

# Have You Appointed a Trustee Under Your Will?

The following is evidence of the necessity—

Extract from the address before Detroit Bankers' Club by Joseph T. Talbert, Vice-President National City Bank of New York—

"A well known life insurance company has been following up all its death losses of five thousand dollars and over. As a result of its investigation it finds that after seven years ninety per cent of the beneficiaries have lost or spent the entire amount paid to them."

This company acts in the capacity of Trustee under Will.

Call and let us explain the matter, as it affects your estate.
