Mr. McKinnon was born in Whycomagh, and is now visiting "the old home" for the first time since leaving it, thirty-seven years ago. He has lived in California for the past thirty-two years. Mr. McKinnon's home is now at El Cajon, California, fourteen miles from San Diego. He owns a garage and other interests there and is well-known. Mr. McKinnon has four sons, who saw active service in the war, three overseas and one with the navy.

Continuing his statement regarding the benefits he has derived from the use of Tanlac, Mr. McKinnon said: "Twenty years ago my stomach got out of order and since that time I think I have had about every kind of misery a man with stomach trouble can have. On getting up in the mornings I would gag and cough for an hour, and no matter what I ate I would bloat up with gas as tight as a drum and suffer for hours. The gas would rise up into my chest and almost smother me, and sometimes I feared my heart would stop beating, the gas pressure was so strong. One day I was in San Diego while they were having a big flying exhibition—more than two hundred and fifty planes in the air—but I was in too much misery to enjoy any of it.

"I had been reading in the California papers where so many people were being helped by a new medicine called Tanlac, that I made up my mind to try it, although I thought it would be a failure like all the rest of the medicines I had taken. I had about decided that no medicine could help me, but after taking just a few doses of Tanlac I began to feel much better. It was the day before last, Thanksgiving that I got my first bottle and from that time on I improved every day. Before I began taking it I was just suffering agony and only weighed one hundred and sixty-eight pounds, but by the time I had finished my third bottle of Tanlac I tipped the scales at one hundred and eighty-two, making a gain of fourteen pounds, and every sign of my stomach misery was gone. Why my stomach used to hurt me so bad I couldn't sleep, but now I sleep like a log and get up in the mornings feeling like a two-year-old. Nobody can go wrong on Tanlac for it certainly does all they say it will."

Local Banker at Montreal Convention

Mr. Temple of the Charlottetown branch of the Union Bank of Canada attended the conference of the Ontario managers with the General Manager, Mr. H. B. Shaw and a number of executive officers representative of the Western and Eastern divisions in Montreal last week. "A most profitable experience," said Mr. Temple upon his return. "As a get-together, in an endeavour to improve the working conditions of the men who are in the service of the Union Bank of Canada and as a medium for broadening our banking service to the general public these conventions fully justified themselves."

At the convention Mr. Shaw, the general manager emphasized the development of the Union Bank of Canada internationally, through the Park-Union Foreign Banking Corporation, which, with the National Park Bank of New York it jointly controls. The corporation is established at many strategic commercial centres in the Far East, in New York, Seattle, Wash., San Francisco, Cal., and in Paris, France, where notable connections have been built up. Mr. Shaw stated that the policy of the directors was to make of the Union Bank of Canada more and more a financial highway for the further development of Canadian trade abroad, which is a vital consideration in this period of reconstruction.

CARD OF THANKS

The G. W. V. A. of Souris, hereby wishes to express its appreciation and gratitude to all those who in any way assisted so generously to make the tea party such a grand success. Especially to the ladies of the town who worked so earnestly and contributed so generously towards the tables thereby insuring a bountiful dinner to all visitors.
