WHO WROTE TIPPERARY?

NEW YORK, Sept. 25.—Authorship of the music of the now famous war song, Tipperary, was brought into question here when Miss Alice Smyth Burton Jay began suit against Chapell & Company, publishers of the song, for \$100,000 damages.

Miss Jay alleges that the original music was written by her at Green River, Washington, in 1908, as a song to boost the apple industry in that state, and that the words of the chorus began, "I'm on my way to Yarkima."

It was first played at the Alaska-Yukon fair, she alleges, and later she was surprised to hear it played in Honolulu as "Tipperary."

The court will appoint a prominent musician to act as referee in the case.

St. Joseph, Lewis, July 14, 1903. Minard's Lintment Co., Limited.

Gentlemen.—I was badly kicked by my horse last May, and after using several preparations on my leg nothing would do. My leg was black as jet. I was laid up in bed for a fortnight and could not walk. After using three bottles of your MINARD'S LINTMENT I was perfectly cured, so that I could start on the road.

A Pound of Whole Wheat contains 1700 calories, says the chemist—but it doesn't contain any calories for you unless you can digest it. It is what you digest, not what you eat, that supplies nourishment for the day's work. It is a time to cut out expensive foods that generally contain little nutriment. Shredded Wheat Biscuit is 100 per cent. whole wheat—nothing wasted, nothing thrown away. It is real man-power food. Two or three of these little loaves of baked whole wheat with milk and fresh fruits make a nourishing, strengthening meal at a cost of only a few cents. Made in Canada.

AUTO MEETING ADJOURNED.—The Annual Meeting of the Automobile Association to be held here last evening was adjourned owing to the small attendance.

TEACHERS MEETING TONIGHT.—A public meeting will be held this evening at 8 o'clock in Prince of Wales College Hall under the auspices of the P. E. Island Teachers' Association. The meeting will be addressed by Rev. Dr. McLellan, Rev. Mr. McKenzie, Premier Arsenault and other prominent local men. There will be a short musical entertainment. The public are cordially invited to attend.

NOVA SCOTIANS HERE.—Owing to the large number of visitors from Nova Scotia to the Provincial Exhibition two steamers, the Stanley and the Aramora will leave Charlottetown for Pictou Friday morning at 6 o'clock, the early start being necessary to make connection with Sydney and all points east. The Railway informs the Guardian that there are from twelve to thirteen hundred people in the City from Nova Scotia points.

105TH BATTALION BUTTONS.—The 105th Battalion Buttons that are being sold at the Exhibition by the 105th Comfort Circle have cost \$75.00 as all metals have greatly increased in price during the past few months. Added to this is \$25.00 expense, including printing of knitting directions (given free to any patriotic workers), tickets for assistants, printing of signs, bunting for Booth, etc., but in order that the price of a button may be within reach of everyone, only 10 cents is charged for this little war souvenir, which bears the date of the safe arrival in England of the only complete Battalion raised in P. E. Island. As the Circle's good work of providing comforts for the boys in the trenches continues from week to week we bespeak of those patriotic workers a liberal patronage at their charming Booth in the Exhibition, where a special effort is being made to help provide Christmas gifts for 1400 soldiers.

Major C. Leonard McKay is home from Halifax on a week's furlough with his family in Charlottetown.

TAKE "CASCARETS" IF HEADACHY, BILIOUS AND CONSTIPATED

Best for liver and bowels, bad breath, bad colds, sour stomach.

Get a 10-cent box. Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels, or sour, gassy stomach. Poisonous matter clogged in the intestine, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.

TO RELIEVE CATARRHAL DEAFNESS AND HEAD NOISES

If you have Catarrhal Deafness or head noises go to your druggist and get 1 ounce of Parment (double strength), and add to it ¼ pint of hot water and 4 ounces of granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Any one who has Catarrhal Deafness or head noises should give this prescription a trial.

PATRIOTIC CONCERT.—The grand patriotic concert in the First Methodist Church, one of many attractions, was attended by a goodly number and the musical feast was thoroughly enjoyed by all. A number of organ selections were given by Professor Hinton in his usual masterly manner, vocal solos by Miss Kathleen Moore, Miss Dorothy Sutherland and Miss Lucy Blanchard, violin solos by Rev. F. H. Littlejohns and Miss Crosby and a duet by Professor and Mrs. Hinton. The entertainment throughout was a very pleasing one and a neat sum was secured for patriotic purposes.

Among the Exhibitors

BRUCE STEWART & CO., LTD. Overland and Willys Cars.

Mr. M. D. Call, factory representative for the Maritime Provinces and Mr. Frank Stewart have charge of the excellent display of Overland "fours" and Willys "sixes" for Messrs. Bruce Stewart & Co., Ltd.

Here, near the door in Machinery Hall, you will find a beautiful 1918 model 7-passenger Willys six-cylinder car, with a wheel base 6 inches larger than any other car and a reduced body—in size and weight—to give maximum power with just the right weight.

Another model, the Overland Eight Four, country club, a 4-passenger car, is attracting much attention. It is a real sport model, with wire wheels, light car, easy to handle in and out of traffic and lots of speed for the open road. Equipment includes an extra wheel.

Then the model 85 five-passenger touring car is sure to hold your attention. It is the ideal family car—lots of room, easy riding, powerful and dependable. Its up-to-date, graceful lines assure lasting pride in its appearance. The body is finely finished and trimmed, outside and in—soft, durable Duratex upholstery laid over seats and backs; aluminum-bound linoleum over the floor in fashionable smooth-pleated style in front; a thick, soft carpet in the rear.

Needless to say, the exhibit is attracting very much attention, now that the auto is becoming so popular on the Island. Duplicates of these cars can also be seen in the garage, service station or motor sales rooms owned by Messrs. Bruce Stewart & Co., Ltd.

MOORE & McLEOD LTD.

A decidedly well arranged booth is that of Messrs. Moore & McLeod, Ltd. in which is shown the latest wall paper creations. It represents a room with papers and chintzes to match which are the vogue.

There are shown wall papers suitable for dining room, bed room, drawing room, etc. and the exquisite patterns are absolutely fast colored.

Messrs. Moore & McLeod, Ltd. claim to have the largest and nicest range of paper, cretonnes and chintzes in the province and judging from the magnificent exhibition display this statement is none too extravagant at least as far as quality is concerned. The wall paper patterns are an exquisite lot despite the difficulty in securing colors on account of the war.

There are papers for every room and every purse and the assortment shown in the booth gives one an idea of the enormous wall paper business transacted by this firm in Prince Edward Island. They carry about 600 different patterns representing best makers both in Canada and United States.

Any one interested in wall paper would be amply repaid by calling at Messrs. Moore & McLeod's store and seeing the excellent and complete wall paper assortment.

The package wheat and oats are contained in the only brown vermin proof fibre package sold in Canada and the firm's slogan is: "The package may be imitated but the contents can not."

There are many very helpful booklets containing useful recipes for making porridge wheat, oats, etc., selected from the \$10,000 Robin Hood Cook Book. This cook book, samples of which are to be seen at the booth, took nearly two years of preparatory work and was prepared by Mrs. Rorer, the world-renowned authority on cooking, contributor to the Ladies Home Journal, and author of standard works everywhere recognized an authority on the culinary art.
