A SPLENDID OPPORTUNITY FOR FOX INVESTORS

One of the best propositions before the public today is that offered by the Murray River Silver Black Fox Company of Murray River. This ranching company was formerly selling stock on five pairs of capitalized foxes but the response being so great another pair had to be added to make up surplus applications. The stock now consists of six pairs of foxes, two pairs from the Dalton Ranch, three pairs from the Tuplin Ranch and one pair from the Victoria Farm ranch—they are the best foxes that money can buy and are at present in the company's ranch. Six options on the progeny from these foxes have already been sold and the total price for the six pairs, 12 pups, is \$73,000.00. But a few of these shares are still left and every judicious investor wishing to place his money in a reliable fox company after reading this advertisement should write or call at the Canada Fox Exchange for further particulars.

...NEW INSTITUTE.—Last evening a meeting of the farmers of Lot 60 was held in the schoolhouse at Lewes and a Farmers' Institute organized to be called the "Lord Selkirk" Institute. The following directors were appointed: Thomas McPherson, Neil N. McLeod, Malcolm J. Stewart, George McLean, James McAulay, Henry Brennick, James Kelly, John Morrissey and Wm. McTague, of which George McLean, Lewes, was selected as President and Malcolm J. Stewart of Caledonia, as Secretary. Thirty members have already handed in their names and on Monday evening a meeting will be held in the schoolhouse at Lewes, to arrange for the special grant and for the expenditure of the finances. Everyone interested, whether a member or not, is invited to be present. On the same evening it was decided to form an Association for the members to secure some pure-bred rams from the Federal Department at Ottawa, and its organization will also be completed on Monday evening at the schoolhouse at Lewes. 2206.

HOW THE ATHLETICS SPEND THE WINTER.

PHILADELPHIA, Oct. 14.—The World's Series won, the victorious Athletics have scattered to different sections of the country, probably not to gather again until the spring training trip.

Collins is going on a hunting trip in Pennsylvania, while Baker, Skunk and Bender will try their luck at shooting in Maryland. Charley Herzog of the Giants will accompany Baker. Robert Shawkey, one of Connie Mack's young pitchers, who did not get into the World's Series games, expects to join a hunting party headed by Jack Dunn, former party manager of Baltimore, while Jack Lapp also intends to go gunning. Eddie Murphy will pass so time at his home in White Mills, Penn.

Daley and Houck plan to go to their homes on the Pacific Coast, although Mr. and Mrs. Daley will pass some time in New York before leaving for the West. Walsh is anxious

to get back to Syracuse, where friends have planned an enthusiastic reception for him. Danny Murphy and McInnis will rest at their homes in New England and later go gunning, while the fans of Worcester have decided upon a great demonstration for Barry upon his arrival home.

Schang intends to motor to his home in Buffalo and Bush has had his automobile shipped to Brainerd, Minn. Both are enthusiastic motorists and expect to spend some time automobiling. Ira Thomas probably will remain close to Philadelphia until his chum, Jack Phillips, hero of two World's Series, is able to leave the hospital.

A SPLENDID BLACK FOX PROPOSITION

The Murray River Silver Black Fox Co., have added another pair to their ranch at Murray River and at present their stock includes two pairs from the Chas. Dalton ranch, three pairs from the Tuplin Corporation ranch and one pair from the Victoria Farm ranch. These foxes are of the very best Island grade and are eligible for registration under Class A.

They are capitalized at \$18,000 a pair and at the time of writing twelve pups of 1914 delivery have already been sold aggregating in value \$73,000.00. Ranch expenses are but 11 per cent of the gross earnings and the keeper is a man of over ten years experience in raising foxes.

At present there is a small block of stock available for outside investors so this is your chance to get in with one of the most reliable and promising of all good fox companies. For full information, application blanks, etc. apply to the Canada Fox Exchange. 2144-10-16M61Efmw31.
