MANY CHILDREN OUT OF SCHOOL

WITH COUGHS AND COLDS And Parents Everywhere Are Proving the Wonderful Curative Powers of DR. CHASE'S SYRUP OF LINSEED AND TURPENTINE.

When grown people neglect their ailments and allow them to develop into serious diseases, they have no one to blame but themselves. With children it is different, because they do not realize the seriousness of a neglected cold nor the means of obtaining cures, and many a child, as he grows older and finds himself a victim of pneumonia, consumption, bronchitis, asthma or throat trouble, cannot but see that his parents were responsible for neglected treatment when his ailment began in the form of a cold. Today the schools have many a vacant seat on account of coughs and colds, and many children who are there should be at home. What treatment are these children getting? Do their parents realize the seriousness of neglecting to cure a cough? Have they proved the merits of Dr. Chase's Syrup of Linseed and Turpentine as a cure for coughs and colds, bronchitis, croup, whooping cough and all kindred ills? Very many have, for there is no preparation for throat and lung diseases that has anything like the sale of Dr. Chase's Syrup of Linseed and Turpentine. Be careful when you buy to see that the portrait and signature of Dr. Chase is on each wrapper. If you send the children to the store, warn them not to accept any imitation or substitution. Children like to take Dr. Chase's Syrup of Linseed and Turpentine, and there is no remedy so prompt and effective as a bottle; family size, three times as much, 60c; at all dealers, or Edmanson, Bates & Co, Toronto.

BURDOCK BLOOD BITTERS

CURES INDIGESTION, DYSPEPSIA, BILIOUSNESS, SOUR, WEAK AND ALL STOMACH TROUBLES.

Mr. J. G. Clunie, Barney's River, N.S., tells of what this wonderful remedy has done for him—It is with gratitude that I can testify to the wonderful curative powers of B.B.B. I was so badly troubled with indigestion that whatever I ate caused me so much torture that eating became a dread to me. I tried numerous physicians, but their medicines seemed to make me worse. I thought I would try B.B.B., so got a bottle, and after taking a few doses felt a lot better. By the time I had taken the last of two bottles I was as well as ever, and have had no return of the trouble since. I recommend your medicine to the highest degree. B.B.B. is for sale at all dealers.
