ALL GOOD THINGS

must win upon their
 merits. The International
 Dictionary has won a
 greater distinction upon
 its merits and is in more
 general use than any other
 work of its kind in the
 English language.

A. H. Sayce, LL.D., D.D., of Oxford
 University, England, has recently said
 of it: "It is indeed a marvelous work."
 It is not only what we might expect to
 find in such a work, but also what few
 of us would ever have thought of looking for.
 A supplement to the new edition has
 been brought fully up to date. I have been
 looking through the material and find it
 of astonishing completeness, and the
 amount of labor that has been put
 into it.
