IT PAYS TO buy in this Province. A. O. H. Annual dance and whist party, Easter Wednesday, April 15th, 11th Regiment Orchestra. 1913

FANCY WORK.—There will be an exquisite display of fancy work in St. James Bazaar on Thursday, 1913.

THE ANNUAL meeting of The Island Guardian Publishing Company takes place tonight at 8 o'clock in Board of Trade Rooms.

HEAVY FREIGHT.—Over fifteen hundred tons of freight was handled by the Marine Department during last week. This large amount, which is a record breaker, was conveyed to and from Charlottetown by the Earl Grey and the Minto.

IMPORTANT MEETING.—At 3 o'clock today Mr. Hayes, the General Traffic Manager of the I. C. R. will convene with the Charlottetown Board of Trade on the question of Freight Rates, etc. The meeting will be in the Board of Trade Rooms, 1939.

A DOUBLE BEREAVEMENT.—Very sad indeed are the circumstances connected with the death of Mrs. Frank Mutch aged 57, of Earncliffe, who died on Wednesday after a short illness of pneumonia. She had been attending a neighbor who was ill with the measles, and contracted a cold which developed into pneumonia. On Thursday her 14 year old daughter, Theresia Alexandra, who contracted the measles, passed away. Much sympathy is felt for Mrs. Mutch and the other members of her family, which includes five daughters, and two sons. The double funeral will take place on the arrival of deceased's daughter, who is expected home from Calgary on Wednesday.

ATTEMPTED ROBBERY.—What looks like an attempt at robbery was made on Sunday night or Monday morning on the store of Mr. John McKenna, vendor, Charlottetown. The policemen on their rounds found a window in the door of the shop broken and a spring lock, which was alongside the window, open. It is thought that the robbers had broken the glass by throwing a brick through it. Likely thinking there was only the spring lock on the door they thought it would be an easy matter to get in. But on finding that there was a second and much more difficult lock to open they evidently abandoned their project, as nothing was missed from the store. A shed in the yard of the Bishop's Palace containing the stores of the John Mitchell Co., was also broken into on the same night.

CORRAVILLE.—The people in this vicinity are patiently awaiting for the egg circle to begin.—Messrs. Owen Sharkey of Corraville and Daniel Mullins of St. Peters, paid a visit to Montague, Saturday. While there Mr. Mullins purchased a valuable mare. Mrs. Wm. Doyle, Lowell, Mass., who has been spending the winter at the home of her father Mr. John Pyke in Milburn, has returned to her home, she was accompanied as far as Picton by her sister, Miss Ruth Pyke. Miss Annie Saraphy spent a very enjoyable evening recently at Corraville, the guest of Miss Katie McLean. Mrs. John Sharkey, of Corraville who has been seriously ill is slowly regaining her health. Her many friends wish her a speedy recovery. Miss Mary Redmond of Lake Verde, who has been visiting in Corraville, at the home of her aunt, Mrs. John Sharkey, has returned home. The school at Corraville is progressing favorably under the skillful management of the teacher Miss Annie Campbell. Mr. John Roraghan, of Ruskin, spent a very pleasant week at Corraville the guest of Mr. John Sharkey, Misses Maggie and May McDearmid of Montague, spent a very pleasant visit at Corraville, the guest of Mrs. George Polyer. What might have been a serious accident occurred to Mr. Ambly Crawford of Iona. While driving on the St. Peter's road, he got out of the sleigh to fix his harness, when the horse kicked him on the knee. Mr. Crawford was conveyed to his home and has been confined in bed ever since.

RAIN STORM.—The recent heavy rains of the past few days has taken away the snow to a considerable extent, making the roads so soft that they are almost impassable for the time being. The Tracadie mail carrier, Mr. Basil McDonald, was unable to make his usual rounds Monday or Tuesday, owing to the state of the roads. They need be pretty bad when Mr. McDonald will not attempt to navigate them.—S.

SERIOUS CONDITION.—Mr. John Hughes, Dromore is at present staying at the Ross Hotel, Mt. Stewart, at present under the care of Dr. Toombs. About two weeks ago Mr. Hughes while at his work, got his foot injured, and after much suffering he consulted the doctor who found it necessary to amputate the great toe. While this wound was healing nicely, the other foot, having to bear the whole weight of the body became seriously strained causing ulceration at the ankle so that Doctors Toombs and Walsh found it necessary to perform the second operation. Much sympathy is felt with Mr. Hughes in his suffering.—L.

ACCIDENT AVERTED.—What might have been a serious accident was narrowly averted on Saturday morning last, when Mr. Joseph Barrett, sectionman, Glenroy, was going over the line. About an hour before the trains were due he came upon a broken rail about a quarter of a mile east from Scotchfort station. Upon seeing it he hastened back to Mount Stewart, where the other men were working and taking the necessary equipment they went down and secured it just in time to let the train pass the place where it was broken, which was on a sharp curve, where if a train run off there would certainly have been a serious accident.—S.
