VALUABLE HORSE SOLD.—Halt off to Mr. Bill Willis, Kingsport as a stock raiser. Last week Mr. Willis sold to Mr. V. S. Newcome his four year old gelding weighing over 1500 lbs. This colt for size good appearance and manners cannot be excelled in the lower provinces. The price we understand was the highest paid this season.

NEW OFFICES OPENED.—Work on the Beyer Building, Great George, St., is progressing rapidly. Dr. Archibald's offices on the ground floor, west side, are now open and most of the furniture and equipment at hand. This is a very attractive suite of rooms and Dr. Archibald is to be congratulated on the dispatch given his work by his contractors. Work on the Beyer studio is also progressing favorably and these also will be open for business in the near future. The examining editorial and publishing offices up stairs are now fully completed and occupied and the law office of Mr. George S. Inman are nearing completion and will shortly be ready for occupancy.

Memorial MRS. MARGARET MURRAY A telegram just received here yesterday morning announces the somewhat sudden demise at Vancouver, B. C., of Mrs. Margaret Murray, formerly of Bedoune in this Province. The message is to the effect that deceased passed peacefully away at four o'clock Tuesday afternoon and that the funeral services will be held at 2.30 on Thursday. The late Mrs. Murray had attained a ripe old age of about 85 years. She was a daughter of Malcolm Shaw and Jean Auld late of Brackley Point and is survived by one brother, Duncan Shaw of Summerside, and one sister Jane at the home, Brackley Point. The deceased lady lived for many years at Bedoune and will be well remembered by many friends on the Island. An only daughter, Mrs. Annie M. Taylor with whom deceased resided at Vancouver and a grandson Reginald Taylor are left to cherish her memory. This is the second bereavement that has taken place in the Taylor household this year, Mrs. Taylor's husband, the late Frank R. Taylor having passed away some months ago. Mrs. Murray was an aunt of Mr. D. Edgar Shaw of Charlottetown.

Mrs. William R. Webster. Fell asleep in Jesus at the residence of Mr. C. H. McNeill, on the North West, P. E. Island, on the 26th of March last. Mrs. William R. Webster, in the 64th year of her age. Mrs. Webster, whose maiden name was Mary Jane Farquharson, was born at Clifton, Lot 48. In 1883, she married Mr. Webster and went with him to Rollo Bay, where they resided till three years ago, when her health failing, they sold the farm and moved to Worcester, Mass., U. S. A. Here she was treated by the most eminent physicians, but nothing seemed to stay the hand of the "grim monster", and they decided to return to the Island, arriving at New Perth last spring, where she lingered till death put an end to her terrible suffering. She died as she lived, trusting in the merits of our Redeemer. Mrs. Webster was an active and consistent member of the Presbyterian Church at Bay Fortin, occupying the position of President of the Ladies' Aid Society and participating in every good work connected with the Church. Her illness compelled her to resign. The congregation has suffered a severe loss in her removal, but their loss is her gain. She leaves to mourn a kind husband, one son Fred R. residing at Brudenell, P. E. I., one sister, Mrs. C. J. Patton, Vancouver, B. C., three brothers, James at Lot 48, Ernest in Charlottetown and Frank in Trinidad, Colorado, besides a number of relatives and a host of friends. "Let me die, the death of the Righteous, and let my last one be like his. "In the graveyard softly sleeping Where the trees do gently wave, Lies the one we loved so dearly, In her lonely, silent grave."

"She will never be forgotten, Never shall her memory fade, Sweetest thoughts will always linger, Round the grave where she is laid." 8966

Attention of Farmers.—Attention is again directed to the importance of treating seed grain for smut. The cost of Formalin has advanced, and \$1.25 a pint appears at first thought high, but when it is remembered that this amount will treat a sufficient quantity of oats to seed twelve acres, and that the yield will be increased anywhere from ten to twenty per cent, the value derived will be at present prices of grain at least five dollars an acre. A direct gain to the farmer and an indirect benefit to the Province. This is one of the big leaks in farm practice that should not be neglected. Time at this season is very valuable, but a few hours is sufficient to attend to this most important work.

Potato Growers' Competition Additional money for prizes to Potato Growers was subscribed recently by shippers in Charlottetown as follows: J. S. Wedlock, \$50.00; Geo. H. Toomey, \$25.00; DeBlots Bros. Ltd., \$25.00; J. A. Farquharson and Co., \$25.00; Carter and Co. Ltd., \$25.00. This makes \$250.00 in all for Queens County Growers, as well as \$175.00 for King's County. The money for Queens is divided into eight prizes, varying in value from \$10.00 down to \$10.00. King's County money, \$50.00 is reserved for Green Mountains, the balance will be divided into five prizes. The regulations to govern the contest may be obtained from the Secretary of the Association, Department of Agriculture, Charlottetown.

This Complete Spraying Outfit Freight Paid to Your Nearest Railway Station \$24.90 Last year we did not even have half enough of these sprayers to meet the demand, but this year we have been able to have four times as many made up and although we are fairly swamped with orders we can meet your early requirements. Rapid Potato Spraying Outfit P6870—This is a modern Spray Pump Outfit that will work rapidly and effectively. No expense has been spared in the construction of the pump; the inside cylinder is brass-lined with brass plunger piston rod and brass valve seat. Fitted in this way there can be no rust and you are sure of having a pump that will give satisfaction. It has a liquid agitator, keeping the fluid always mixed up, thus giving a strong, evenly mixed spray. It is fitted with rubber hose connecting barrel with 1-4 inch spray pipe, fitted with twelve spray nozzles as cut, which spray both overhead and underneath plants saturating them with a finely diffused vapor shower, doing the work economically and thoroughly. The length of spray pipe is 8 3/4 feet, length of underneath spray pipe 13 inches. Lower sprays can be stopped by inserting thick cardboard, or similar substance, when the sprays are not required. The outfit includes a pump rubber connecting hose, spray pipe and spray nozzles as illustrated. Complete without barrel or cart. Freight paid. Price \$24.90 P678—Above outfit with 25 gallon barrel.
