Drop in and examine the lovely patterns and excellent grades. No clothier on earth crowds so much v[illegible]le in suits at the prices as we do in ours. We use better linings and better trimmings, give the greatest care to the small details—and we get results which are only to be seen in custom tailors' productions. That is why our business is growing and we have so many pleased customers.

# A LINGERING COUGH

The cough that holds on in spite of all remedies needs energetic and above all thorough treatment. A mere cough mixture won't do. Root out the cold that causes the cough.

How? Scott's Emulsion.

Why Scott's Emulsion? Because it stops the irritation, soothes the tissues and heals the affected membranes.

When? Right away. Scott's Emulsion begins to help with the first dose.

We'll send you a sample free upon request.
