Charlottetown Business College
AND INSTITUTE OF
Shorthand and Typewriting

Reopens on Tuesday, Aug. 17, for Business

Intending students should try and get in as early in the term as possible, especially those who have decided to take up the full courses.

We ask this purely in the interests of students, for we can do more for them in assisting them to positions. The reason is plain, for we will have them ready for positions just when there is a keen demand. This term we have ample accommodation for **THREE HUNDRED** students, and we believe we shall require all the space at our command, because **Young Men and Women** find that those who have been educated at the C. B. C. get the cream of paying positions; others have to content themselves with the skim milk.

Our teaching staff is large and experienced. Our system of individual instruction is the **BEST** devised for every student—regardless of qualification—gets a **SQUARE** show. No pets at the C. B. C.

Remember! We can handle Three hundred students as easily as Thirty. The larger the number the more active is business with the students, for this is a **Practical Business Training Institution**, where all are engaged in business. No copying from Text books no reference to keys. It's the **REAL THING, BUSINESS as BUSINESS IS DONE**. Before joining an Institution, ask for the names of its teachers and their experience as such. It is due to you to know.

Our Shorthand department will continue during the last four years—to produce results not attained by ANY OTHER school in the Provinces. When it is considered such a wonderful thing for a system of shorthand that it is advertised throughout America that a man has succeeded in reporting a trial by it, what must be said of a system when a girl is taken from a class-room and reports by it one of the most important trials ever held in this Province? Such work only can be done by the **Benn Pitman System**, as taught in the Shorthand Department of the C. B. C.

Our Typewriting Department is being supplied with the very latest and best typewriting machine made. Nothing but the **BEST** at the C. B. C.

Prizes and medals as usual for competition during the term.

YOU should try for the Prize, **UNDERWOOD** typewriter.

THE PRINCE COUNTY GUARDIAN

Offices in Summerside, John Dickieson, Agent, and in Alberton, Herbert Clark, Agent.

—The latest news, first of all.

—Mrs Jean McLeod, Summerside, left by the Empress yesterday for St Andrews, N. B.

—D. L. McKay of the Canadian Express Co, and L. Douglass of the P. E. I. R., spent Sunday at Hunter River.

—The steamer *Rhyno*, arrived in Summerside yesterday morning from Montreal with a large freight for Summerside.

—There were one hundred passengers going outwards by the Empress yesterday and eighty-five returning at six fifty p. m.

—Customs Inspector McLaren from St John, who has been in Summerside the past few days, went to Charlottetown yesterday.

—Mrs. Fred Hodgson, Chicago, who has been visiting with friends in the Province for the past few weeks, returned to her home yesterday.

—Mrs Geo McAvity entertained at lunch at the Golf Club Wednesday in honor of Mrs Geo Miller, of Summerside, P. E. I.—St. John Telegraph.

—Rev Robt Campbell, D. D. Montreal, spent Sunday in Summerside, and preached in the Presbyterian church in the evening. He left for the mainland yesterday.

—Mr. and Mrs. Bernard, Spring Valley, have returned from a trip to Central Alberta. They had a very enjoyable trip and report good crops in that section of Western Canada.

—Mrs. F. Chandler and her daughter Julia and Miss Clarence Wells of Washington, D. C., are visiting in Mt. Stewart the guests of W. H. and Pigott. Mrs. Chandler has been absent from the province for twenty seven years.

—A young lady while passing from the wharf to the Empress at Summerside yesterday morning had the ill-luck to let her wallet slip from her hand. It contained some cash, a cheque for her baggage and a ticket for Yarmouth, N. S. She was compelled to postpone her journey for an indefinite time.

—The death occurred, of an aged and respected inhabitant of Hampton under very sad circumstances on Friday last, of Malcolm Ferguson. Mr. Ferguson was returning from the hayfield driving a horse hitched to a hayrack. The horse switched the reins from his hands and in attempting to reach them Mr Ferguson fell from the rake which passed over him and he was so badly injured that he died three hours later. He was 79 years of age.

—Almost a drowning accident in Summerside Sunday. About five o'clock p. m., on Sunday evening while engineer Rowe of the Empress was making a turn around the harbor with two ladies aboard his little pleasure yacht he noticed some persons at a distance apparently in distress, out near the lighthouse. He hurried with all possible speed to the spot and found an overturned skiff with three boys clinging to it. Mr Rowe soon had them safely on board his yacht and brought to shore. A few minutes more and all three would have been drowned. One young fellow was almost exhausted. Mr Rowe's boat was the only one in sight at the time and thus he was the means of saving these young lads from a watery grave. Their names are Charles Dunn, Ed McArn and George Clements.
