Deceased was a native of New Perth, being a daughter of the late Dugald and Mary (Wood) Ferguson, who removed from there to the United States some years ago. Funeral services were held from her late home, 85 Tuttle Street, Dorchester, Mass., April 23rd at noon, the Rev. Austin DeBlois, pastor of the first Baptist church, officiating. CONCERT AT FALCONWOOD.—Through the energy and beneficence of Dr. Leo Frank, a concert was enjoyed by the inmates of Falconwood on Saturday afternoon. It can be said that it was high-class in every respect. The sketches of Sandy MacGregor in his inimitable style, brought rounds of applause and his number was alternated by selections from Prof. Dixon's orchestra and by the violin solos of Mr. Porter of Toronto, Ont. Mr. Porter's tone, technique and musical ability are of the highest order. The orchestra rendered selections which to say the least had "pep" a plenty. The patients being better acquainted with Sandy's style enjoyed it to the limit. His return, Dr. Frank has assured the institution that concert parties will be a regular feature.

A FAST STALLION.—Mr. W. B. McArthur, of Kensington, the owner of the beautiful and fast trotting mare (Miss Belle Rico, 2184, purchased on Saturday the fast and very handsome web-foot trotting stallion, Prince, 219. This horse was bought by the late Dr. J. T. Jackson from the Johnson farm, where so many of the world's greatest horses came from. Last year, with little preparation, he trotted to the track record at North Tryon. This year he has been converted to the pace, and last Wednesday worked the mile in 2:25, with the last half in 1:10 and the last quarter in 34 seconds. It is not known whether Mr. McArthur will continue him as a pacer or change him back to the trot. Upton Prince was one of the best bred horses ever brought to this Province, being by the great Todd Mack, 2:07 1/2, sire of Anne Bradford, 2:00 1/2, the world's champion pacer filly, and many others. The dam of Upton Prince is the celebrated Yanata, 2:13 1/2, by Arion, 2:10 1-2.
