ENTERTAINED BY VICTORIA LODGE—Members of the L.O.B.A. at Summerside were the guests on Tuesday evening, of Victoria Lodge, Elmsdale. Some excellent speeches were made, after which a very enjoyable social evening was spent. Refreshments were served by the ladies of the local Lodge at the close of the evening.—S.

QUIET WEDDING—The marriage was solemnized on August 6th, at the Presbyterian Manse, Summerside, Rev. C. J. St. Clair, officiating, of Miss Hilda Harvey, daughter of Mr. and Mrs. Frederick Harvey, of Cape Traverse, to Mr. Vernon Muttart, son of Mr. and Mrs. Frank Muttart, of Carleton. After a short honeymoon the happy young couple returned to Cape Traverse, where they will in future reside. The Guardian joins a host of friends in wishing Mr. and Mrs. Muttart every success in life.—S.

BRIDAL SHOWER—Many Summerside friends attended the bridal shower which was given on Tuesday evening at the lovely home of Mr. and Mrs. Frederick Harvey, of Cape Traverse, in honor of her daughter, who was recently married to Vernon Muttart. Friends from all parts of the district came to extend their best wishes to the bride and groom, who were the recipients of many costly and handsome presents. The bride graciously thanked all present for their kindness and good wishes. The gifts were opened by Miss Florence Bell and the verses read by Miss Dorothy Muttart. A very pleasant social evening was spent and a very dainty lunch was served by the hostess, who was assisted by Mrs. Raymond Harvey.—S.

TRYON PRESBYTERIAN CHURCH RE-OPENING—The special services in connection with the re-opening of the Presbyterian Church of Tryon, were held on Sunday, August 24th, in the morning and in the evening. At the morning service, the Rev. Mr. Jeans, of Summerside Presbyterian Church, Moderator of the Presbytery of Prince Edward Island, preached an eloquent and very impressive sermon, being assisted by Mr. J. H. Patterson, student-minister of Tryon, in the conduct of the service. Miss Fensie Chisholm rendered a solo during the offertory. The evening service saw the church, which is looking very neat and tidy, as a result of the re-decoration and re-painting within and without, crowded with worshippers from far and near. The service was conducted by the Rev. Mr. Kay, formerly United Church Minister, at Victoria. Mr. Patterson preaching the sermon. Mr. and Miss Smallman, from Summerside, rendered a solo and a duet very acceptably. The Presbyterian Congregation of Tryon is to be congratulated on the tasteful and efficient way in which they have repaired their church, which is one of the most beautiful, for its size, on the Island.

SLIGHT BLAZE—The Summerside firemen were called out on Tuesday afternoon for a slight blaze in Mr. McKeeman's barbershop on Water Street. The fire originated from a small oil stove, which had been placed too near the wall. The firemen were quickly on the scene and the fire speedily subdued. Very little damage was done.—S.

PAUL KOLLINS' FAREWELL—Paul Kollins, well and favorably known, gave his farewell recital at Summerside in St. Mary's Hall on Tuesday evening to a delighted audience. Mr. Kollins' rich talent to sway his hearers according to his own emotions, never seems to diminish, and his program was an outstanding effort in his line of artistry. His rendition of the "Merchant of Venice," "Mary" by Rev. Robert Norward; "Father and Son" by Pollock were well portrayed by the popular actor. He rose to rather marvellous heights in the scene from the tragic play "White Tapers and Red Wire", where he depicts the feelings of the outraged husband as he slowly loses his senses over the loss of his wife and friend. Mr. Kollins remains in the Maritimes until close to the Christmas season, when a larger field of endeavor calls him to foreign

At the Field Day held at St. Peter's on Wednesday Mr. Frank Baird sheep and swine promoter put on an interesting lamb grading dem-

stration. After outlining the requirements of the market at the present time, a class comprising various types of lambs was selected and all interested were given an opportunity to determine for themselves the main difference between the different lambs. This demonstration proved not only interesting but very beneficial for those in attendance.

Other speakers at the Field Day included Dr. J. A. Clark, Supt. of the Experimental Farm and Mr. Louis Roper, Livestock Promoter for the province. As at other field days a careful review was made of all crops and experiments on the station.

At this station a new concrete sheep dipping tank has recently been put in by Mr. McEwen and a number of neighbours.
