—IT PAYS to buy in this Province. —W. K. McGOUGAN, Globe Fox Exchange, is Guardian agent in Summerside.

—THE MORNING DAILY Guardian can be obtained at Lafferty's Tonsor's Parlours, Summerside.

—VISITOR TO PARK CORNER—Miss A. E. Hill, teacher in the Macdonald College, Montreal, visited Miss Freida Campbell—her pupil—at Park Corner. Miss Hill leaves via Charlottetown to visit another of her pupils, Miss Fraser, in Nova Scotia.

—RETURNS TO COLLEGE—Miss Mamie Dunning of Clinton, who has been attending the Bryant and Stratton Business of Manchester, N. H., for the past year spent a very pleasant vacation visiting her father, Mr. John Dunning of Clinton, P. E. Island. Miss Dunning left Friday morning for Manchester, where she will resume her studies. The many friends of Miss Dunning join in wishing her success. She was accompanied by her sister, Mrs. Brookins.—K.

—VISITORS TO KENSINGTON—Mr. and Mrs. O. E. Pettman and family of Chelsea, Mass are visiting at the home of Mr. Ed. Urch, Mr. Pettman being Mr. Urch's brother-in-law. Mr. Pettman is interested in the fox business, and speaks optimistically of the future of the industry. Mr. Pettman admires the rural beauty of Prince Edward Island, comparing it favorably with old England of which he is a native. He and family enjoyed the big picnic at New London on Thursday, 27th ult, when fifty people from Kensington and Stanley Bridge got together for an outing. Some fish were secured from a passing boat and a near approach to New England. Fish dinner was prepared over a campfire, and eaten by the picnic party with great relish. Miss Mamie Ross of Charlottetown and Miss Lena Nicholson of Stanley Bridge did some swell singing. Everyone present enjoyed a good outing.—K.

—SEATTLE VISITORS TO KENSINGTON.—Mrs. McLean and daughter Winnifred, who is a teacher in the Lincoln High school, Seattle, visited their old time Seattle friends, Mr. and Mrs. William Higgins, of Kensington, last week. Mrs. McLean who is a sister of the late James R. McLean, at one time Commissioner of Public Works for P. E. I., has not visited P. E. I. for 34 years, having been a resident of Seattle since it was practically a frontier town containing only one church till at the present day it has attained the remarkable growth of population of 350,000 people. Mrs. McLean notices great improvement in the rural sections of P. E. I., but deplores the falling off of shipping and coastwise trade from Sotria and the eastern coast.—K.

—DEPARTURE OF MR. FOUND.—Residents of Clinton and surrounding districts were surprised when Mr. Found announced his intention of selling out his goods and chattels and going to the U. S. A. again. In these days of the "full dinner pail" and good times on P. E. I., it is rather the exception to see a holder of a fine farm property sell out and leave, but Mr. Found's friends and well-wishers all hope that he sees his way clear to do even better than he has done here. Mr. and Mrs. Found have always been ardent supporters of anything tending to the uplift and social enjoyment of the community in which they reside. Mr. Found is a genuine horse lover and enthusiast of horse-racing. He promoted the New London Driving Club, which held so many good races on New London ice during the past two winters. Mr. Found will call a big sale about the middle of August, as soon as possible after which he and family will depart for the United States. K

Every Barrel, Just Like Every Other Barrel

One reason why the Pies and Cake, Bread and Rolls always turn out right when you use

BEAVER FLOUR

is because the flour is always the same. It is milled from blended wheat, Ontario fall wheat, strengthened with western spring wheat. Being blended in exact proportions, Beaver Flour is always the same in strength and quality; and always gives the same results, no matter what or when you bake.

It will be a change for the better when you change from western wheat flour to Beaver Flour, milled from blended wheat.
