it pays to buy in this Province.

Miss Bertha Martin, Milcove, was in the city recently.

Joseph McIntyre, Milcove, was among the recent visitors to the city.

A. F. McQuaid, attorney-at-law, Souris, came to the city Saturday morning.

Chas McDonald, Mt. Stewart, who had been in the city for a few days, has returned home.

Edgar Carleton, City, who has been out west for the past few months, returned to the city on the mail special Saturday afternoon.

No one should forget the concert at Vernon River Bridge on Wednesday, Jan. 31. The admission will be fifteen cents.

Golden Weeks has returned from Fredericton after a pleasant trip through Northern Ontario having purchased two handsome pair of foxes while there.

Leslie Weeks and Mrs. Weeks, Fredericton, have returned home after visiting friends in New Glasgow. Mrs. Weeks is recovering after her recent illness.

The coming is from a Toronto exchange: the board of directors of Canada Life Assurance Company yesterday received two important additions to its membership. The former of these Robert Stuart, vice president of the Quaker Oats Company and a director of the Canadian Bank of Commerce, is a leading business man in Chicago. The other appointed is H. A. Richardson general manager of the bank of Nova Scotia well known as one of the most able bankers in Canada. (Mr. Richardson is well known here.)

There are some here who would support professional hockey. The Toronto News has the following in regard to professional matches in Ottawa:—Pro. hockey must be in a bad way in Ottawa when the enthusiasts in that section refuse to back their own team. The Capital City "sports" are noted for their loyalty to their own team, and as a general thing will stick to them to the last ditch, no matter what comes or goes. But the performances of the teams in the N. H. A., have been so inconsistent this season that the followers of the sport have grown somewhat sceptical regarding the genuineness of their efforts and are keeping their pockets buttoned up. The smallest crowd in years saw Saturday's game, which shows pretty fully the professionals are losing ground. On the other hand a record attendance witnessed the amateurs play the night before.

A Montreal despatch referring to a P. E. I. man, says:—The rumors to the effect that W. E. Stavert, inspector of eastern branches for the Bank of Montreal, is about to sever his connection with that institution are not without foundation. As a matter of fact it is understood that Mr. Stavert has resigned and will become the representative in Canada of the well known English banking firm of Grenfell and Co., London, his duties to begin at an early date. Mr. Stavert came to the Bank of Montreal from the Bank of New Brunswick about the time it was rumored that a merger was contemplated between these two institutions, but if there were any negotiations to that end they were declared off. Mr. Stavert while connected with the Bank of Montreal has been in charge of the winding up of the affairs of the Bank of Yarmouth, the Ontario Bank, the Sovereign Bank, the Bank of St. Hyacinthe, as well as the United States Banking Company, in the City of Mexico.

His friends regret to learn that Stanley Buchanan is ill at his home in Fredericton with pneumonia.

Miss Barbara E. Gordon, Willdale, Brudenell, is spending a few weeks visiting in Union the guest of Mrs. John Gill.

In the recent hockey match in Glace Bay, between the Amateurs of that town and Sydney, Chester Gregory, of this city, who played on the latter team scored the three first goals, tallying the three within a space of nine minutes. His combination work with other members was reported by the Glace Bay Gazette as a feature of the game.

A new lodge of the Independent Order of Good Templars has been organized at Union Road by Mr. Webb, the organizer. The new lodge has a membership of about twenty and has a very bright future before it. The organization was completed in the school and in future the new Lodge will meet in the Union Road Hall on Tuesday evenings.

A concert and pie social will be held in the Vernon River Bridge hall on Wednesday, Jan. 31st. An excellent program is being prepared. Should the weather prove unfavorable the concert will be held first fine night following. The proceeds are in aid of the Methodist Parsonage. The doors will be open at 7 concert begins at 7.45. The admission will be fifteen cents and ladies with baskets free.

The "pro" hockey games in Halifax on Friday night were in Halifax between the Socials and Crescents and in New Glasgow between Moncton and New Glasgow. In Halifax the Crescents won their first game after a succession of defeats beating the Socials by a score of 10-4. The Crescents had the two McNamaras of Moncton on their lineup. In New Glasgow the Cubs and the Moncton Vics fought for supremacy, the game ending 2-2, but in the playoff New Glasgow were favored by fortune and scored the winning goal making the final score 3-2 in their favor. Moncton now has six games, New Glasgow five, Socials four and Crescents one.
