## Sport Echoes from Prince County

The big baseball games are all ahead of us. The final series between the Red Sox and Legionaires of Summerside for the championship of the Town League have yet to be played. These old rivals can be depended upon to throw everything they have into this struggle as the members of each team would rather lose a leg than have the other team beat them This series should draw large crowds.

Then we have the series between the Prince County All-Stars and the Summerside All-Stars. The Prince County boys are no doubt the underdogs in this argument but we have a feeling they have enough baseball ability to give the Summerside boys and fans a few anxious moments. We've seen those boys play and we advise you not to sell them short.

The series between the Charlottetown Abbies and the Summerside All-Stars, (providing the local ball tossers succeed in hurling back the challenge of the Westerners) will probably receive top billing as the headline baseball attraction of the year. We think our boys have a good chance to take this series, but there could be many a slip between the Cup that is emblematic of this championship and the lip that we've been hearing and sometimes slinging about the capabilities of our 1947 All-Stars.

The Junior series between Charlie Hogan's Kinsmen and the team that comes out on top in the junior play-offs in Charlottetown should also receive a lot of attention. The Hoganites haven't tasted defeat from a junior team this year, but then they haven't completed a game with the Recce juniors as yet, and these boys look to be the cream of the crop in the Capital City. We'd say a 50-50 chance just about calls the turn there, and that means a bang-up series with no holds barred.

We're crossing over the border into September but there is still a great deal of exciting baseball to be played on our local diamond. So bring along your peanuts, and crackerjacks, folks, and get settled for a really enjoyable time. In the meantime you might try to think up a few more fancy names to call the umpire, such as, "Where is Ali Baba and the other thirty-nine?" or "Why don't you get yourself a horse? Jesse James had a horse!" Umpires get so bored with the same old epithets hurled at them day after day.

We're glad to hear that George Meikle's Royals, classy little softball girls' team is going to play a St. John team for the Maritime title in their age group. The Royals defeated the Brighton Terrors of Charlottetown for the Island title last year, and it was a very close and exciting series. Softball has gone into eclipse in Summerside this year, and this visit of a mainland team should help to revive interest in the sport.

Perhaps we'd better give you the where and when of some of those interesting struggles we've been talking about. Legionaires and Red Sox at the High School diamond on Monday afternoon at 2.30. Summerside All-Stars and Prince County All-Stars at Tignish Tuesday afternoon, probably 3 o'clock, St. John Red Sox and Summerside Royals at the High School diamond this afternoon.

We'd like to extend congratulations to our fellow scorer, Wilfred McNeill, and Mrs. McNeill, on the birth of a son at the Prince County Hospital.

## Death Saturday Of Mr. J. S. Cousins

There passed peacefully away at his home in Park Corner on Saturday morning, Aug. 30th, John S. Cousins in his 82nd year. Deceased had not been enjoying good health for some time, having spent four months in the P. E. Island Hospital following the misfortune of a fractured limb. Two weeks previous to his passing he returned to his home and gradually sank until the end. The late Mr. Cousins enjoyed the friendship of an exceptionally large number of people, contacting them through the avenues of the different lines of business in which he was engaged.

Born in Long River on Jan. 1st, 1866, he came to Park Corner when quite a young man and took over the original Cousins property from his uncle, the late John Cousins. Here he combined farming with milling, operating a grist and saw mill for many years.

In 1886 he married Elizabeth (Bessie) Campbell, daughter of the late Hon. William Campbell, Sea View.

In his early years he owned and successfully operated the Park Corner Cheese Factory, later changing it over to the manufacture of butter, this being the only privately owned industry of its kind in the Province. Also for many years he conducted a large lobster factory at Park Corner and for a time was president of a canning establishment in Kensington. In these varied lines of activity he became intimately acquainted with all the farmers and business men in the surrounding countryside. At one time he was president of the Dairymens Association of the Province. In politics he was a staunch Liberal and on several occasions he contested the seat in the 1st District of Queens in the Liberal interests, resulting in the closest contests ever held in the constituency.

In his home he was a model of hospitality, a kind and understanding friend, an obliging neighbor and a liberal supporter to every worthy cause that had for its object the upbuilding of the community. He was a charter member of King Edward Lodge, A. F. and A. M., Malpeque.

He leaves to mourn his passing his sorrowing widow, three daughters and three sons, namely, Elizabeth (Mrs. Heath MacLeod), Irishtown; Millie at home, and Stella (Mrs. Fred Campbell), Graham Road; James W., Park Corner William C., Merry Oaks, North Carolina and John E., on the homestead. Two sons and one daughter predeceased him. He also leaves three sisters, Mrs. Robert MacNutt, Darnley, Mrs. William Acorn and Martha of Spokane, Wash., U. S. A., besides a host of acquaintances throughout the province who will mourn his passing.

To the bereaved relatives and friends sincere sympathy is extended.
