"WHERE OLD FRIENDS MEET"

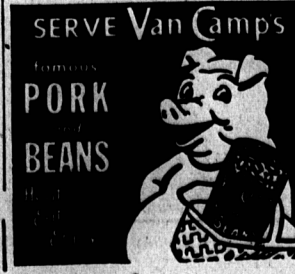

Says Ireland Is Against Reds

American-born Eamon De Valera, Ireland's prime minister for sixteen years, meets Irish-born Mayor William O'Dwyer at the Executive Mansion in New York City. In a statement to the press, De Valera predicted a firm Irish stand against the crush of communism, but declared that the world is now "rushing headlong into World War III."

Feminine Lines In Spring's Style

By Marianne Iszak (Canadian Press Staff Writer)
 NEW YORK, March 18 — (CP) — The tailored woman of Fifth Avenue, New York, today belied its name at a spring fashion showing in a fashionable Park Avenue Hotel (Waldorf-Astoria).
 Even the suits showed un-tailored, feminine details such as jackets lined with brilliant colors, many-gored skirts, capes that buttoned on and off, and intricate pocket detail.
 The showing began with three tissue wool suits, in a shade called "Gotham Grey." The first, with a high-buttoned, hip-pocketed jacket, lined with Susan yellow crepe, had skirt gored only in front. The second had a fluted-pleated skirt with a high-riding midriff and a brief bolero lined with yellow and white polka-dotted silk. The last, with gilt buttons racing down the front, had a coy removable, shoulder cape.
 Long, sweeping capes were in for their share of attention. One beige cape of milatene swung wide to show a softly tailored suit with cavalier cuffs and up-curved revers.
 A dressmaker suit, appropriately called "toast of the town" in vibrant, toast-toned repaleen, sported a smoothly-flowing wide skirt, with a tab-detailed, fitted jacket.
 Accessories played an important part in tuning in with the whole attire. A spring-spirited hat composed of two pink roses, one on top of the head and one covering an ear, spotlighted a black, crepe cocktail dress with full skirt and low décolletage.
 Evening attire was of two types: Slim, hobble-skirted or wide, sweeping dinner and dance gowns. One of the latter boasted 17 yards of crepe in its skirt.
 One of the final showings was a mist-sheer nylon gown, with wide-winged bodice and fly-away skirt. A geometric design of swag-swept cord swung from neckline to hip-line.

Kensington Team Needs One Victory

The second game of the North Shore finals was played in Kensington Rink on the night of March 16 before a large number of wildly cheering fans. The ice was perfect and the game was fast and clean. Kensington skated off the winners by a score of 5-2. The Kensington team now need one more win to cop the cup and on Thursday night it is "do or die" for New Annan.

For the winners Don Baker in the nets was outstanding as were R. Howard and C. Glydon while for the losers MacEntee and Jolez Mill turned in nice performances. New Annan struck quickly and after a sustained attack Willys Mill converted C. Mill's passout. Then the Legion opened wide and rapped in two quick goals off the sticks of R. Howard and C. Glydon.

The Legion kept up where they left off in the second period and L. Kelly soled through alone to score. This goal was matched by one by Francis MacKay. Then Ralph Howard shot his team into a four to two lead.

In the third period the goalies in both cages played splendidly and goals were scarce, the only one being for Legion from the stick of I. MacNeil.

Final score: Legion 5, New Annan 2.

Lineups:
 New Annan: Goal, McInnis; defence, Read, MacKay, Schurman; forwards, Jolez Mill, C. Mill, Willys Mill, Wendall Mill, J. MacKenna, Moyneagh, MacEntee.

The Needs Of O'Leary

This correspondent has gathered a number of impressions as to the greatest needs of O'Leary from his conversations with a large number of the people. First of all, the most urgent need for O'Leary is a dentist. All agreed that this was of paramount importance as residents have to go at present forty miles to Summerside for the services of a dental surgeon.

Then a great many residents would like to see improved water and sewage conditions in O'Leary, which is certainly greatly to be desired and was recently mentioned in the Legislature at Charlottetown by Mr. Forrest Phillips, M.L.A.

O'Leary also badly needs a new freight shed. The facilities of the old one are inadequate and out of date. There is also a need for pasteurized milk. A dry cleaning plant would also be an asset to the village and should be a paying proposition when the large territory, of which O'Leary is the center, is taken in. The same thing is true of a bakery. If one was established at O'Leary, it would meet a need and should be very successful.

The young people of the village and district need a gymnasium where they could gather to play the most popular games and some coach to teach them the fine points. Some people thought that a swimming pool is one of the needs but with the ocean so handy this is not an imperative need.

Like most places in Canada, O'Leary could use more homes and doubtless when building materials get cheaper and labour more plentiful, more construction will take place.—O.

The sympathy of many friends in this locality go out to the bereaved brothers and sisters of the late Mr. Ralph Gavin, whose recent death took place suddenly at his home in Alma.

The ladies of the Elmsdale Women's Institute held a pantry sale on Saturday the proceeds of which go to the Canadian Appeal for Children Fund. The ladies are grateful to all who contributed, thus making it a successful affair.

Mr. and Mrs. David A. Williams were visitors to Summerside last week. Mrs. Williams was receiving treatment for a broken arm which she sustained recently. Her many friends are pleased that she is making a good recovery.

The Elmsdale Women's Institute held its March meeting at the home of Mrs. Arthur Weeks with a fair attendance of members. The President, Mrs. George Murray was in the chair and opened the meeting in the usual way. Roll call was followed by the minutes of last meeting which were read and approved. Reports from the committees were given. Correspondence was read and discussed. It was decided to have a Pantry Sale in the store of Mr. Waldron Rix for the Canadian Appeal for Children Fund, on the following Saturday. Lunch was served by the hostess, assisted by the committee. The National Anthem closed the meeting.
