THE CLASSES will be resumed at Notre Dame Academy on Sept. 5th.

A DRAW—The fight in Halifax Friday night between Bill McKinnon, of Roxbury, Mass. (native of P. E. Island) and Roddie MacDonald, ended in a round draw.

PROTIC—Another chance to help the Red Cross Society. Come to the Patriotic Tea on the beautiful lawn of H. Hooper, 130 Elm Ave. Wednesday, Sept. 6, 7 to 7 p. m.

ANOTHER CAR—There arrived in Summerside on Friday night by the S. S. Northumberland a handsome new Overland touring car for Mr. Thomas Andrew. Mr. Frank Stewart, of Charlottetown was in Summerside on Saturday setting the machine up for Mr. Andrews.

POLICE COURT—At the Police Court on Saturday a man was fined \$2 and costs or five days imprisonment for not having paid his dog tax. On the previous day Albert Hughes for larceny of hair-clippers and razors from the barber shop of Harry Larter, Queen Street was sentenced thirty days imprisonment without the option of a fine. Two drunks were fined \$10 or thirty days.

BUXTON—At Eldon, Sept. 1st. Miss S. L. Buxton aged 82. (Pat. please copy.)

STRUCK BY LIGHTNING—On Saturday morning a heavy electrical storm passed over the western part of the island, being especially heavy at Coleman, where the barn of Mr. Archibald Murray was struck and burned to the ground. The contents included twenty tons of hay. A large number of hens were also destroyed. The contents of an implement building adjoining were nearly all saved with considerable difficulty. Mr. Murray's loss is about \$1,200 with only \$300 insurance on the building.

DECORATION DAY PARADE—The Charlottetown Odd Fellows held their annual Decoration Day parade to the Peoples' Cemetery yesterday afternoon. Some sixty brethren of St. Lawrence and Willey Lodges headed by the Fourth Regiment Band descending splendid music marched from the Hall, Richmond Street, in the afternoon carrying beautiful floral links which were placed upon the graves of the departed brethren. The service, a very beautiful one was well carried out and attracted a large number of people.

A GREAT FILM—Through the courtesy of Mr. Gallagher, manager of the Prince Edward Theatre, a number of clergy and others were permitted on Saturday to attend a special matinee of "The Eternal City," a reproduction of the drama from the novel of that name by Hall Cain. The acting throughout is of the highest order, and the film of which there are eight reels, is perhaps, one of the best that has been produced in this class of performances. It is not necessary to discuss the theme of the book or play, its plot, trend, characters and scenery are familiar and different people have different ideas on the subject. There can be but one opinion upon the gorgeousness of the setting and the great pains taken to obtain accuracy of detail. Scenes in the cities of London and Rome are depicted to the life, and the acting of the principals is of the highest order. There should be a large attendance at all the performances at which this picture is produced.

WE HAVE THE VERY BEST IN SOAPS—Whether you want a soap that is highly perfumed or one that is unperfumed, here you can get the products of the best manufacturers in the country. Jergens Violet Glycerine and Rose are two very popular makes. —25c box. Foster's Drugstore, m. t. l.

Use Colgate's Dental Ribbon Cream

Colgate's Ribbon Dental Cream is used by more people, probably than any other dentifrice. It is an excellent article, for all ages. Pleasant-tasting, and a sweetener of the breath. It cleans the teeth thoroughly, destroys oral bacteria, hardens the gums, prevents acid mouth, and does not injure artificial plates.

Try Colgate's Dental Cream. It's a good habit to get into. 25c.

ADRIFF IN THE STRAIT—Three prominent residents of Tyne Valley went out ood fishing in a motor boat on Wednesday morning and when returning an accident happened to their engine which prevented their getting to shore. They thereupon anchored for the night. Next morning they started drifting. By the aid of paddling they were beginning to make some headway towards shore when a strong wind set up which blew them into the Gulf and it was only by Saturday that they succeeded in getting to land at Alberton harbor very much exhausted from their trying experience.

MOTOR BOAT RACES—The Motor Boat Race at Grand River Ferry for the A. E. MacLean Cup was pulled off without a hitch on Thursday afternoon. The day was delightful and Grand River and Richmond Bay looked their best. There were eight boats entered and they finished in the order named with the exception of Mr. Robert McKenzie who had engine trouble and did not finish. Nelson Owen, Lemuel Winchester, Robert Bassett, Stanley Thompson, Frank McDonald, Claud Ramsay. The race was started as a handicap agreed on by the owners Mr. Lemuel Winchester's 5 horsepower boat the Shannon led until the last lap when the big 10 H. P. boat gradually overhauled her and finished some 47 seconds ahead. If it would have taken a torpedo boat to catch Mr. Winchester. It was a game race and the true sporting spirit manifested added much to the pleasure of the meet. The A. E. MacLean Cup was won by Mr. Nelson Owen, Lot. 18. There were various other prizes which were placed to each boat in order of mention. Mr. Lucas Allen of Summerside, acted as official starter and W. A. Stewart as official timer. The race attracted hundreds of lovers of the sport and altogether a very enjoyable time was spent. After the races, Mr. A. E. MacLean called the gathering to order and short speeches were made by Premier Matheson, Rev. J. A. McDonald and Mr. H. D. Dobie. Then Mr. A. E. MacLean presented Mr. Owen with the trophy and the other prizes were distributed to each of the contestants. After singing the National Anthem the crowd gave three lusty cheers and a "tiger" for Mr. MacLean which ended the meet for this year. The management wish to thank all who helped to make the day's sport such a success especially to Messrs. Stewart and Allen for their services.
