Fans Getting Fed-up With Joe Louis?

NEW YORK, Oct. 15—(AP) — The same fans who packed Madison Square Garden (capacity 18,000) at $15 tops to see Joe Louis half kill old Paulino Uzcudun, didn't fill the Hippodrome (capacity 6,700) at $10 tops to see Louis meet Jorge Brescia, who gave the Bomber a much better fight.

What's the answer? Are they getting fed up on the tariff or just tired of seeing Louis? Don't be surprised if Joe's next few appearances are away from New York.

Brooklyn correspondents say Casey Stengel will join up with the Red Sox if the Yanks don't grab him. Trouble is, Casey can't make a move so long as he is under contract to the Dodgers, and he's the property of Brooklyn until they pay him off for 1937. If the Dodgers want to, they can pay him by the month and keep him idle next summer. Meantime, the Flatbush Directors are being blasted on all sides for canning Casey.

The Giants can't understand why they are getting no bids for Hank Leiber, who is definitely on the market....That Giant deal for Arky Vaughan is still hot...Young Jack Gibbons, son of old Phantom Mike, collapsed after his last bout and may be on the shelf for good.

Bill Terry told Memphis interviewers he needs a hair cut most of all, but Giant fans would rather see him come up with a first sacker, third sacker and two starting pitchers.

Allan Shields Goes To Amerks

MONTREAL, Oct. 15—(C)—Allan Shields, hard-checking defenceman of Montreal Maroons in the National Hockey League, has been sold, in a straight cash deal, to New York Americans, the Maroons management announced tonight.

It was understood he will be used as a regular defence unit by the Amerks.

NEW YORK, Oct. 15-(AP)—The racing days of Victor Emanuel's Miss Merriment, Queen of the American sprinters, are about over.

The five--year-old daughter of High Time, out of the money only three times in 16 starts this year, will make her last start in the Scarsdale handicap at Empire City, Oct. 4, and then be retired to her owner's breeding farm. Last year the speedy mare faced the barrier 17 times won seven races, was second twice and third on five occasions.

Pedens Lead In Bike Grind

MONTREAL, Oct. 15 — (CP) — Torchy and Doug Peden, the cycling brothhers from Victoria, and their teammate Paul Charest pedalled into first position in Montreal's six-day bike race at the 95th hour tonight.

Tied with the leaders in mileage were Raymond Bedard, Jerry Rodman and Henri Trepanier, the Canadian hockey club team but the Peden outfit led on points. A team made up of the Germans Dave Lands and Oscar Junners with Roy McDonald of Ottawa also had the same mileage as the pacemakers but were third by virtue of the sprint point totals.

Now Its Come; Pocket Rugger Is The Latest

MARION, Ark., Oct. 15—(AP)—Miniature golf—table tennis—and now miniature football.

Through necessity, five small east Arkansas schools will present football this season played by six-man teams on undersized gridirons. It's an innovation the coaches believe will click with the fans.

Students and townspeople wanted football, but the combined grade and high schools had an average attendance each of only about 200 students. Squads reporting for practice in previous years numbered between 12 and 20 players. Reserves were few.

Under such conditions, it was highly problematical from one week-end to the next whether there would be a team on the field at all.

So the football coaches at Crawfordville, Marion, Earl, Tyronza and Lepanto got together and evolved a scheme to play the game with only six men on a side—three in the line and three in the backfield.

"This idea gives us a chance to teach the boys the fundamentals of football and at the same time have a wide open, fast game that should give the spectators plenty of actions and thrills," said Marion's coach, L. H. Polk.

The fields will be 80 by 40 yards instead of the regulation 100 by 53 yards. The scoring system will be the same, but a team will be required to make 15 yards in four tries for a first down instead of 10 yards as in regulation football. Backfield men on offence and defence must be three yards behind the line of scrimmage before the ball is snapped.

Polk, after several days of drilling his small squad, is still puzzled over building a defence. "It will be an open game," he points out, "and there will be less of the type of body blocking seen in the regular games. That will eliminate the danger of injuries almost entirely, with no piling up on line plays.

"It's hard to stop the offence with only three men in the line. There'll be plenty of touchdowns."

Senior Rugby Series Opens On Saturday

The senior Island rugby league will open tomorrow when the St. Dunstan's University fifteen clash with the city Nomads.

The college team has won the title for several years but the Nomads have been practicing strenuously and a good game is expected.

St. Dunstan's team hope to travel to Sackville next Monday to meet the Mount Allison team again. The New Brunswick squad, Maritime intercollegiate champions last year, came here on Thanksgiving day and turned back the Saints, 13-8.

Manero Wins Exhibition Match

BUENOS AIRES, Oct. 15—(AP)—Tony Manero, United States open golf champion, defeated John Cruikshank, Argentine open titlist, 3 and 2 today in a 36-hole exhibition match at the golf club Argentino.

Martin Rose, Argentine P G.A. champion, nosed out Johnny Revolta, of Milwaukee, 1 up in another 36-hole match.

Rumors That Cohan May Take Over Dodgers Are Denied By Club President

NEW YORK, Oct. 15—Notorious as a peddler of misinformation, Broadway was toying today with an old fantastic rumor and a new set of fancy figures. The rumor was that George M. Cohan, actor, dramatic author, manager, composer, and incurable baseball addict, was still interested in buying Brooklyn Dodgers. The figures were that world series fans had poured $300,000 into Broadway and that this was partly responsible for the early season theatrical boom.

Obviously, there was no way to check the figures, and Cohan merely laughed at the rumor.

"I think I could make a lot of dough with them on Broadway," he said of the Dodgers.

In Market Once

Cohan at one time was definitely in the market to buy New York Giants, and three years ago his name was mentioned in connection with a deal to buy the Dodgers. On the other hand, Cohan at 58 is not likely to be starting in a new business.

There is nothing unusual in the prospect of mixing athletics and dramatics. Mike Jacobs, most active fight promoter in the big time, was a Broadway ticket agent several years ago.

The Times Square area is filled with sports figures trying to capitalize on their sport records. Jack Dempsey has one of Manhattan's busiest restaurants. Even Babe Ruth once had a hat store on Broadway.

Nevertheless, the Cohan story is just another unconfirmed rumor in the Brooklyn situation.

"Not For Sale"

Stephen W. McKeever, 81-year-old president of the club, insists the club is not for sale, and says no announcement on the selection of a successor to Manager Casey Stengel will be made before the baseball writers' dinner in New York early in February.

McKeever also spiked rumors that Babe Ruth and Tony Lazzeri will be considered for the manager's job. He says no American leaguer will get a chance at it.

Football Prexy Resigns Post

NEW YORK, Oct. 15—(AP)—The resignation of Dr. Harry A. March of New York as president of the American professional football league was announced today by league headquarters.

Dr. March said he was resigning "over a matter of policy." He did not see eye to eye with some club magnate over the hiring of certain players.

Rifle Match Tomorrow Afternoon

The postponed team matches for the Guardian and MacKinnon trophies will be shot on the Charlottetown Rifle Range Saturday afternoon, October 17th, starting at 2 o'clock.

Units competing for these Cups may enter as many teams as they wish for each Cup.

The keenest competition in these matches during the past few years has been between the P.E.I. Highlanders and the Signals, the latter being the present holders of both trophies.

The matches will be fired over the 200, 500 and 600 yard distances, and will be shot in conjunction.

Jerwa Wants To Play For Americans

CALGARY, Oct. 15—Joe Jerwa, whose contract is owned by Boston Bruins of the National Hockey League but who would rather play for New York Americans, today returned his contract unsigned to the Bruins.

Boston loaned Jerwa to the Americans last year on option. After starring for Mervin "Red" Dutton's star-spangled troupe, Boston again claimed him.

It is understood the contract offered by Art Ross, Boston manager, called for about $1,500 less salary than would have been offered by Americans.

Four Team N. B. Hockey Loop Mooted

SAINT JOHN, N. B., Oct. 15—(CP)—"Daddy" Bubar, veteran goalie whose home town is New Glasgow, N.S., arrived here today to play with local hockeyists this season.

A meeting will be held Sunday afternoon at Moncton to discuss suggestions for a league comprising teams from Saint John, Moncton, Fredericton and Amherst.

AMHERST, N. S., Oct. 15-(CP)—Amherst sport officials were not aware before today the town had been included in proposals for a hockey league this year operating also in Fredericton, Saint John and Moncton, N.B.

Announcement was made today a meeting of the proposed circuit would be held in Moncton Sunday. No Amherst sportsman as yet has made plans to support a team this season, it was believed here.

As London Paper Saw World Series

NEW YORK, Oct. 15—(CP) — The newsroom where paragraph one of this item was born became more of a "nut house" than usual when a London newspaper came to hand today with a report of the final game of the recent world series that ran as follows:

"You Americans in England will be sorry to hear that the baseball world series ended today. New York's much boosted Yankees gained the crown against New York's Giants by four games to two. Yankees won today by another cricket score—thirteen to five.

"Sensation of the game was the ninth inning, in which the Giants just could not dislodge the Yankees

"Yankees scored seven runs in that last inning. Giants lost because the Yankees hit Fitzsimmons, Castleman, Coffman and Gumbert harder and oftener than the Giants hit Gomez and Murphy."

Grandma: "Would you like to go to the fair and ride in the roundabout, dear?"

Modern Child: "I don't really mind, if it will amuse you."

Irvine MacKie To Get Chance With Detroit

Irvine MacKie of Keppoch, will attempt to put another Garden of the Gulf name in the big time hockey spotlight, leaving shortly for Detroit to try out with the Stanley Cup champion Red Wings.

The local player worked out last year with the Boston Bruins in their training camp and Art Ross and Frank Patrick gave him a chance to sign with their minor league team. He turned the offer down and played another year in the amateur ranks for the additional experience.

This year the Boston Cubs disbanded and MacKie was given his release. Jack Adams of the Detroit World champions heard of the Islander and got in touch with him.

Irvine starred on defence with the Charlottetown Abegweit junior team that won the Maritime-Quebec title several years ago and he later turned in a good game for the senior Abegweits in the play-off series with the Halifax Wolverines the year the Nova Scotia team went on to win the famous Allan Cup.

Pete Kelly, a former team-mate of Irvine's with the Abegweits, left some time ago for Montreal en route to the Red Wing's training camp. He scored the goal that clinched the Stanley cup for Detroit last spring.

Two more Prince Edward Islanders seeking hockey fame, although in a smaller field, Archie McFarlane and Reg Mahar left yesterday for Bridgetown where they will play during the coming season.

Train Eyes On Kentucky Derby

NEW YORK, Oct. 15-(AP)—Although at least four important two-year-old tests remain on the 1936 United States racing calendar, owners and trainers already are looking toward the most glamorous of all America's races--The Kentucky Derby.

It's a far cry to a May Day at Churchill Downs, but many of the horsemen have put away their prize two-year-olds, hoping the long rest will help them blossom into top flight three- year-olds.

Barring an unexpected setback in the $25,000 Narragansett Futurity, Oct. 28, Jerome H. Louchheim's Pompoon is almost certain to go into winter quarters the winter-book favorite.

The son of Pompey has won six of his seven starts, including the rich Belmont Futurity, and tops the Juvenile money winning list, with $78,420.

Jacobs Lives Up To Reputation

NEW YORK, Oct. 15.—(AP) — Mike Jacobs still hangs on to his reputation as the most far sighted promoter.

Promoter Mike took one look at Joe Louis, and signed him up for five years, cornering the heavy weight market until Max Schmelling came along then he signed up Schmelling. Last night, after Harry Balsamo, pugnacious subway brakeman, had knocked out Eric Seelig of Germany in the first round, Mike hurried over to a bunch of fight writers. "Great prospects the writers said: You ought a sign the guy up."

"He", laughed Mike, "I have him signed up to a five year contract."

Former Maritime Hockey Players With Canadiens

MONTREAL, Oct. 14—(CP)—Two former Maritime hockey players are working out here with the red-white-and-blue squad of Montreal Canadiens of the National Hockey League.

Railbirds say Bill Miller and Joffre "Dizzy" Desilets, who have played on New Brunswick teams, are both showing impressive early-season form. Both have been signed to contracts with the Habitants.

Miller, a forward with the Moncton Hawks when they were ruling the amateur hockey roost as Allan Cup champions, is expected to be shifted to a defensive berth this year. Desilets, who used to turn out with Saint John Beavers, is a right winger. He was on the Canadien roster for part of last season.

NEW YORK, Oct. 15—(AP) — A revision of the 10 money winners in the 300-mile Vanderbilt cup auto race here last Monday awarded the first six places to foreign drivers, according to the official scorers' reports.

Tazit Nuvolari of Italy, Jean Pierre Wimille of France; Antonio Drivio of Italy and Raymond Sommer of France remained in the first four places as was announced after the grind.

Detroit Club Captain Faces Damage Suit

DETROIT, Oct. 15—Doug Young, captain and defenseman of the National Hockey League Detroit Red Wings, will face a $10,000 damage suit sometime during the fall term of Detroit circuit court—all because of an alleged high-sticking of a Toronto opponent in a game last year.

Young is being sued by a woman hockey fan because, the woman claims, Young's stick struck her when he attempted to high-stick the Maple Leaf player. The Detroit captain maintains it must have been someone else because official records of the game show he didn't get any penalty. He should have if he high-sticked.

The trial will bring Frank Calder and other hockey notables to Detroit as witnesses.
