The following is an interesting comparison: "Suppose that a farmer raises 4000 bushels of wheat a year, and also sells this to 4000 persons in all parts of the country, a great portion of them saying, 'I will hand you a dollar in a short time.' HALIFAX, N. S. Dec. 29. - When Mr. J. H. Ireland comes to Halifax he generally stops at the Queen Hotel, and there the reporter found him.

Mr. Ireland is one of the oldest travellers on the road and is known from one end of Canada to the other.

"I was entirely free of all that," said Mr. Ireland to the reporter, when asked about it.

"How did you get rid of it?" asked the reporter.

"Well," said Mr. Ireland, "on my trip to the Maritime Provinces last winter I was complaining everywhere of Backache and one day somebody advised me to use Dodd's Kidney Pills."

"Then you think Dodd's Kidney Pills do what they are advertised to do?"

"Well, as for Bright's Disease, Diabetes, Rheumatism, Urinary and Bladder Complaints, Heart Disease, and all those other forms of Kidney Disease for which Dodd's Kidney Pills are recommended I can't say authoritatively, but judging from the way they cure Backache it is entirely likely they will do exactly as advertised."
