McKEE TO BEAR LIBERAL STANDARD

WINDSOR, Nov. 2.—William J. McKee, this city, was on Saturday chosen by the convention of the North Essex Liberals as their representative to contest the riding at the approaching bye-election, when a successor to Justice Sutherland will be chosen. The convention was one of the most exciting and hotly-contested held in many years, there being three candidates for the honor, which finally fell to Mr McKee by the narrow margin of six votes over his closest opponent Timothy F. Healy, a prominent Sandwich barrister. For five hours the delegates battled, and many ballots were taken. The final result showed eighty eight votes for McKee and eighty two for Healy. James Anderson, manager of the Street Railway Company, was the third candidate.

A St. John Stone Mason Cured of Rheumatism

By "Father Morriscy's No. 7" After Seven Doctors Had Failed.

647 Main St., St. John, N.B.
FATHER MORRISCY MEDICINE CO., LTD.

I am writing to tell you I have been a victim to Rheumatism for several years, and have been treated by seven doctors without finding any permanent relief until I got Father Morriscy's medicine. It has cured me so I am able to do my work and find I am as well as ever in my life.

Yours truly,
JOHN CRAWFORD.

Rheumatism is caused by sluggish Kidneys failing to take the Uric Acid out of the blood. The whole system becomes loaded with poison, which gathers in joints and muscles, causing agony at every movement.

"Father Morriscy's No. 7" Tablets act directly on the Kidneys, stimulating them to vigorous work. They dissolve the Uric Acid in the blood and free the whole system of the poison. Then, of course, the Rheumatism leaves. Price 50 cents at your dealer's or from Father Morriscy Medicine Co., Ltd., Chatham, N.B. 18

N. J. SMITH IS NOW ORANGE GRAND MASTER

"FIGHTING PASTOR" A A HERO IN RAGING FIRE

PITTSBURG, Nov. 2—The Rev Ralph Elliott, expert boxer and militant antagonist of Satan and his ways, who has had an interesting and eventful career, added luster to his name and fairly won the new title of hero, when he imperiled his life early this morning in a vain effort to save that of Jacob Otto, whose clothing became ignited as the result of a mysterious explosion in his room.

As Elliott was sitting in the dining room, on the first floor, reading he heard a cry of "Fire!" He grabbed his overcoat, and without hesitation, rushed upstairs. He found Otto's room a mass of smoke and flames. From behind the wall of fire the cries for help still came.

Elliott plunged through the flames and groping about found Otto.

Throwing his long overcoat about the swooning man, the Rev Elliott took him in his arms and rushed from the room. He carried Otto down two flights of stairs to the dining room and then sank prostrated in a chair.

The Rev Elliott's heroism, however, proved in vain. Otto died in the Ohio Valley Hospital.

The Rev Elliott's overcoat was covered with flesh, which had rubbed off Otto's body as Elliott carried him down the stairs.

GLOBE TROTTER HAS GREAT STORY

ALMONTE, Nov 2—Chas King, the globe-trotter, arrived in town Saturday afternoon and spent a few hours in the factory town combining business with pleasure. While here Mr King, mention of whose globe tour has been made in the Montreal and Ottawa papers, made mention of some of the most interesting incidents of his trip, some of which are worthy of a place in the pages of history. The round-the-world man is about thirty-five years of age, medium height, and having all the appearances of one who has encountered all kinds of life in many countries. He was born in Windsor, Ont., and drifted southward, taking part in the Spanish-American war and a revolution in South America. Afterwards he went to Japan and took part in the battle of Port Arthur, and as mementos of this fight he has a deep scar on his leg, and two scars on his cheek. Mr King said that during the battle a shell exploded while the soldiers were taking dinner one day, killing several of his companions (Englishmen, like himself), and wounding others, and he escaped with the marks mentioned. King is a professional soldier, or to quote himself, "a soldier of fortune," ready to throw in his lot with the side offering the best inducements. He speaks seven languages fluently, and upon entering each country he secures some advertising agency, whereby he makes enough money to help him along on his journey. He is at present representing a Montreal rubber company, and did a profitable business during his few hours stay in Almonte. He has to make the trip in seven years, and has been on the road four years already, but he is eight months ahead of his schedule time, and although he has to finish in 1912, he expects to be around the globe by 1911. If he finishes in time he will receive twenty five thousand dollars from a London, Eng., publishing concern. He is now on his way to Vancouver.
