ATTACK IN PROGRESS BY HAIG'S TROOPS

WITH THE BRITISH FORCES IN FRANCE, Sept. 22.—English troops attacked the German lines midway between Havrincourt Wood and St. Quentin at half past five o'clock this morning on a front of more than two and one half miles to three miles. Field Marshall Haig's thrust was made toward the strip of high ground in front of the Hindenburg defences which cover the Scheldt Canal. The area under attack is immediately north of that part of the line held by the Australians who have already gained the Hindenburg outpost system and are closer to the Canal than the infantry on either side of them.

GERMANS SETTING FIRE TO ST. QUENTIN

PARIS, Sept. 22.—The Germans appear to be hastening the removal of the civil population of St. Quentin and fires have been observed in dif-

ferent parts of the city says Marcel Hutin in the Echo De Paris. The Germans, he admits, are placing numerous batteries in St. Quentin.
