**Catarrhal Deafness and Head Noises**  
TELLS SAFE AND SIMPLE WAY TO TREAT AND RELIEVE AT HOME

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and has caused catarrh of the stomach or bowels you will be glad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Parment (Double Strength). Take this home and add to it 1 pint of hot water and a little granulated sugar, stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become easy, while the distressing head noises gradually disappear under the tonic action of the treatment. Loss of smell, taste, deafness, hearing and mucus dropping in the back of the throat are other symptoms which suggest the presence of catarrh and which may often be overcome by this efficacious treatment. It is said that nearly ninety per cent of ear troubles are caused by catarrh, and there must, therefore, be many people, whose hearing may be restored by this simple, harmless, home treatment.

Make Your Money Fight Buy VICTORY BONDS BLACK'S Sunnyside

# If Germany Accepts—

Before this is in type Germany may have accepted the Allies terms of armistice.

But, that would not mean that the Victory Loan would not be needed.

Canada will still need the Victory Loan when fighting ceases, just as she has needed the money to carry on the war

After fighting ceases it will cost hundreds of millions of dollars to maintain Canada's soldiers until they can be demobilized.

Canada may have to keep her quota of men in occupied enemy territory.

Canada will have to transport her army home.

For some time to come Canada must continue to finance the supply of food stuffs for Britain and her Allies on credit.

War or no war Canada must continue to finance her shipbuilding programme to replace lost tonnage and to establish and maintain her proper place in the sea-carrying commerce of the world.

This will have to be financed through the Victory Loan 1918.

So whether or not Germany accepts the Allies terms the Victory Loan 1918 must be subscribed and over-subscribed.

Nothing less than this will enable Canada to complete her war effort and to maintain her agricultural and industrial prosperity.

And, remember, this may be your last chance to buy Canadian Government Bonds bearing five and one half per cent interest.

# So Buy VICTORY BONDS And Buy More and More BONDS!

Issued by Canada's Victory Loan Committee, in co-operation with the Minister of Finance of the Dominion of Canada.
