

A STRONG, VIGOROUS MAN

Is Liable to Break Down—Pe-ru-na is Sure to Restore.

ALDERMAN FRANK DUNN

Hon. Frank Dunn, Alderman Twenty-Fourth District, writes from 232 East Fifty-Eighth Street, New York City:

The Peruna Medicine Co., Columbus, O.:

Gentlemen: "There is no remedy for a broken-down system that I know of which will so effectually restore health as Peruna."

"Whenever I am overworked or suffer from the consequences of a cold a few doses of Peruna builds me up again more quickly than anything I ever tried. I find it especially valuable for catarrh. Three bottles cured me three years ago of catarrh of the stomach and I have never had the least symptoms of it since."

Very truly,
FRANK DUNN, Alderman 24th Dist., N. Y. City.

A TONIC is a medicine that gives tone to some part of the system. There are different kinds of tonics, but the tonic most needed in this country, where catarrh is so prevalent, is a tonic that operates on the mucous membranes.

Peruna is a tonic to the mucous membranes of the whole body. It gives tone to the capillary circulation which constitutes these delicate membranes.

Peruna is a specific in its operation upon the mucous membrane. It is a tonic that strikes at the root of all catarrhal affections. It gives tone to the minute blood vessels and the terminal nerve fibres. Catarrh cannot exist long where Peruna is used intelligently. Peruna seeks out catarrh in all the hidden parts of the body.

Paul Landrum writing from Atlanta, Ga., says:

"In January last I began the use of your Peruna and Manalin for what was termed organic heart trouble. At that time I could scarcely walk to my place of business without stopping to rest and on arrival felt completely exhausted. Had severe pains in my heart and general dizziness. After using the first bottle of Peruna I began to improve and today I feel that I am a sound man and I work fourteen hours a day without any bad feeling."—Paul Landrum.

A. M. Ikard, an employee of the C. B. & Q. R. R., West Burlington, Ia., writes:

"I had catarrh of the stomach and small intestines for a number of years. I went to a number of doctors and got no relief. Finally one of my doctors sent me to Chicago and I met the same fate. They said they could do nothing for me, that I had cancer of the stomach and there was no cure. I almost thought the same, for my breath was something awful. I could hardly stand it, it was so offensive. I could not eat anything without great misery, and I gradually grew worse.

"Finally I got one of your books, and concluded I would try Peruna, and thank God, I found a relief and a cure for the dreadful disease. I took five bottles of Peruna and two of Manalin, and I now feel like a new man. There is nothing better than Peruna, and I keep a bottle in my house all the time."—A. M. Ikard.

If you do not derive prompt and satisfactory results from the use of Peruna write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
