

The Least Excitement Made Her Heart Palpitate and Flutter

Mrs. Ambrose Orser, Elginburg, Ont., writes: "I suffered for some time with a bad heart which seemed to be controlled by my nerves. The least little excitement would cause it to flutter and palpitate, and at times I would have real bad spells. I suffered in this way for some time when, one day, I saw

advised, so decided to try them. I had only taken a few boxes when I noticed that I felt better, so I continued taking them and in a short time my heart felt entirely different.

Mount Stewart Items

On Wednesday night, the 28th inst., a concert and Christmas Tree was held in the Presbyterian church here, and proved to be a huge success. (Even Santa Claus agreed to chat.) The choruses, songs and recitations holding the attention of all until Santa Claus appeared with his usual rosy cheeks and good humor and distributed the gifts. A part that Santa didn't take part in, but had his approval, was an address and presentation of a purse to the organist, Miss Marion McKenzie, who though taken by surprise very fittingly thanked the congregation one and all, for their thoughtfulness and kindness. Special mention might be made of the splendid recitation given by little Miss Margaret Douglas, and the solos sung by little Miss Jean Jay. The singing of the National Anthem brought a very successful and interesting concert to a close.

Mr. Calvin Cameron, Head of Hillsboro, was among the passengers homeward bound from the U. S. last week, and his many friends are doubtless glad to have him home again.

Mr. Fred Leard, of the Leard Hydro Electric Co., put a number of street lamps up along the main street and south side of the bridge, which merits the appreciation of the citizens, as this work is beneficial to the town at large.

The different fishermen report good catches of smelts, but the limited facilities with which they have to ship them makes it bad all around.

Her many friends will be sorry to learn that Miss Mary McLaughlin is confined to her home with a sprained ankle, and all hope to see her out again soon.

"MY FRIEND FROM INDIA"

—The Ladies' Aid of the P. E. I. Hospital have engaged Miss Barbara McNeill to present the three act Comedy Drama "My Friend from India," in the Prince Edward Theatre, January 10th and 11th. This play is by the author of "Charlie's Aunt," is very funny, and if you wish to enjoy an evening of real entertainment don't fail to attend. Miss McNeill is well known to Charlottetown theatre goers and she has been fortunate in securing the best local talent to assist her in producing this fine play.

IS IT THE FIRST OR LAST?

—Mr. W. H. Palmer of this city, and Mr. Robert Elliot, formerly of Lot 10 and now of Charlottetown, while walking yesterday morning by the Prince Edward Island Hospital, were surprised to see and hear a robin on a near by tree. They were able to get a good look at and identify the bird. It was evidently in good condition, appeared quite satisfied with climatic conditions. Whether the bird remained over after the summer holidays or returned from the South cannot be determined.

SCHOOL CLOSING AND PRESENTATION

The semi-annual examination and Christmas Tree of Milburn school took place in the schoolroom on Wednesday evening, Dec. 21st. There was a large number of parents, ratepayers, and visitors present. The pupils were examined in the different subjects by their teacher, assisted by Miss Dingwall, and showed by their ready answers that they had spent a profitable half year. At the conclusion of the examination a well prepared program of songs, drills, dialogues and recitations was rendered by the pupils, after which the following address was read by Pearl Moore:

"Dear Miss Minchen,—We, your pupils and our parents, wish to convey to you our good will and appreciation of your sincere interest in our work and advancement. You have been faithful in your duties; and by your kind and genial disposition have won the love and respect of all. We realize that you have not an easy task to fill in teaching a school of such varied ages, and we are glad to have this opportunity of thanking you for your kindness and consideration towards us. We ask you to accept this small token of our esteem and wish you a Merry Christmas and a Happy New Year.

Signed on behalf of the school, Genevieve Mullin then presented the teacher with a beautiful silk umbrella to which Miss Minchen fittingly replied. Santa Claus then arrived and distributed the presents of the well-laden tree. The singing of the National Anthem brought a pleasantly spent evening to a close.

In Memoriam

WILLIAM D. AITKEN

The community of Bay Fortune, P. E. I., lost one of its most highly esteemed citizens when, on December 10th, William D. Aitken died at the ripe old age of 80 years. He will be greatly missed not only in his home, but in the community, and in the United Church of which he was a member and faithful attendant.

His wife had predeceased him. He leaves to mourn a kind father, the following five daughters:—Susan and Ida of Westboro, Mass.; Jessie of Malden, Mass.; Viola of Lot 16, P. E. I.; and Ressa (Mrs. D. Burke) at home.

Pownal News

Mr. Jack McKinnon, of Alexandria, was a visitor in the Capital on Saturday.

The following college students are spending the holiday season at their homes: Misses Helen and Charlotte Drake, Francis Wood, Mary McLennan, P. W. C.; Anita Wood, Annie McLennan, Vivian Gay, C. B. C.; Messrs. Harold Lawton and Ernest Smith, P. W. C.

Miss Bell Bruce, Milltown Cross, is spending the Christmas holidays with her sister, Mrs. A. G. Moore.

Miss Ethel Enman, teacher at North Winsloe, is spending the holiday season with her parents, Mr. and Mrs. R. Enman.

Mr. Wilfred Wood, Waterside, was in the city Saturday on business.

Miss Dixon Matheson, teacher, Model School, is spending Christmas with her sister, Mrs. Layton Jones.

Mr. Gordon Shadow was a passenger on the Murray Harbor train Saturday.

Mr. and Mrs. Nat. Gay were visitors in Alexandria Christmas, the guests of Mr. and Mrs. J. H. Judson.

Another year has passed away and cannot undo the deeds we have done. The lines of that old poem come to our minds: "Are we better? Are we wiser? Than we were a year ago? Turn the pages that are written. Does the record tell us so." The New Year lies before us as a beautiful clean page, and write we must, may it be in letters of gold; may our deeds and actions be such as will enrich the environment in which we move and life will be made sweeter and brighter for those with whom we come in contact. To some the past has brought sorrow and loss, which mar this festive season. We can but say when looking down the vista of the past, when remorse and sorrow must be in the picture, and vacant places mock our present happiness, we must bow to God's decrees and look beyond, for God ordains all. May each and all make the year 1928 a Golden Rule year, and forget the Silver Rule which is so often applied.

Our Young People's Society has again been organized with a view to doing a good winter's work. Mr. Harold Smith has been chosen as president and we feel with Mr. Smith at the wheel and his efficient staff of assistants, all is well and great things will be accomplished. It is the intention of the young people to stage a play in the hall here at some future date.

On December 22 a Christmas Tree and entertainment was held in Pownal Hall. Despite the inclemency of the weather a large number were present, and showed by their marked attention that the following entertainment was a good one: Operatic chorus, Merry Christmas; recitation, Eliza Lane; lullaby, Beth Littlejohns; recitation, Minnie Judson; duet, Edith Lawton and Rheta

Gay; recitation, Lorne Ings; dialogue, "The Sick Dolly," Helen Jenkins; nurse, Evelyn Robertson, mother of sick dolly; and Finley Drake, M.D. This dialogue by these primary pupils, was a credit and an example to many an adult dialogue, the fact being noticeable that no prompting was necessary. The above mentioned scholars were coached by their teacher, Miss Amy Smith, Mt. Mellick school, who was amply rewarded for her labor. Recitation, Donald Littlejohns; duet, Sara and Bertha Wood; dialogue, Getting Information; recitation, Prudence Ings; motion song, C. G. I. T. girls. Intermission. Sale of candy. Japanese drill, C. G. I. T. girls and teacher; recitation, Gordon Brown; recitation, Beaneay Gay; duet, Helen Peters and George Lawton; recitation, Claude Jones; exercise, Christmas Stockings; violin solo, Mr. Littlejohns; solo, Edith Lawton, in Scotch costume; recitation, Rheta Gay, (encored); duet, Prudence Ings and Lona Herman; chorus; dialogue, The Coming of Santa, God Save the King, Rev. Mr. Littlejohns acted as chairman in his usual happy manner. The teachers and officers of the Sunday School, assisted by the teacher of the day school, are to be commended for their efforts.

UPS AND DOWNS IN TRYON AND VICINITY

Another New Year—How the days and weeks have sped since this time last year! And may each and every reader of the "Dear Old Guardian" and others who are not so fortunate to have it within their reach—yes, I say may each and every one have a very prosperous 1928. So we will sing with Tennyson: Ring out the old, ring in the new, Ring happy bells, across the snow: The year is going, let him go, Ring out the false, ring in the new.

With the spirit of Xmas giving and receiving gifts still hovering in the air three fine new citizens were ushered into the vicinity. To Mr. and Mrs. Life Clark of Augustine Cove, on Friday, December 23rd, a fine little son, (congratulations). Also Mr. and Mrs. Arthur Howatt (nee Miss Nellie Reid) are receiving the congratulations of their numerous friends on the recent arrival of a bonnie wee lassie, Mr. and Mrs. Reuben Rogerson are the proud possessors of a little son, which arrived on Tuesday, December 27th (congratulations).

Miss Amy J. Howatt, Principal of Darnley School, is enjoying her Xmas holidays with her parents Mr. and Mrs. Bruce Howatt, of West Tryon. She returns to her duties the first of the week.

Now that the rush and flurry of Xmas is past and gone once more, we will have ample time to make a long list of New Year Resolutions. How about it Readers?

Miss Edith O. Lord of R. T. Holman's Ltd., S'Side, spent Xmas at her home in "Dear Old Tryon."

Miss Jean and Master Vernie Webster of Augustine Cove, were visitors to the adjoining community of Tryon on Thursday last week.

Mr. Charles Horton, who is employed by our general merchant, Mr. Ernest Howatt of Tryon, returned to his home in Murray Harbor for the Yuletide Season, and let us hope he had a very Merry one. He returned to his duties on Tuesday, Dec. 27th.

The neighbors and friends of Mrs. Wallace Toombs, who has been confined to her bed for some time, are delighted to know she is gradually improving, and is able to be about for a small portion of each day. Her complete recovery is anxiously looked forward to by all.

Messrs. Harry A. MacPhee and Jack Thomas of Tryon, were visitors to the Western Capital on Thursday, December 29th.

Russel A. Howatt has returned to his home in West Tryon, after passing a few pleasant days in Summerside.

Dr. Arthur Bell of Baltimore, Maryland, has been spending Xmas very pleasantly with his parents Mr. and Mrs. Ephraim Bell, of Cape Traverse.

Mr. and Mrs. Reg. Dixon of N. Tryon, were visitors to Dixon's Mills on Friday, December 30th.

Mr. Major Carruthers of Augustine Cove, paid a flying visit to Tryon on Friday, December 30th.

"Etapion Society" met in the vestry of the United Church at Tryon on Friday evening, Dec. 30th. Election of officers took place at this meeting, which were as follows:—President—Burpee Carr; Vice-President—Archibald Thompson; Treasurer, Mrs. Wendell Lea; Secretary, Mrs. Victor Howatt; Assistant Secretary, Marianne Howatt; Conveners—The Rev. G. Somers; Miss Katy Carr; Miss Elma Inman and Mr. Wendell Lea; Recreation Committee—Chairman, Willie Lea, also Lorne Mabey; Marion Howatt and Catherine Dobson.

Mr. and Mrs. Reginald Dixon, of North Tryon, were visitors to the Western Capital on Saturday, Dec. 31st.

Smelts are very scarce in Tryon River this season, and the fishermen are beginning to look serious—such is "Fishermen's Luck."

Miss M. Ruth Mullins, teacher of Mount Tryon, is passing her Xmas holidays with her parents, Mr. and Mrs. Stetford Mullins, West Tryon.

Master Calvin Howatt, son of Mr. and Mrs. Russel Howatt, is now visiting his grandmother, Mrs. Bessie Howatt of Victoria, P. E. I.

Announcing The VICTORY SIX BY DODGE BROTHERS ON DISPLAY TODAY WITH THE SENIOR SIX AND AMERICA'S FASTEST FOUR

From an engineering standpoint The Victory is radically new, radically different and thoroughly original—is literally years ahead of its time in many vital features. In a very real sense, too, it compares with no other car or class, because NO car, either here or abroad, provides features that are comparable. To enjoy these advantages you must buy THIS car, for elsewhere they simply do not exist.

Revolutionary New Principles of Design

1. For the first time since the invention of the automobile, the chassis and body of The Victory are a single integral unit—the wide, deep Victory chassis frame, flush with the lines of the body, replaces the customary body sills. (Heretofore, the body was mounted on a sill and both in turn mounted on the chassis.) 2. For the first time in history, battleship construction (i.e., double steel walls) is here applied to the motor car.

Spectacular Performance

The results of these, and other basic innovations are astonishing in their effect on every phase of motor

car value; beauty, comfort, safety, strength and most impressive and important of all—performance itself. With chassis and body a single unit, there are 330 fewer parts—175 pounds less weight—and an extremely low center of gravity. The results are greater motor efficiency—increased power—quicker pick-up—greater stability and flexibility in relation to load—an easier car to handle—a faster car to drive! 21 miles to the gallon at 25 miles per hour is precisely what you can expect—with sustained high speed all day long at instant call! Drive over cobbles and await the usual discomfort—it will never occur! The Victory is the smoothest riding car, for its type, ever built.

Safe, Strong and Stable

Because the chassis frame conforms precisely with the body lines—and because of the car's low center of gravity (weight close to the ground) The Victory is remarkably stable—tipping, skidding and swaying are reduced to a point positively negligible! Turn a sharp corner and you will understand!

Quiet and Comfortable

The aim of all engineering is simplicity, for simplicity means economy—strength—SILENCE. There are only 8 major parts in The Victory body—and they are welded into a single unit. Not a joint to squeak or rattle. A silent body.

And Dodge Brothers powerful new six-cylinder motor—specially engineered for The Victory—preserves this luxurious quietness at all speeds.

A Car of Striking Beauty

Body and chassis built as a single unit—without the customary body sill—permits lower over-all height with liberal head-room and road-clearance. Splash shields, a constant source of noise and annoyance are replaced by the wide, deep Victory chassis frame; wide, heavy-gauge one-piece fenders and drum-type head-lamps are provided. Upholstery, hardware, instruments, color combinations and other appointments satisfy the most exacting demands of style and good taste.

Indeed, you have a distinct and thrilling impression that the car in which you are riding is long, low, swift and safe—a car of surpassing originality and smartness down to the smallest detail.

And the double steel walls mean double protection in case of accident—double the safety of any type yet known. A staunch body, with doors that close with a substantial and non-metallic snap.
