TUESDAY

Mr. J. O. Hyndman, President of the Associated Boards of Trade for this Province has wired Mr. R. H. Jenkins, M.P., suggesting that the "Montcalm" which was to leave Sydney yesterday with mails, etc., for the Magdalenes, on her return proceed to Charlottetown and open the port.

Mr. Hyndman received a prompt reply from Mr. Jenkins, stating that he had arranged with the Department that the "Montcalm" when leaving there proceed to Charlottetown. It is understood that the ice conditions were pretty bad, but nevertheless the steamer will make the attempt to come to Charlottetown, and Mr. Jenkins hoped this would be quite satisfactory to all concerned. This is business; and it is hoped that the "Montcalm" will the latter part of this week or early next arrive at Charlottetown. This will open the harbour to navigation, and will have a stimulating effect on business generally. Such prompt action on the part of all concerned is highly commendable.

A most enjoyable time was held at the League of the Cross Rooms last evening, the occasion being an address and presentation to Monsignor Maurice McDonald; the presentation being a club bag given by the members of the Society. "Burning the Candle At Both Ends"

THERE is an old saying about "burning the candle at both ends" which seems to apply to modern life. How is a girl or boy, or man or woman to enjoy social life to the limit, keep up their daily work and escape a breakdown of health. The nervous system will not stand the strain. There is too short a time for recuperation, too little rest and sleep. The energy consumed in daily activity is not replaced—bankruptcy is sure. You find yourself nervous, irritable and sleepless. You are worried, have nervous headaches and spells of dizziness. A restorative is necessary and Dr. Chase's Nerve Food exactly fills the bill. Most women and many men know this from personal experience and use it as occasion arises. Prevention is by far the wiser plan with disorders of the nerves. By using this great restorative at the first indication of trouble you avoid a physical breakdown and weeks of tedious treatment. Keep the vitality at high water mark and you will know the joys of healthful living. Dr. Chase's Nerve Food, 60c a box, all dealers or The Dr. A. W. Chase Medicine Co., Limited, Toronto 2, Can.
