Mr. Wilfrid Pickering was very successful in collecting for the new organ which is to be placed in the Methodist church, Margate.

—ST. ELEANORS.—Probably no other village in Prince Edward Island has lost as many boys in the recent war as has St. Eleanors says the Pioneer. Within a radius of one and a half miles from St. Eleanors corner the parents of no less than eight boys sincerely and bravely mourn their loss. A worthy movement has started in St. Eleanors—the erecting of a suitable memorial to the memory of the boys who have fought but will not return, and the expression of appreciation for the deeds of those who having done their bit, have already returned, or are yet to return. A meeting of the citizens of St. Eleanor and of the adjoining districts is to be held in the hall at St. Eleanors this evening to promote and organize this movement. The names of the eight boys who have been killed are: Frank McCormack, Arthur Thomas, Archibald Lefurgey, Pope Howatt, James Bryanton, Frank Goldthwaite, R. Ireland and Reginald Jeffery.

IF YOUR EARS RING WITH HEAD NOISES

If you have roaring, buzzing noises in your ears, are getting hard of hearing and fear Catarrhal Deafness, go to your druggist and get 1 ounce of Parmit (double strength), and add to it 1/2 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarrhal trouble of the ears, is hard of hearing or has head noises should give this prescription a trial.
