ROSY CHEEKS FOR PALE GIRLS. Don't be debarred from strength and spirit. Don't give in to illness and despair. Ferronone supplies tone and vigor through which all functions of womanly life are maintained and fortified. From New Richmond, Que., comes the following statement from Mrs. Idore Boisjournel: "I take deep pleasure in testifying to the potent influence of Ferronone. For years my daughter has been pale and sickly—showed signs of advanced anæmia. Her lips got so white and her cheeks so dried and faded. From New Richmond, I can testify Ferronone made her as rosy as the best. 50c. per box at a dollar."
