ENGAGEMENT CONCLUDED.— There were crowded houses at the Prince Edward Theatre yesterday afternoon and evening, when Florence Edna May's three act drama "The Unloved Wife" was presented. The different roles were all excellently portrayed and the performers further added to the reputation which they established on their initial performance here Wednesday night. This company which is of a high standard is to be congratulated upon their success here and may be assured of a hearty welcome from the people of Charlottetown should they in future open another engagement here. The troupe leaves this morning for the mainland.

ROTARY LUNCHEON. — The chief speaker at Rotary yesterday was Dr. Judson S. Clarke, forest engineer of Pasodena, California, who gave an interesting address on forestry and forest preservation. The branch of the engineering profession to which he belongs has only of recent years been recognized in its importance to the country and today great sums are being spent by federal governments in scientific study of forest preservation. The first reason for this is of course the realization of the great value of lumber as a national asset. Forests also play a big part in the protection of the water supply and in many places wooded lands have been turned into national parks and play grounds in the vicinity of the larger centers. Dr. Clark referred also to the dwindling of the forests in eastern and middle parts of the continent until today dependance for lumber is placed upon the great western slopes. Rotarian J. S. Bayer presided at the luncheon which was well attended. The vistors present were W. K. Rankin, Capt. T. G. Taylor, P. Smallwood, Rotarian J. F. Fraser, Rotarian Jack Thomas of Fredericton, N. B., and Mr. Ernest Shipman. Mr. Shipman spoke briefly on the proposition to place the Island on the movie screens of the world. It was announced by President Turner that the Rotary Executives of the Maritime Provinces would meet in Charlottetown next Tuesday. An entertainment committee was appointed to look after the visitors. Rotarian Harry Gorbell who leaves next Tuesday for Moncton to take the Secretaryship of the Y.M.C.A. was presented with an address and a trunk umbrella.

G. Connolly, First; E Hornby, Second; C. Purcell, Third. Time 37 1-2 Minutes. It was a Great Race and Thoroughly Enjoyed by all who Seen it.

The Boy's Bicycle Road Race last evening brought out thousands of excited fans to witness the boys battle for superior honors in the wheeling event.

This Race was one of the nicest of its kind yet staged in Charlottetown all the boys wheeling well and showing excellent judgment.

Mr. George L. Prowse and Mr. McMillan are to be highly congratulated for the manner in which the details were handled.

The fact that the race ended on the Abegweit grounds gave a splendid opportunity to the large number of spectators present of viewing the last stage of a most gruelling contest, George Connolly romping home the winner in the magnificent time of 37½ minutes, being closely followed by Edward Hornby, who wheeled a great race for a small boy, showing the judgment of a veteran, especially in the sandy places and bad turns.

The winners were loudly cheered at the Abegweit grounds, all of which they richly deserved. Harry Connolly and Tommy Mathieson battling out a finish, neck and neck for the length of the track, Connolly nosing out Mathieson in one of the closest finishes ever seen here.

There was twelve starters to face the wire, namely:— Edward Hornby, Chas. Purcell, George Connolly, M. Archibald, C. C. Cook, H. Roper, W. Locke, Harry Connolly, A. Heustis, Kielly, Tommy Mathieson and Carl McKenna, all getting off in a bunch, on the word go from His Worship Mayor Jenkins.

Connolly third, Kielly fourth, the remainder trailing closely, at Worthy's corner, George Connolly had made his way to the front and Purcell came up to second, Hornby third, H. Connolly fourth, Kielly fifth and Mathieson sixth.

At the Waterworks, G. Connolly still had the lead, Hornby fell into second position, when Purcell got a bad tumble in the sand throwing off his front tire, H. Connolly, third, Kielly fourth, Mathieson fifth and Purcell who had been second, getting his repairs finished dropped into sixth position.

At the Willow Corner on the way in, G. Connolly still remained in the lead, about one hundred yards, followed by Hornby, with Purcel lthird, having worked up from sixth position. H. Connolly fourth, Mathieson fifth, Kielly sixth, H. Roper, who was having trouble with his bicycle here withdrew from the race. The race was concluded at the Abegweit grounds, each rider going one lap on the track and the riders finished in the following order.

2nd.— Edward Hornby.
3rd.— Charlie Purcell.
4th.— Harry Connolly.

Boston Win Baseball Game

The Baseball game of the Abegweit grounds last evening between the Boston team and Charlottetown resulted in an easy victory for the Bostonians with the one-sided score of 6-0.

Owing to the game being late in starting and the dark evening, there was only six innings played.

The game was lively in spots, but the local nine, who have not being training lately, missed some nice chances of holding the score down.

The Boston team are a well organized bunch of ball tossers, and did not lose any opportunities of getting their man, the local players were batting well, but the superior fielding of the boys from Bean Town held them score less.

The Boston team came up to bat first and succeeded in getting three runners across home plate, before being retired. The Charlottetown team was less fortunate, four men facing the pitcher, two fanning the breezes and one out at first, Whackey succeeded in slamming the pill for a two bagger, but only got as far as third.

The second inning Boston sent two men for the full circuit of the bases, making a total of five, runs in the two innings. The Charlottetown players went down in quick order, two fanning air and one flying out to the first baseman.

On the third inning, the Boston team failed to connect, going down at first and one taking the count from Lefty.

Charlottetown made a great effort in their half of the third, but a little slow thinking and quick work by the Boston infield retired the side scoreless.

The Bostons got one man home safe the next batters going out at first and fanning for the count.

Charlottetown went down on a double play from second to first, while the next batter fouled to the catcher.

In the fifth innings, four Boston batters faced the pitcher, two being out at first and one taking the count.

Charlottetown in their half, two men went down at first and the following batter was caught by the third baseman.

Boston in the sixth had four men up to the plate, one getting as far as second while one man fans and the other two going out at first. Charlottetown in the last innings, the sixth, did not get a man to first, and the game ended as above stated 6-0 in favor of Boston.
