Farm and Summer Hotel for Sale

Mrs Smith has decided to sell the large hotel of the late Matthew Smith, at Hampton Beach. This is a very desirable property as hundreds who may read this notice of sale will attest. The farm contains about 100 acres, divided into ten fields, well fenced with cedar posts and eight strand wire fencing, the fences all being largely built in the last six years. There is no richer or better farm on P. E. Island. Mr Smith lived on the property over 30 years and never sold a ton of hay or bushel of oats off the farm. He was a large feeder of fat cattle for a number of years and enriched the farm to a very high state of cultivation. The shore line of the farm has been noted for years for its large deposits of sea-weed which Mr Smith wisely converted through his stables, piggery and barn yards to a fine fertilizer for his land. As a farm it has few equals anywhere. The buildings have been added to almost yearly and kept in first class repair. Within the last two years a large two story addition containing a kitchen, store room and laundry, all separate, on first floor and sleeping rooms for family and help on second floor, also a fine water system with sewerage throughout the house at a cost of about \$1000. The house now has comfortable accommodation for fifty guests and is fitted continually through the season with grown people paying from \$7.00 to \$12.00 a week and for the past three years people on the waiting list and those turned away for want of room have been a greater number than those who were taken. Full investigation will substantiate all these statements. The hotel has an established trade, a number of the rooms being already engaged for the coming season. This property, hotel and farm, is a money maker and will yield a net income reasonably well managed of \$1500-2500 yearly. Mrs. Smith will sell the farm, entire crop, farm machinery, cattle, horses, carriages etc. The Hotel, furniture, in fact everything on and about the place, excepting personal property, all together, or farm and Hotel furnished, separate, at a great bargain and will give to the right party sufficient time to pay for half or more of the purchase money off the proceeds of the property.

Mrs. Smith desires to spend the winter with her children in California and will give possession any time between now and January. Any person desiring to purchase this property should come and make a personal investigation early letting the undersigned know, a few days before, when they would call.

MRS. MATTHEW SMITH,
9-29dmw6i. Hampton.

Synopsis of Canadian Northwest Land Regulations.

ANY person who is the sole head of a family or any male over 18 years of age, may homestead a quarter-section of available Dominion land in Manitoba, Saskatchewan or Alberta. The applicant must appear in person at the Dominion Lands Agency or sub-Agency for the district. Entry by proxy may be made at any Agency, on certain conditions, by father, mother, son, daughter, brother or sister of intending homesteader.

Duties—Six months' residence upon and cultivation of the land, each of three years. A homesteader may live within nine miles of his homestead on a f.c.a. of at least 80 acres, fully owned and occupied by him or by his father, mother, son, daughter, brother or sister.

In certain districts a homesteader in good standing may pre-empt a quarter-section along side his homestead. Price \$100 per acre. Duties—Must reside six months in each of six years from date of homestead entry (including the time required to earn homestead patent) and cultivate six acres.

A homesteader who has exhausted his homestead right and cannot obtain a pre-emption may take a purchased homestead in certain districts. Price \$300 per acre. Duties—Must reside six months in each of three years cultivate fifty acres and erect a house worth \$200.00.
