FARMERS FAVOR COMPULSORY INSPECTION

WOODSTOCK, May 15.—A meeting of potato dealers and farmers was held here this afternoon to hear W. B. Gornall, assistant fruit commissioner, on the question of compulsory inspection of potatoes and decide whether to ask the Dominion Government to place into effect the regulations governing it.

some discussion took place regarding the present situation regarding freight rates. The majority present did not think the Duncan report had been properly adhered to in this matter, and James Porter was instructed by the meeting to take the matter up with F. M. Scanders, Saint John, of the Maritime Board of Trade, and also to draw the attention of the Provincial Government to the matter.

Accepts Call To P. E. Island

SYDNEY MINES, May 15.—The Rev. John Adamson, pastor of Carman United Church for the last five years, has responded to a call from St. Peter's, P.E.I. If approved by the Provincial Conference, Mr. and Mrs. Adamson will move to the Island the latter part of June. Since coming to Sydney Mines, the Rev. Mr. Adamson has always manifested great interest in the civic, social and moral life of the community, and he has a number of friends, not only identified with Carman United who will wish him many years of usefulness in his ministerial work in his new field of labor.

Mr. Finlayson Visits England

(Special to The Guardian) SOUTHAMPTON, Eng., May 15.—A Dehavilland plane has been placed at the disposal of Hon. Wm. Finlayson, Ontario Minister of Lands and Forests, who, accompanied by Mrs. Finlayson arrived at Southampton today, per Empress of Scotland. The presence of Mr. Finlayson abroad is taken to discount the probability of an early provincial election. He has booked his return passage July 20th. Mr. Finlayson proposes visiting Norway and Sweden for department information, particularly to examine Swedish forestry methods. He may fly to Stockholm. At any rate, he intends to see England from the air. Mr. Finlayson is also an enthusiastic air passenger.

Mr. Finlayson will remain in England until after the British elections, in which he is much interested as a spectator. In this capacity he intends visiting Lichfield, the constituency where Sigmund Samuels, Toronto business man, fights a three cornered battle. Hon. Herbert Marler, Canada's envoy to Japan, accompanied by Mrs. Marler and Mr. Howard Marler, crossed in the same ship. Like Mr. Finlayson, Mr. Marler is deeply intrigued with the spectacle of the old land in an election and intends to go to several meetings, inside and outside London as a spectator, not as a participant.

EMBARGO IS PLACED ON DOGS INTO PROVINCE

Owing to the prevalence of rabies and distemper in the other provinces of Canada, the importation of dogs into Prince Edward Island was prohibited until January 1, 1930. This action was taken by order-in-council at a meeting of the Provincial Government on Tuesday.

J. G. MacFadyen, of Charlottetown, was re-appointed sheriff for Queen's County. J. R. MacDonald of Kensington was re-appointed sheriff for Prince. Edwin Reid of Rollo Bay was appointed for King's County in place of Malcolm MacDonald, who was unable to continue his duties owing to serious illness.

The following returning officers were appointed under the Plebiscite Act for the election to be held July 18: Queen's County, Donald MacKay, Bradalbane. Prince County, James McCordie, Newton. King's County, Michael MacIntyre, Selkirk.

Isaac Carter of Charlottetown was appointed a member of the Board of School Trustees for Charlottetown, in place of J. P. Gordon, whose term expires in June. Mr. Archibald J. Sharp, School Trustee for Summerside in place of C. E. Strong, who is also retiring in June.

Cecil J. Stewart was appointed a Justice of the Peace and a Notary Public for the three counties in this province. The members of the government visited Government House property to see if it were possible to allow the C. N. R. to have a portion of that land for the erection of a new hotel if they decided to purchase it. The members thought ample ground could be sold for that purpose without interfering with Government House. It was felt that the surroundings would be improved by the erection of a new hotel there.

Livestock Markets

(Canadian Press) MONTREAL, Que., May 15.—There were 35 cattle, 113 calves and 208 hogs for sale on the two markets. The cattle market was steady. Common to medium cows brought from \$6.25 to \$8.50 and common bulls from \$7.00 to \$8.00. Calves were sold in small lots for \$8.50 to \$10. Hogs were steady at \$14.75 for hogs of good weights fed and watered flat. A couple of leads were sold on a f.o.b. basis at \$13.50. Soys were from \$11.50 to \$12.

NEWS STORY

A stirring message will be sent out on May 18th by the Children of Wales calling for greater efforts for peace in all parts of the world. May 18th commemorates the date of the opening of the first Peace Conference at the Hague in 1899. It is now known in a number of countries as Goodwill Day.

This will be the eighth successive year the children's message has been sent out through the efforts of the Welsh National Council of the League of Nations Union. Lt. Col. C. P. Meredith, General Secretary of the League of Nations Society of Canada is arranging for the broadcast of the message over the radio on May 18th to all parts of the Dominion. The children's message which will be heard in every part of the world on May 18th is as follows: "We, boys and girls of Wales, from our mountains and valleys, our villages and towns, greet with a cheer the boys and girls of every country under the sun. Our hearts are thrilled by the wonderful response to our yearly message and we cherish the many new links of friendship which we have formed. Will you, millions of you, join with us today in thinking with gratitude of those men and women of every race and people who are working so hard to build a finer, better world? Next year, in 1930, the League of Nations will celebrate its tenth birthday. Let us determine, here and now, to help it, with all our power, to go forward with its great task of peace on earth and goodwill among men."

of the railways in Alberta leading into the Peace River district and far northern country by the two transcontinental railways, General McRae, North Vancouver, was opposed to joint ownership and control which he said would not work out satisfactorily. Canada in the west had been developed by the healthy competition of these two systems.

"The economic outlet for this part of the Peace River country," Gen. McRae declared, "is undoubtedly by the Peace pass, Prince George and Vancouver and willingly or otherwise that is the railway in which the development of that great empire must be constructed," he said.

General McRae spoke at some length, outlining a scheme for the extension of the railway to Slave Lake and another by way of Peace River Pass and Prince George, Vancouver. What was wanted by the people of Peace River district was a direct route and outlet to the Pacific Ocean. The debate was adjourned.

As the first indication of hastening prorogation a motion was passed that the one night off for members, Wednesday, will be eliminated after today. In committee today, after second reading, the bill to provide for adjusting salaries of the postal employees who participated in the strike of 1919, and were subsequently re-employed at reduced wages, was passed. This was the bill on the basis of the amended resolution by the postmaster-general, which passed yesterday.

It was explained that the men would be paid for only work done, and payment would not be made retroactive, the principle of the original resolution to which many of the members of both sides of the House were opposed. The settlement would be a matter of administration. The Hon. H. H. Stevens suggested, however, that the mode of settlement should be inserted in the bill.

A debate on the proposal for the acquisition jointly of the northern Alberta railways by the C. P. R. and the C. N. R. was resumed, this afternoon. Mr. Kennedy, representing Peace River, stated that while the feeling in his district was in favor of giving the C. P. R. preference in the purchase of this railway, he favored the C. N. R. being an advocate of government ownership with a terminus at Prince Rupert.

The proposal of General McRae to build a line from Peace River crossing some 600 miles northeasterly to the Great Slave Lake was discussed by the Minister of Railways. He believed it was premature at the present time, but he believed he would like to see the day when there would be a railroad on Great Slave Lake, so confident was he of the future of northern Canada. After second reading the bill went through committee of the whole with smooth sailing, and received its third reading. The rest of the afternoon was spent on bills for the acquisition of branch and other lines of railway, mainly in Quebec and the Maritime Provinces, and had little opposition.

There has been light shed upon the cause of an unfavorable rate of exchange. For the first four months of this year there was an adverse trade balance of \$70,000,000 and for a similar period of last year it was \$27,000,000. The trade situation for April of this year was the worst for 25 years. Our imports amounted to \$97,000,000 and our exports to \$65,000,000 or an adverse balance in a single month of \$32,000,000.

DUNBLANE WOMEN'S INSTITUTE Dunblane Women's Institute was held in the schoolhouse on May 12th with nine members and fifteen visitors present. The meeting opened with the ode followed by repetition of the creed. Roll call was responded to by each member naming the month of her birth and her birthstone. The minutes of last meeting were read and approved. It was moved seconded and carried that if the trustees are willing for the arrangement, future meetings will be held in the school. Also that night of meeting be changed from the second Saturday in each month to the second Friday, as Saturday night was found inconvenient as a night for meeting. Committees reported and were re-elected for next month. Motion carried that a sign-board be obtained for the school. Mrs. Amos Gorrill, Mrs. Leslie McLean and Mrs. Wm. A. Gilcash were appointed to meet during the coming week and fill out the questionnaire recently sent to the Institutes. Motion to have a sale of candy instead of the usual lunch at our next meeting. Motion carried that if possible arrangements should be made to have our district convention some time later than June 20th. Also that it be held in conjunction with West Point, Brae and Milo and held in Glenwood hall, or if that were impracticable, in Milo hall. This would give members of our Institute a better chance to attend than if the proposed arrangements as scheduled were carried out. The secretary was instructed to communicate with the supervisor and request her to make this change. Meeting closed by singing God Save the King. Luncheon was then served by the hostesses. Dominion To Give Up Interest In Pacific Cable

(Canadian Press) OTTAWA, May 15.—Canada is to receive \$700,000 of the \$900,000 paid over by the Dominion during the period of deficits on the Pacific cable, according to the terms of the agreement under which the Dominion along with other empire units, is relinquishing her interest. Hon. Ernest LaPointe, Minister of Justice, so explained in the Commons today before the bill approving of the transfer was given second and final readings.

The bill and affairs were subjected to severe condemnation by Abraham A. Heaps, Winnipeg Laborite, who criticized the appointment of Sir Campbell Stuart as Canada's representative at the cable conference, questioned the private operation of the beam system so largely instrumental of the Pacific cable financial difficulties and asked why the Pacific cable was being turned over to private hands just at the time, he inferred, when it appeared to be able to break even.

Mr. Heaps alleged "an indecent haste" in connection with the affairs of the Pacific cable conference and inferred that there must be some reason for "secrecy" when all the correspondence in connection with the matter could not be brought down and made public. Was it the case, he asked that the whole matter could not bear the light of day? The Winnipeg member was also insistent in his demand to be told who was a certain "Mr. Brown", who had left a code for utilization in cabling information respecting Pacific cable matters. The best information available was that he was an accountant at one time in the employ of the Pacific Cable Company.

Hon. Mr. LaPointe accepted the suggestion of Allan W. Neill (Independent, Comox-Alberni) and Hon. Richard B. Bennett, Conservative leader, that when the bill is passed it will have two annexes giving information which may not be made public at present.

College Times

The Convocation number of Prince of Wales "College Times" appeared once more. This number marks the conclusion of another year and is well up to the high standards of the "Times" in the past.

Each article is interesting, shows considerable ability on the part of the writer. As usual, the jokes are full of friendly humour, and although these are quite personal, no one is hurt by what jokes are made at his expense.

A feature of the number is biographies and picture of the 7th Year Class of 1928-9.

A very humorous one-act play Robt. Shaw of 2nd Year B, will be appreciated by all who read the paper.

A cartoon of the Staff by Joe Rand, a student of last year, is a remarkably well drawn. Several excellent poems, "A Country School Ten Years Ago," "Laboratory Directions for Beginners," "Editorial, Sport, Social and other sectic as well as 'Who's Who,' 'Say E. Yuh 'Magine!' and others, reflect much credit upon the Editor, Howard Buntain 3rd Year 29 and efficient staff. The paper is on sale for 15 cents per copy at Carle Bookstore or from the Business Manager, Mr. Edwin White, Fitzroy St.

In Memoriam

BENJAMIN HOUSTON

The community of New Glasgow and vicinity was shocked by the news of the very sudden death of one of its most popular citizens, on Jan. 25 when Mr. Benjamin Houston answered the call of his Lord, in the 78 year of his age.

The late Mr. Houston was born North Rustico in 1851, where he spent the early days of his life. When young man he became apprenticed New Glasgow, serving his time blacksmithing, which trade he followed at Rusticoville until about years ago. He was united in marriage in 1877 to Harriet Ling of N. Glasgow, to which union there were born three sons and two daughters. Walter E. Houston of Fair Melville, Sack, Clayton G. Houston, deceased June 29th, 1923, Rendall A. at home Florrie (Mrs. Wm. Murray) of Resinon, Maine and Lottie E. (Mrs. Billingall) of Charlottetown, who was his widow cherish his blessed memory.

Funeral services were conducted his late home by his pastor, Rev. E. Armstrong, assisted by Rev. W. McLeod, who spoke on the subject "The Immortality of Infants Hebrews 11:4 "He being dead speaketh." In the course of the sermon tribute was paid to the christian character, sterling qualities, very high esteem in which the deceased was held and to his pleasant disposition and genial manner which caused the entire community as well as all who knew him to realize he was a sincere friend to all. Honored in business, true to his ideals, an exemplary in life and a very loyal member of the New Glasgow Church of Christ. The music was under the direction of the choir of New Glasgow Church and the hymns as were of the favorite hymns of the deceased.
