Big Rowing Coach Returns to Canada

TORONTO, Dec. 1.—Joe Wright Sr., former world famous sculler and oarsman and now dean of rowing coaches, has resigned as coach of the Philadelphia Athletic Club, Philadelphia, and has accepted the position of athletic director of the Argonaut Rowing Club Toronto, it was announced today.

Mr. Wright, who is a Canadian, has been in the United States for 11 years, having formerly coached the University of Pennsylvania oarsmen.

Joe Wright Jr., the famous member's son, who broke into sculling last year in the United States and won 11 races, defeating Walter Hoover and Gemore each twice, will return to Canada with his father.

He is Canada's best prospect for the sculling events at the 1928 Olympics.

Under Joe Wright's tutelage the Argonaut rowers before the war were the most feared on the continent, but after his departure their fortunes soon were on the wane. His return is heralded as one of the most important events in Canadian sculling circles in some years and it is hoped that it will mean

National Hockey League Results

BOSTON, Mass., Dec. 1.—Ottawa Senators, the leaders in the National Hockey League race, defeated the Boston Bruins, 2 to 1, here tonight in the fastest game of the local season to date.

The experience of the visitors overbore the aggressive eagerness of the young Boston team. Denny netted the first Ottawa score on a long lift in the first period. Hooley Smith batted in the winner near the close of the third period on a pass from Clancy. The Boston goal was the work of Oliver in the second period.

Cooper, Boston's sharpshooter, was out of the game with his gripper, and Clegburn and Hitchman showed the effects of last Tuesday's battering. Herberts, returning after an attack of pleurisy, was effective, but not at his best.

U. S. Team Takes Revenge

MONTREAL, Dec. 1.—More finished hockey and timely combination spelled victory tonight for the Americans, 4 to 0. It was a sweet revenge for the visitors as they are practically the same team which went to defeat before the locals in the finals for the world's championship here last spring, when Montreal and Victoria, B. C., played off.

Oatman started the Detroit scoring in the first period. Arbour put in the second in the next session, and the game was stayed away in the last session when Oatman and Halderson both counted.

The Maroons entered the last period still very much in the battle, but they were over-anxious and he finished play of their opponents made them look awkward.

Toronto Wins.

TORONTO, Dec. 1.—St. Patrick's, Jr. means of fast, clever team play in the forward line, backed up by strong defensive tactics and bright goal tending, broke their goose egg in the win column of the National Hockey League by blanking the jeppery Pittsburgh Pirates 6 to 0 here tonight.

Opening the scoring in the initial period when Bailey Beat Worth, the Irish from then on remaining in the session, and three other scorers counted in the final frame. Although badly beaten in the scoring column, the Pirates put up a courageous battle and forced John Ross Roach to give one of his greatest exhibitions of goal keeping to hold the visitors scoreless.

Recruits Are Stars

The recruits from amateur ranks were the stars of the contest for St. Pats, Bill Carson, Bill Bailey and Danny Cox, turning in their best performances of the season.

22 Penalties Handed Out

Twenty-two penalties were handed out by Referee Bill Bell, with two of the major variety being given to Day and McCurry in the closing minutes of the game. Day had touched Worthers when McCurry urred on him, knocking the St. Pats' players to the ice. My returned the blow.

Rangers Beat Chicago, 4-3

NEW YORK, Dec. 1.—The New York Rangers took a brisk, 4 to 3, black Hawks in a National League hockey game here tonight. Thompson shot the winning goal for New York after 10 min. and 33 seconds of overtime play.

With but two seconds of play remaining in the final period of regular time, Babe Dye whipped the puck into the Ranger goal to knot the count at 3-3 when Chicago out-oose with a five-man offensive. New York had held the lead up to that point.

Trying To Round Up Liquor Smugglers

SAN FRANCISCO, Dec. 1.—Prohibition forces moved against the organized liquor traffic of the Pacific Coast from four directions yesterday, while a royal commission at Victoria, B. C., was learning in its investigation of rum smuggling that great quantities of liquor is being shipped by Canadian exporters with the full knowledge that is later to find its way into the United States, forty-two indictments were returned here against the alleged leaders of what the San Francisco newspapers call a \$10,000,000 smuggling combine which has been operating all the way from Canada to Mexico. In addition to that the Federal Government today set up a 24-hour customs patrol which will operate against liquor running at every port of entry in the state. This force will supplement the coast guard by patrolling the shores.

Hockey Men Agree On Marking of Ice

TORONTO, Dec. 1.—President Frank Calder, acting for the National Hockey League, and other professional organizations, and W. A. Hewitt, chairman of the Rules Committee, acting for the Canadian Amateur Hockey Association, have agreed on a plan to have the ice in all hockey rinks under the jurisdiction of these two organizations marked the same for both amateur and professional hockey games.

On all rinks 200 feet or over in length the blue lines will be 60 feet from the goal line on all smaller rinks the blue lines will be one-third the distance between the goal lines.

There is no change whatever in the playing rules of either the National Hockey League or the Canadian Amateur Hockey Association, but the marking of the ice is the first step towards obtaining uniformity in the rules for the game of hockey.

All rinks must be marked this winter according to the new regulations. In the C. A. H. A. rules there is no off-side for the defending team in the defense area, the same rules as last season in this regard prevailing.
