

DONATES TROPHY TO GOLFERS

Through the generosity of Mr. E. W. McKinnon, superintendent of the railway, and entirely unsolicited the number of trophies in competition at the Charlottetown Golf Club has been increased by the donation of a fine silver "mug."

The gift came "out of the blue" a free-will offering from a golfer who takes infinite zest in the game and is zealous of its progress and the maintenance of the flourishing healthfulness of the Charlottetown Club.

Mr. McKinnon's thoughtfulness is of practical help to the club, whose games committee expressed keen appreciation.

The committee announce that the competition for the new trophy will henceforth be known as the E. W. McKinnon match, the first stage of which is to be played Saturday, June 27th. Match play rules are to govern over the 18 hole route.

It is specified that the McKinnon Trophy become the permanent possession of the golfer winning the match two years, not necessarily in succession.

The lists are now open at the club house for those wishing to place their names in the draw. Signatures must be made before Thursday night in order that the result of the draw appear in the press on Friday.

LEADER OF CHINESE NATIONALISTS TAKES BATTLE-FIELD IN KIANGSI

FOOCHOW, China, June 24.—Chiang Kai-shek, generalissimo of Nanking's Nationalist government forces, has entered the battlefield to lead the fight against the Reds as refugees continue to bring reports of Communist depredations.

The Chinese leader left aboard the gunboat Yangtze today for Nanchang in Kiangsi province. It has been estimated more than 200,000 Nanking soldiers are ready to take the field.

Refugees from northern Fukien province brought reports that the Reds intended to establish a Soviet state in that region.

The invaders have captured virtually all towns in the district, refugees said, except Yenping, where the military halted them, thus preventing a direct advance on Fochow.

NEAR-SUICIDE CHANGED MIND

WALTHAM, Mass., June 24.—(U. P.)—After swallowing poison Eric Gellerstedt, 45, decided he didn't want to die, after all. So he hurriedly procured a dictionary, found the proper antidote for the poison, took it, and recovered.

Quite a number of men are engaged in fixing the road by Vernon River Station.

The airplane passed over this vicinity on Monday.—V.

LOOKING 'EM OVER

BY TEC

Rovers and Stars, two old campaigners, will face each other in the fourth game of the City League baseball series this evening. Rovers at present are leading the parade with two wins and no losses, while the Stars have broken fifty-fifty, in their two starts. Should the "Down Easters" come through tonight, they will then be on the tally side of the Rover ledger. Should the Rovers take their opponents into camp, the victory will send them into a comfortable lead, which means they will have to take some lazing to beat them out for the first section championship.

WILLIAMS SLOWS IN SPRINT

The "Vancouver Express" has changed to the "Pacific Freight." Either that or the leg injury from which Percy Williams has been ailing is obviously not cured. On his first venture back on the cinder path after a long lay-off Williams saw three other runners breast the tape before him, Frank Wykoff, of the University of Southern California; Emmet Topino, of Loyola, and Cy Leland, of the Olympic Club. It is a bitter pill for British Columbians to swallow, as they were as proud of their fleet sons as a father of male twins. The news is bad for Canadians generally as the former Olympic winner was looked upon as the best bet for the next games.

STILL GOING STRONG

Jack Quinn, 46-year-old pitcher of the Brooklyn Robins, was credited with his first National League victory since 1913 on Monday when a ninth-inning rally gave the Robins a 6 to 5 decision over the Chicago Cubs. Quinn, who joined Brooklyn this year after being released by the Athletics, entered the contest in the eighth as relief pitcher.

STEB TRAINS AT NIGHT

Bill Stirling, the only heavyweight title challenger who ever did all of his training for the big affair at night, has some interesting reasons to offer for his arrangement of the preparatory schedule. Of all the things to be avoided when he tackles Max Schmeling in a fifteen round duel July 3, sleepiness, he thinks, is the most dangerous.

"If I trained every afternoon and went to bed at 9:30 or so at night for a couple of months, I'd develop the habit of dozing off at that time every night and it wouldn't be healthy for me to be feeling like taking a nap about that time July 3, when I'll be about starting the first round with the German.

"So I figure that if I train nights under artificial light under the same conditions that will prevail in the Cleveland Municipal Stadium, I'll just naturally be keen and eager when the first bell rings. It won't be my customary bed time hour. I won't be likely to go to sleep on the folks unexpectedly.

LOOKS LIKE BIG GATE Accommodation has been provided to seat 92,000 people at the Stirling-Schmeling fight. So far the box office reports about \$100,000 in the cash registers, and orders for \$200,000 worth of tickets are on file. The promoters are counting on a \$600,000 gate. The ticket prices are scaled from \$5.49 up to \$25. Fifteen hundred users are drilling daily in expectation of a mammoth turnout.

Some Hoss Toll Gate, the Canadian pacer, won the 2:17 pace at Southbridge, Mass., in 2:08 1/2, 2:10 and 2:10 1/2. Gny L., a son of the former Halifax owned horse, Adioo Guy, 2:00 1/2 was second. Toll Gate was such a prohibitive favorite that after a ticket or two he was barred in the betting. Toll Gate drew the poll and won all heats as he liked.

LOOKING 'EM OVER

BY TEC

The National presents a different problem, but at that the critics concede only three teams a chance to win the flag, with the Cardinals slight favorites over the New York Giants. It is true that in the double-headers played at Boston the champions were beaten three times, but "Gabby" Street's men have been challenged before, and have always come through nicely in emergencies.

ALP WILL BOX IN TORONTO

Primo Carnera, Italian giant boxer, today agreed to a ten-round bout here with Jack Renault, 204-pound Canadian heavyweight, on June 30. Acceptance of the terms of Jack Corcoran, of the Queensbury Athletic Club, was received today from Carnera by Corcoran.

FILE ENTRIES FOR BOXING TOURNEY

Names of the first three entries for the Maritime Provinces amateur boxing championships to be staged at the Wanderers Stadium, Halifax, July 8 and 9, were filed yesterday with Clary Harris, Chairman of the Committee, who with Jack Thomas is completing arrangements for the big tournament.

The fighters now listed are "Dipper" Lawson, Young Lantz and Gerald McNeil.

DUSKY RUNNER FOR MCGILL

Phil Edwards, of British Guiana, who represented Canada at the last Olympic games in the 800 meters, has reported to McGill University and in September will enroll in first year medicine.

WILL BE THIRD MAN

Jack Dempsey will be the third man in the ring when Max Baer and Paulino Uzcundun meet at Reno, July 4, in a Dempsey promoted fight of twenty rounds. The former champion accepted the referee assignment at the insistence of both Baer and Uzcundun.

SERVICE IN ST. PETERS

The special service held in St. Peter's Cathedral in honour of the fifty-sixth annual communication of the most worshipful Grand Lodge of Ancient Free and Accepted Masons of Prince Edward Island and the two hundred and fourth anniversary of the Grand Lodge of England was largely attended, there being about one hundred and fifty Masonic brethren besides a large attendance of the general public.

The service was sung by the Rev. Canon E. M. Malone, M. A., L. Th., incumbent. The lessons were read by the Rev. E. R. G. Bridgewater, Grand Chaplain of the order. At the conclusion of the service which was very impressive throughout the Rt. Rev. John Haddeney, D. D., coadjutor Bishop of Nova Scotia preached an eloquent sermon from the text "Upon the top of the pillar was lily work" in which he dealt with working of the Masonic Order as a living force throughout the world.

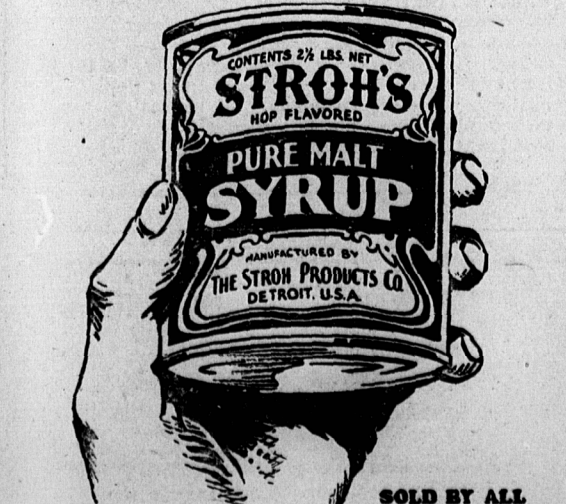

St. Peter's choir augmented by a number of the brethren rendered the musical part of the service with Capt. Sidney Fielding at the organ.
