Tailor-Made

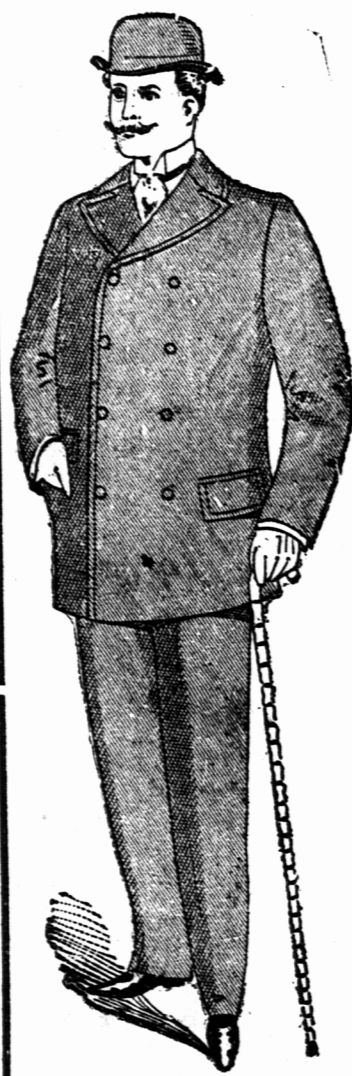

What is the question?

Yes that is a great question to many people, but if we could get these doubters into our clothing room just once, we would soon convince them that there is no question about it at all, but that it's simply a matter of waste to go to a tailor at this enlightened day, why when you can get a good solid All Wool Tweed Suit, Scotch Tweed too, mind you, pure at that, not made in Canada as so much of so-called Scotch Tweed is but made in Scotland and from fine Merino Wool. If this Suit is not a perfect fit, you need not take it and it costs you—hold your breath now just \$12.00 instead of \$20.00.

We know where they grow come and see us about it.

Meeting Presbytery.

At Charlottetown and within St. James' Hall there on Tuesday, May fourteenth nineteen hundred and one years, and at eleven o'clock ante meridiem, which place and time the Presbytery of Prince Edward Island met and was constituted. Mr. R. McLean, Moderator, with whom were present Messrs. Sinclair, Adam Gunn, Gillis, McLeod, Spencer, McKenzie, Fullerton, Millar, Melvor, Craise, McIntosh, Layton, and Murdoch, ministers; and D. A. Bruce, Wm. Laird, J. J. McLeod, C. H. Sterns and D. N. Forbes, ruling elders. Minutes of meeting March 5th were read and sustained.

After reading correspondence, Presbytery took up the petition from Richmond Bay. After hearing the Commissioner, D. N. Forbes from Tyne Valley; Mr. McLellan, from Victoria West; and Mr. Ramsay, from Lot 11; and Mr. Dobie from Lot 14, and after full discussion, the Presbytery on the motion of Mr. Fullerton, seconded by Mr. McLeod, unanimously agreed to the following finding:—

Resolved, in view of the fact that Tyne Valley, Lot 11 and Victoria West have shown their ability and intention to raise the minimum stipend, and to call a settled pastor. The Presbytery hereby agree to disjoin Lots 16 and 14, and to erect the same into a congregation from this date, the former to be known as Richmond Bay West congregation—the latter as Richmond Bay East.

That the Presbytery in coming to this decision expresses its gratification at the state of our cause in the whole of the Richmond Bay district, and its high appreciation of the arduous and successful labors of Rev. Mr. Murdoch.

The Presbytery directs that the sessions as constituted before the union of the two congregations shall from this date be the sessions of the newly formed congregations and further that Rev. J. R. MacKay shall intimate the decision of Presbytery to Richmond Bay west congregation on Sabbath 19th May, and to Richmond Bay east on Sabbath, May 26th.

On motion Mr. W. H. Smith was appointed interim Moderator of the session of Richmond Bay east and Mr. H. G. Gratz interim moderator for Richmond Bay west.

Mr. Fullerton being unable to attend the General Assembly, on motion Mr. John Sutherland of Caledonia was appointed in his place. Mr. W. H. Smith was also appointed in place of Mr. J. M. Fisher.

Took up call from Souris and Bay Fortune. Mr. Craise reported that he had moderated in a call at Bay Fortune, on May 2nd, that it was unanimous and enthusiastic, that it was in favor of Rev. J. F. Polley, and that it was signed by 121 communicants and 220 adherents, that the salary promised is \$800 without a manse.

On motion the conduct of the moderator was approved and Mr. C. H. Sterns Commissioner was heard. He testified to the perfect unanimity and heartiness of the call.

The call was then sustained as a regular Gospel call and ordered to be placed in Mr. Polley's hands. Provisional arrangements were made for his induction as follows:—Services to be held in Bay Fortune church at a day and hour to be fixed by the Moderator and Clerk. The Moderator to preside. Mr. Herdman to preach. Mr. Adam Gunn to address the Minister and Mr. J. W. McKenzie the congregation. Serving the edict was left in the hands of the clerk.

Mr. Adam Gunn reported that he had been unable to secure a man that was acceptable to Dundas, and asked that he be relieved from the interim Moderatorship of that Session.

The Presbytery declined to grant Mr. Gunn's request.

The Committee appointed to visit St. Peter's Road and Covehead, reported that they had unanimously agreed that it would be wise for that congregation to secure the services of a settled pastor, rather than continue under an ordained missionary. In the meantime they requested the Home Mission Committee to provide for uninterrupted services which had been done by continuing Mr. Layton until June 1st. On motion the report was received and approved.

The Clerk reported that all applications made by the Presbytery for Augmentation grants have been sanctioned by the Augmentation Committee.

The hour of adjournment having arrived the Presbytery adjourned to meet in the same place at the hour of half past two, of which public intimation was made and this sederunt closed with the benediction.

Same place and date at the hour of half past two Presbytery met pursuant to adjournment and was constituted, Mr. R. McLean, Moderator, Sederunt et supra.

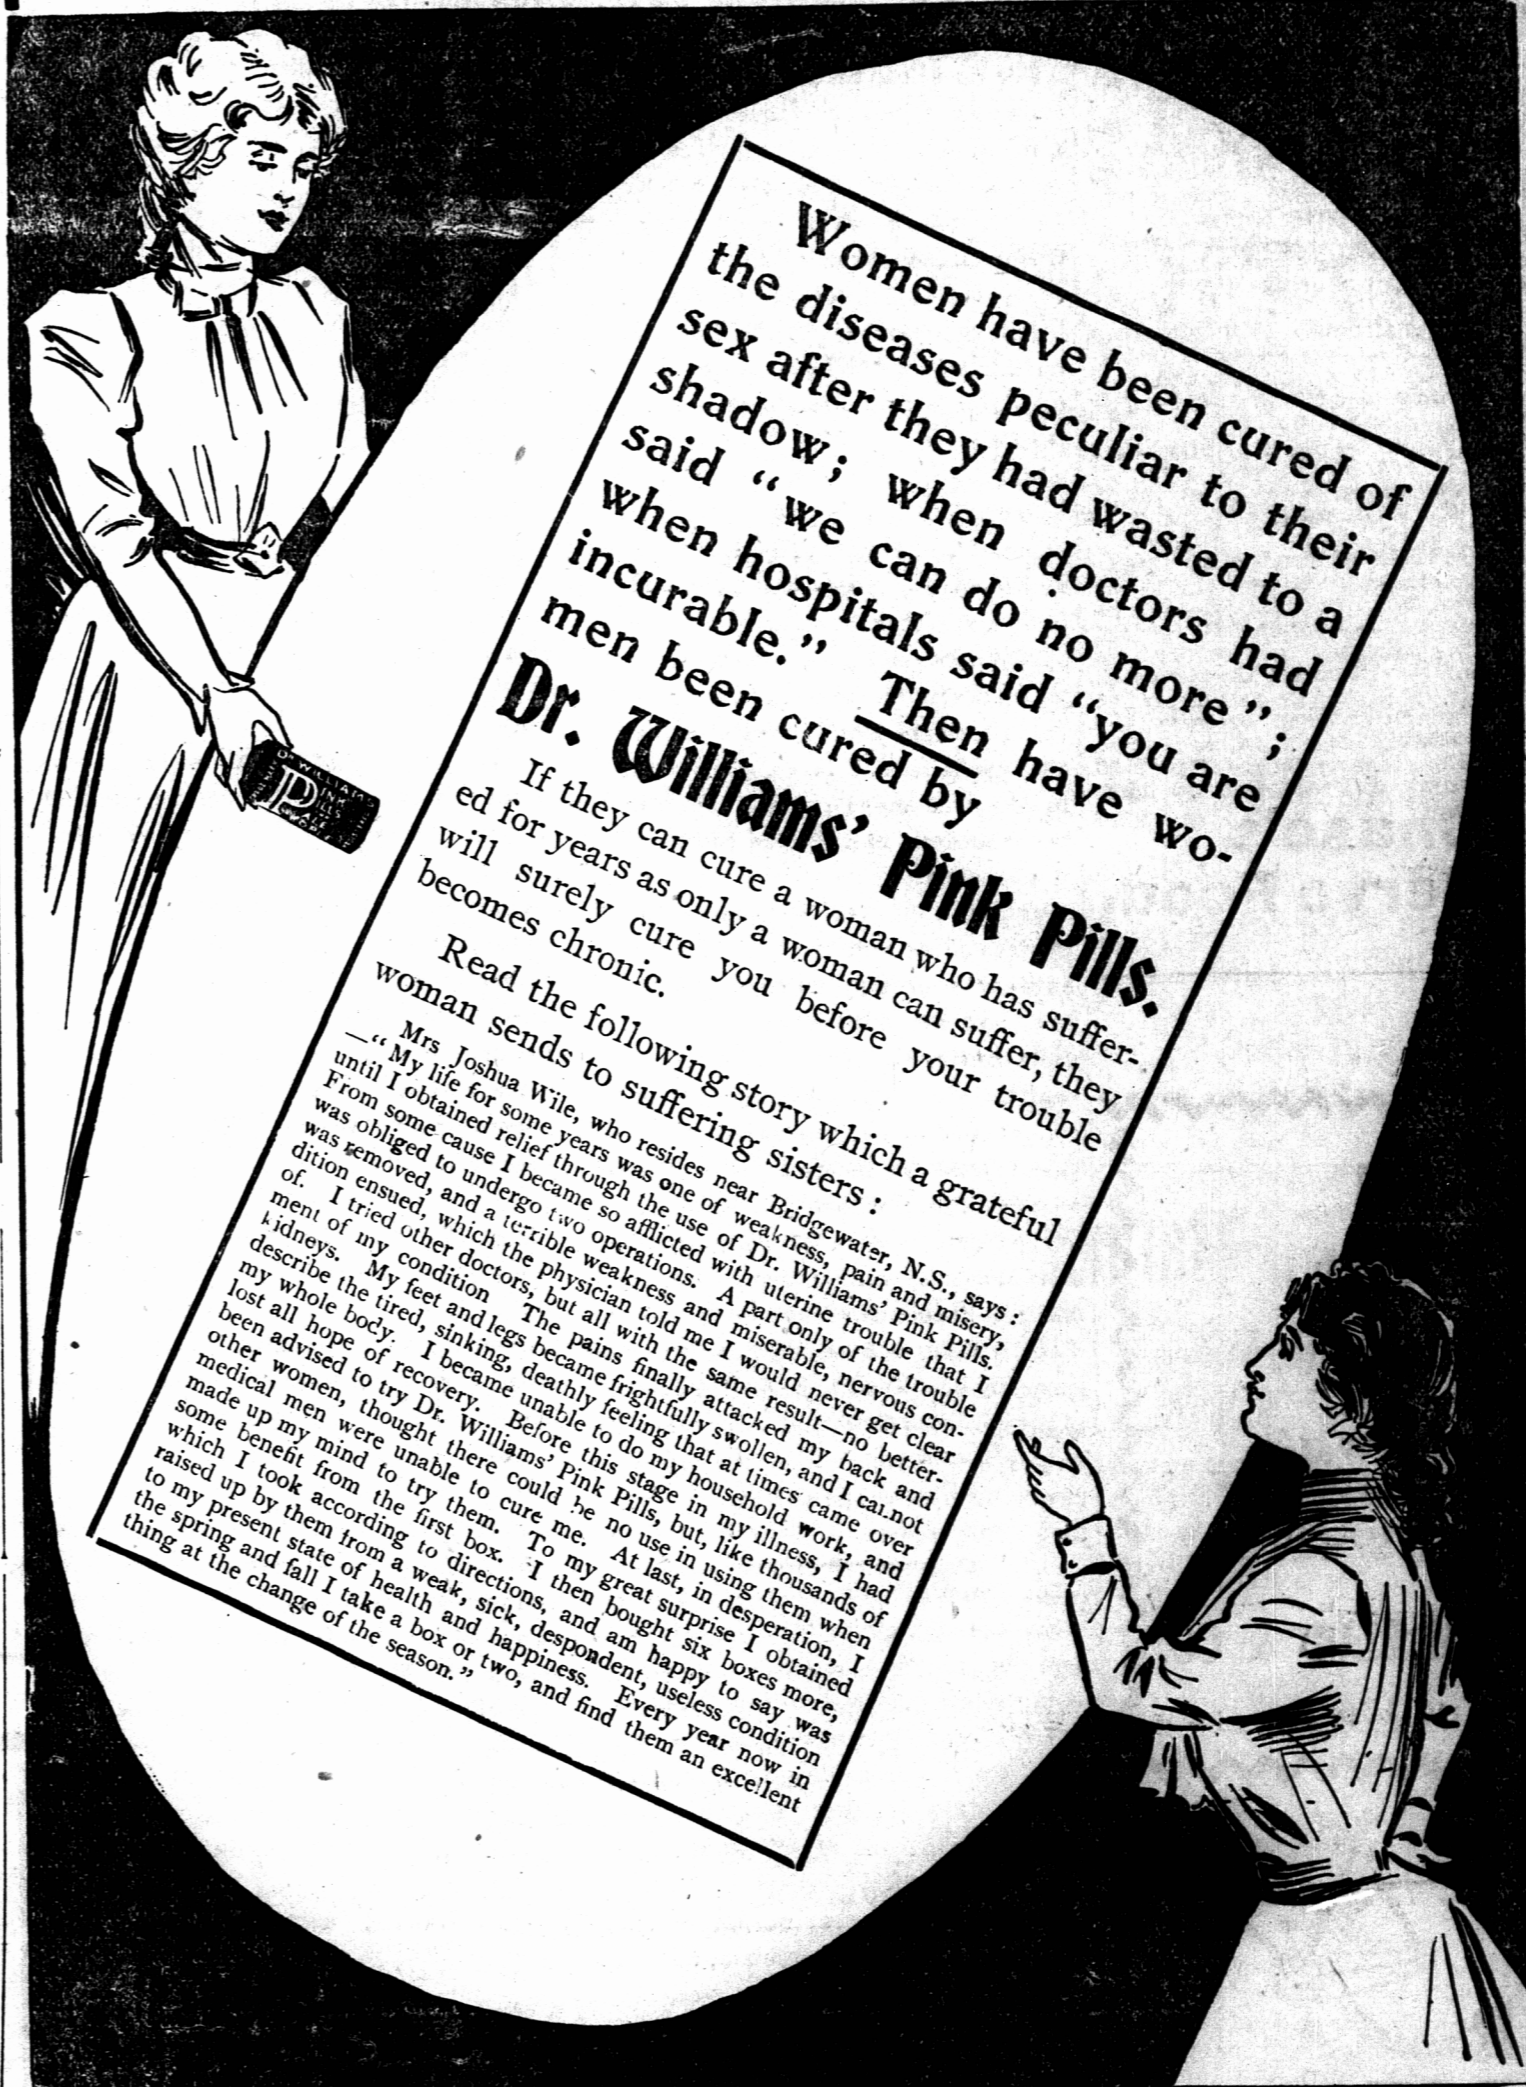

Took up complaint of Rev. D. McNeil and others against the session of Zion Church Charlottetown, re the introduction of individual cups in the dispensation of the Lord's Supper.

The complaint was read together with extract minutes of the session of Zion Church, and all papers bearing upon the matter after which Mr. McNeil and Mr. Alex. McLeod were heard in support of the complaint.

After discussion Mr. T. F. Fullerton moved, seconded by Mr. A. J. McNeil, that the matter brought before this court belongs to the class of questions which are matters for individual sessions and congregations to deal with and to issue without prejudice to the authority of the higher courts of the church but in coming to this finding the Presbytery would impress upon all sessions the need of prudence and caution in the introduction of individual cups, so that the peace and harmony of congregations be not disturbed.

Mr. Adam Gunn, seconded by Mr. E. Gillis, moved the following in amendment That the complaint lie upon the table and that the General Assembly be respectfully

From Woman to Woman.

Women have been cured of the diseases peculiar to their sex after they had wasted to a shadow; when doctors had said "we can do no more"; when hospitals said "you are incurable." Then have women been cured by **Dr. Williams' Pink Pills.**

If they can cure a woman who has suffered for years as only a woman can suffer, they will surely cure you before your trouble becomes chronic.

Read the following story which a grateful woman sends to suffering sisters:

"Mrs. Joshua Wile, who resides near Bridgewater, N.S., says:—My life for some years was one of weakness, pain and misery until I obtained relief through the use of Dr. Williams' Pink Pills. From some cause I became so afflicted with uterine trouble that I was obliged to undergo two operations. A part only of the trouble was removed, and a terrible weakness and miserable, nervous condition ensued, which the physician told me I would never get clear of. I tried other doctors, but all with the same result—no clearment of my condition. The pains finally attacked my back and kidneys. My feet and legs became frightfully swollen, and I could not describe the tired, sinking, deathly feeling that at times came over my whole body. Before this stage in my illness, I had lost all hope of recovery. I became unable to do my household work, and other women, thought there could be no use in using them when advised to try Dr. Williams' Pink Pills, but like thousands of medical men were unable to cure me. At last, in desperation, I made up my mind to try them. To my great surprise I obtained some benefit from the first box. I then bought six boxes more, which I took according to directions, and am happy to say was raised up by them from a weak, sick, despondent, useless condition to my present state of health and happiness. Every year now in the spring and fall I take a box or two, and find them an excellent thing at the change of the season."

Throughout Canada—throughout the world—Dr. Williams' Pink Pills have brought health and happiness to thousands of women, who for weeks, months, years, had suffered in silence. But you must get the genuine, with the full name "Dr. Williams' Pink Pills for Pale People," on every package. If your dealer does not keep these pills send direct to the Dr. Williams' Medicine Co., Brockville, Ont., and they will be sent post paid at 50 cents a box, or six boxes for \$2.50.

overtured to give a deliverance upon the subject of individual cups. The vote being taken the amendment was lost and the motion became the judgment of the court. Mr. McNeil protested against this decision and appealed to the Synod for reasons to be given within ten days. The Home Mission Committee reported the appointment of Mr. Boyd to Dundas for the first two Sabbaths of June and to Richmond Bay West for the last three Sabbaths of the same month, Mr. Layton to Richmond Bay West for the first two Sabbaths of June, and to Murray Harbor North for the last three. Mr. Murdoch to Richmond Bay East for the whole month of June, and Mr. J. R. McKay to Covehead and St. Peter's Road for the month of June. The report was on motion adopted. Mr. Miller reported the Century Fund, that

up to May 1st, 25 congregations reported a total subscribed for Common Fund, \$11,100 and for Debt Fund, \$10,145. Taking the returns sent in in December, last from the 7 congregations, which had not reported, on May 1st, the total amount subscribed by the Presbytery to May 1st, was, Common Fund 13,398 dollars, Debt Fund \$11,160. He called the attention of ministers, congregations to the fact that all subscriptions to either department of the Fund must be reported not later than May 28th. Special attention is directed to this. The Clerk reported that during the last session of the Legislature an Act had been passed correcting the mistake in the Act of Union and certain Congregational Acts whereby the United Church was styled "The Presbyterian Church of Canada" instead of "The Presbyterian Church in Canada."

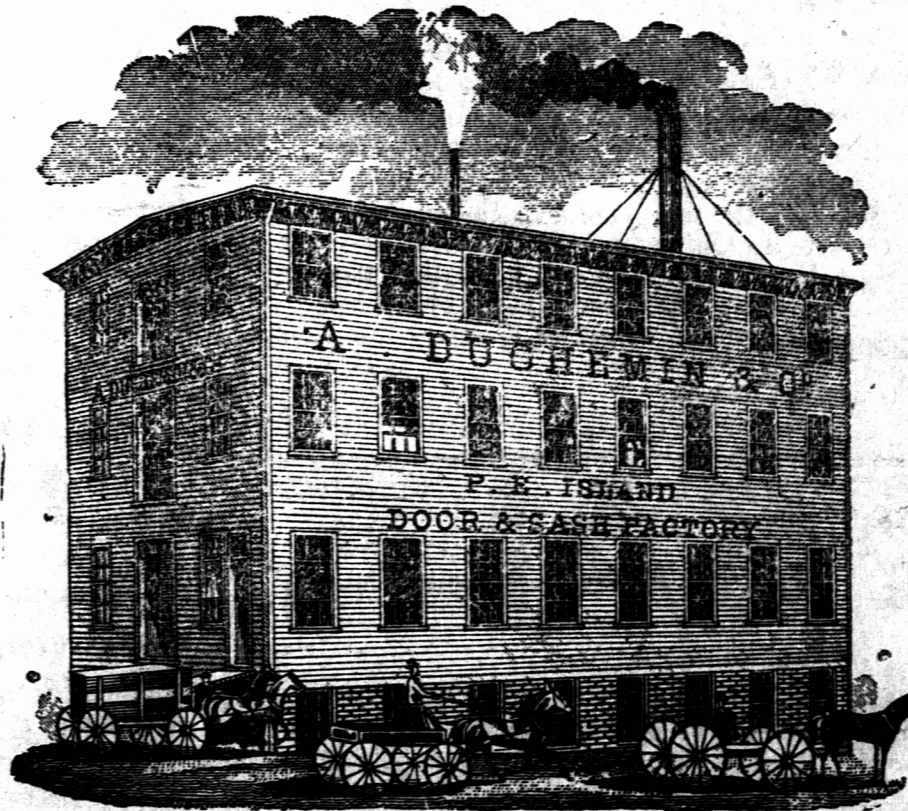

Mr. Fullerton reported that the glebe land in the congregation of Cavendish and Stanley had not been affected by the Act passed by the Legislature incorporating the Cavendish Church property. The Presbytery then adjourned to meet in the same place at 7.30 p. m., of which public intimation was made and this sederunt closed with the benediction.
