

Chamberlain's COLIC, CHOLERA AND Diarrhoea Remedy

A few doses of this remedy will invariably cure an ordinary attack of diarrhoea.

It has been used in nine epidemics of dysentery with perfect success.

It can always be depended upon, even in the most severe attacks of crampy colic and cholera morbus.

It is equally successful for summer diarrhoea and cholera infantum in children, and is the means of saving the lives of many children each year.

When reduced with water and sweetened it is pleasant to take.

Every man of a family should keep this remedy in his home. Buy it now. It may save life.

BRIGHT EYES.

(Land an Irresistible Charm to Every Face.)

Clear, sparkling eyes make the plainest face beautiful. The eyes cannot be bright if the body is suffering from blood poisoning. Many people suffer from blood poisoning and do not know it, but they show it by their dull eyes, grey or sallow complexion and faded appearance. Constipation poisons the system. Instead of the blood taking up wholesome nourishment in the intestines, it absorbs the poisons which the bowels have not gotten rid of. The blood deposits these poisons wherever it can, which accounts for the dull eyes, pimples and headaches. Ripe fruit, Nature's remedy for constipation. Fruit acts on the bowels and makes them move—acts on the liver and causes more bile to flow, which is the natural purgative, acts on the kidneys—acts on the skin and clears and beautifies it. An Ottawa physician has discovered a process for combining the juices of oranges, apples, prunes and figs—and then by forcing into the united juices an additional atom of bitter from the orange peels, a new and very much stronger fruit is produced. The fruit extract is made into tablets with the addition of tonics, and sold under the name of "Fruit-a-tives" or "Fruit Liver Tablets." These little tablets are easy to take, have the gentle fruit action and are a positive cure for constipation, biliousness, headaches, kidney and liver disease and all blood impurities. "Fruit-a-tives" are recommended by able physicians everywhere. For sale at Drugists 50c a box or 6 boxes for \$2.50, or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

"It is surely rather fanciful."
 "Well, I don't insist upon it. Whatever the cause, Colonel Moran began to go wrong. Without any open scandal he still made India too hot to hold him. He retired, came to London and again acquired an evil name. It was at this time that he was sought out by Professor Moriarty, to whom for a time he was chief of the staff. Moriarty supplied him liberally with money and used him only in one or two very high class jobs which no ordinary criminal could have undertaken. You may have some recollection of the death of Mrs. Stewart of Laurier in 1887. Not? Well, I am sure Moran was at the bottom of it, but nothing could be proved. So cleverly was the colonel concealed that even when the Moriarty gang was broken up we could not incriminate him. You remember at that date, when I called upon you in your rooms, how I put up the shutters for fear of air guns? No doubt you thought me fanciful. I knew exactly what I was doing, for I knew of the existence of this remarkable gun, and I knew also that one of the best shots in the world would be behind it. When we were in Switzerland he followed us with Moriarty, and it was undoubtedly he who gave me that evil five minutes on the Reichenbach ledge.

"You may think that I read the papers with some attention during my sojourn in France, on the lookout for any chance of laying him by the heels. So long as he was free in London my life would really not have been worth living. Night and day the shadow would have been over me and sooner or later his chance must have come. What could I do? I could not shoot him at sight or I should myself be in the dock. There was no use appealing to a magistrate. They cannot interfere on the strength of what would appear to them to be a wild suspicion. So I could do nothing. But I watched the criminal news, knowing that sooner or later I should get him. Then came the death of this Ronald Adair. My chance had come at last. Knowing what I did, was it not certain that Colonel Moran had done it? He had played cards with the lad; he had followed him home from the club; he had shot him through the open window. There was not a doubt of it. The bullets alone are enough to put his head in a noose.

"I came over at once. I knew, direct the colonel's attention to my presence. He could not fail to connect my sudden return with his crime and to be terribly alarmed. I was sure he would make an attempt to get me out of the way at once and would bring round his murderous weapon for that purpose. I left him an excellent mark in the window, and having warned the police that they might be needed—by the way, Watson, you spotted their presence in that doorway with unerring accuracy—I took up what seemed to me to be a judicious post for observation, never dreaming that he would choose the same spot for his attack. Now, my dear Watson, does anything remain for me to explain?"

"Yes," said I. "You have not made it quite clear what was Colonel Moran's motive in murdering the Hon. Ronald Adair?"

"Ah, my dear Watson, there we come into those realms of conjecture where the most logical mind may be at fault. Each may form his own hypothesis upon the present evidence, and yours is as likely to be correct as mine."

DR. FOWLER'S Wild Strawberry

is an instantaneous cure. It has been used in thousands of homes for sixty years, and has never failed to give satisfaction. Every home should have a bottle so as to be ready in case of emergency.

Mrs. GEORGE N. HARVEY, Rosemeath, Ont., writes: "I can recommend Dr. Fowler's Extract of Wild Strawberry as the best medicine I have ever used for Diarrhoea and all summer complaints. I always keep it in the house and praise it highly to all my friends."

Now, why not have a Pandora?

Now we have shown you that the Pandora is a good range, —that it is easily managed, —that its grates are easily taken out and replaced without expense, —that you can cook on the top and bake in the oven equally well at the same time, —that it is the only range with a single piece enamelled steel reservoir, —that it has the best broiling door, —that it has an absolutely reliable thermometer, —that it is most economical, because it does its work with least coal.

Now, why don't you have a "Pandora" and be certain you have the best range?

Dodd's Kidney Pills doing Good Work around Port Arthur.

Mr. Dick Souvey and Wife Both Had Kidney Troubles and the Great Canadian Kidney Remedy Cured Them.

PORT ARTHUR, ONT., Sept 8—(Special)—That Dodd's Kidney Pills cure the Kidney ills of men and women alike has been proved time and again in this neighborhood, but it is only occasionally they get a chance to do double work in the same house. This has happened in the case of Mr. and Mrs. Dick Souvey, a farmer and his wife, living about seven miles from here. In an interview Mr. Souvey said: "My wife and myself have used Dodd's Kidney Pills and have found them a big benefit to our health. We had La Grippe two winters and were exposed to much frost and cold. Our sleep was broken on account of urinary troubles and pain in the kidneys. We each took six boxes of Dodd's Kidney Pills and now enjoy good health."
