DOWN THE BACK STRETCH
All the classes to be raced at the Fredericton Exhibition have filled and the program has been arranged for the three days racing as follows: Tuesday September 15th, 2:18 Trot and Pace, Junior Free-For-All, 2:18 Trot, Wednesday, September 16th, 2:14 Trot, 2:25 Pace, Three-Year-Old or Under Trot and Pace; Thursday September 17th, 2:14 Trot and Pace, Free-For-All, 2:24 Trot.

Sully, Mrs. Margaret Ballard's three-year-old that took a record of 2:13 1/2 at the Provincial Exhibition, won the second heat of the 2:25 Pace and race at Saint Stephen exhibition in exactly the same time. Other winners were Dolly Azoff 2:07, the 2:14 Class, best time 2:12 1/2, with Billy Bondeer 2:2 in the second and third heats and Abner T. Clegg second in the first heat and third in the next two. John Dean, who was second to Harvest M'Noy in the second heat of the 2:18 Trot at Charlottetown in 2:10 1/2 won the 2:23 Trot in 2:15 1/2, 2:14 1/2. Jean the Great won the 2:14 and fastest heat -2:12 1/2. Johnny Conroy also won a race with Hanover Courier.

Dermat turned the tables on Toll Gate in the Free-For-All at North Sydney on Monday. Toll Gate won the first heat by a neck after a fierce battle in 2:10 1/2 from Dermot, with Marjorie M. at the latter's wheel. In the second heat Dermot outstripped Toll Gate, winning in 2:11, Marjorie M. again third. The third heat was so close that the judges gave it out as a dead heat between Toll Gate and Dermot. That made it necessary for a fourth and deciding heat which was won by Dermot. It started to rain before the races were completed and the track became a bit slippery. On Wednesday Toll Gate made a come back winning from Dermot in 2:11-2:10 1/2. Dermot nosing him out in the third heat in 2:10 1/2 in a rattling finish Major Sweeney owner of Toll Gate announced that it would be the great pacers last race.

A wonderful two-year-old pacer is out on the Grand Circuit this year in Mac Abbey son of Mr. McElwyn 1:59 1/2 out of Abbey by The Abbe. In winning the American Stake at Milwaukee, August 28th, he stepped the last half of one mile in 57 1/2 seconds. Abbey is also the dam of Calumet Brownie 2:01 1/2, the Sydney owned free-former.

The following is the breeding of the winners of the two, three and four-year-old Futurities raced at Charlottetown on Monday. Two-Year-Old Trot and Pace Bud Volo by Pax Volo 2:07 owned by G. H. Barber, M. L. A. Albertson, driven by Harry O'Brien record 2:25 1/2. Three-Year-Old Trot and Pace, Guy Ann by Clover Guy 2:07 1/2, owned and driven by George A. Calbeck, Summerside time 2:16 1/2 (New Maritime bred three-year-old record). Four-Year-Old Trot and Pace, Leta Kalmuck by Kalmuck 2:15 1/2 owned by Alfred Webster, Marie, driven by Willard Kelly.

Guy Ann is a product of the Guy Cloverly-Peter the Great cross. Clover Guy being sired by Guy Aworthy. The dam of Guy Ann is a full sister to Peter Pokey 2:06 1/2. Gwendolyn Aubrey 2:08 1/2 and Helen Aubrey 2:08 1/2. She was by Captain Aubrey out of Helena Constantine by Constantine.

The history of this mare is that she was sold as a three-year-old to a party in Maine and was received by Colonel J. S. Jenkins as part payment when he sold Devilset in his three-year-old form. Colonel Jenkins disposed of her to a Prince County horseman who bred her to Clover Guy and Guy Ann is the result.

The record of 2:08 1/2 for trotters under saddle which was made by Country Jay in 1909 was lowered to 2:05 1/2 by Hollywood Boris at Old Orchard, Maine mile track meeting last week. He was ridden by Miss Doris James and it was the second time that he had been tried

Perry And Budge Reach Tennis Final

(By Bob Cavanaugh Associated Press Sports Writer)
FOREST HILLS N. Y., Sept. 11.—Byran "Bitsy" Grant, Jr., the pint-sized tennis rebel, almost caught Fred Perry off guard today, but finally lost to the great Englishman, who gained the final of the United States singles tennis championship against California's Don Budge, while Helen Jacobs fought her way to her fifth straight final and will defend her crown against Alice Marble tomorrow.

A crowd of 10,000, pulling for an upset similar to the one Bitsy cracked three years ago when he beat the defending champion, Ellsworth Vines, almost groaned its disappointment as the scrappy southerner went down to 6-4, 3-6, 7-5, 6-2 defeat. Perry, apparently in the mood for anything but a tennis match, loafed through the first three sets and finally went to work in the fourth, although at no time was he really going under a full head of steam.

Budge, showing at his best form since he returned from England last month, disposed of Frank Parker of Spring Lake, N. J., 6-4, 6-3, 6-3. The Californian, after the first set, took things as easily as possible in order to be in tip-top shape for tomorrow's final.

Miss Jacobs had the dislocated thumb on her right hand tightly bandaged but it didn't seem to give her any trouble as she turned in one of the finest performances of her career in vanquishing the formidable British southpaw, Kay Stammers, in straight sets, 6-4, 6-3. On her showing, it seems unlikely Miss Jacobs will fail in her ambition to become the first player to win the championship five straight times.

The titleholder's next adversary, Miss Marble of San Francisco, gained the championship round by a 6-1, 6-1 walkover victory over Helen Pedersen of Stamford, Conn. In a match that for the most part was a comedy of errors, Miss Marble, making a comeback after a two-year retirement, flashed moments of brilliance in the second set, but there was nothing sustaining about her form against her steadily driving opponent.

So far as the naked eye can discern, Runyan and Little are tied to duel alone over 36 holes tomorrow with only a few others placed so that they can take advantage of even major lapses by the former professional champion of the United States and the giant Little.

These two scorched St. Andrew's today from end to end. Little, coming into his own in open competition for the first time, reaching the halfway mark with 67-66-133, one of the lowest scores ever recorded in the first half of the tournament. The 68, four under par, was a course record.

But less than two hours later Runyan came through with a dramatic 55 to take over second place with a 137 total. The beau brummel from White Plains, one of golf's greatest iron players, conquered the par 70 layout with his light artillery.

Equalling par, but still seven strokes behind the pacemaker, Jack Little of Ottawa and Tony Manero of Greenwich, Conn., United States open champion, were tied for third position. As golf goes they were nearly perfect—and that wasn't nearly good enough.

Pudge Al Watrous of Birmingham, Mich., champion 14 years ago, was fifth with 71-70-141 and those beyond that figure appeared to have small chance of overhauling the 26-year-old Little.

Candidates with 36-hole scores of 151 or better qualified for tomorrow's final rounds, leaving 65 in the tournament. Those on the border-line with 151's were Bud Donovan of Winnipeg, Ray Bronson of Osterville, Mass., Jack Archer of Montreal, Pat Sawyer of Minneapolis, Archie Grimsditch of Weston, Ont., Dick Borwick of Toronto, Len Walper of Bethesda, Md., Orville White of Olympia Fields, Ill., and M. H. Currey of Toronto.

The exceptionally low qualifying limit was a break for the amateurs, including Donovan, Archer, Grimsditch and Currey. Other amateurs who qualified were Fred Hoblitzel of Toronto, 74-73-146; Frank Corrigan of Ottawa, 75-72-147; and Phil Farley of Montreal, 75-75-148.

Runyan Paces Little In Canadian Open Golf Play

(By Elmer Dulmage, Canadian Press Staff Writer)
TORONTO, Sept. 11.—A great struggle loomed tonight over St. Andrew's course for the Canadian open golf championship, with dapper Paul Runyan of White Plains, N. Y. in the thick of the fight with burly Lawson Little, abdicated monarch of the amateurs.

Loose play by the usually reliable Gateways infield cost the Maritime champions the ball game. With Harry Horton, peppery shortstop, the worst offender, the Gateways committed eight bobbles, Horton contributing four. Each team has won a game and the series will be continued in Springhill Tuesday and Wednesday.

Gateways were coasting to a 7-5 victory with two out in the ninth when the infield fell apart. Dykens reached first when Surrette, pitching for Yarmouth, and catcher Pete White did an Alphonse and Gaston act on his grounder, Surrette, throwing too late. Fraser slammed one at Hally Horton and it bounced off his body. Pinch-hitter Burton's double scored both and tied the count.

Yarmouth went out in order in their half and the veteran Nate Bain replaced Surrette in the box for the Gateways as the teams went into the 10th.

Horton flittered again on Brown's grounder and Beaton sacrificed him to second. Singles by Bell and McDonald, Fowler's double and Dykens' triple scored four runs. Fraser was safe when Comeau humbled his hard grounder and Dykens scored. Burton grounded out but Linkletter singled and tallied Fraser with the sixth run. Budge Brown, up a second time, doubted but Amiraull took Beaton's drive to deep left.

Seeking their third straight victory as well as the City Softball title 8th Battery clash with Stewart's over the weekend at the Park diamond.

On the spot and needing 3 out of 3 to retain their title the Bakers will do or die in an attempt to stop the march of the artillery team. Whether they can or not remains to be seen.

Game starts at 3 o'clock with Nels Whitlock in charge.

Hand C.Y.M.L. 10-2 Defeat In Third Game

Pounding two Summerside hurlers for twelve hits in six innings Holy Redeemer Parish Dodgers last night evened up the 1936 Junior baseball series by defeating the visiting C. Y. M. L. ball-tossers 10 to 2. It was the third game of the series each team having won one with one being drawn necessitating a deciding game before the Island titlists are decided.

The local squad jumped into the lead early last night, scoring four runs on as many hits and two errors in their first turn at bat. Again in the fourth they came back with another four full uprising and then after the losers had counted their two runs in the fifth the winners scored another brace in the last half of the same frame for the final scoring of the game.

Foster Sails For England

MONTREAL, Sept. 11.—Nemesis of Canada's Olympic hockey team in the winter games last year, goaltender Jimmy Foster, formerly of Moncton Hawks, sailed back to England aboard the liner Ascania today after a summer vacation in the Dominion. As goalkeeper for the English Olympic team, Foster played a large part in that team's defeat of the Canadians, which spoiled Canada's chances of defending the world hockey title.

Football Meeting

All Nomad football players and others wishing to try out, are asked to attend a meeting at the Holy Redeemer Tennis Clubhouse Monday evening at 7 o'clock sharp.

NEW YORK, Sept. 11.—Carl Hubbell's long left arm manufactured another four-hit ball game here today and New York Giants hurled back Chicago Cubs 5-1 in the opener of a two-game series before 15,000 fans.

The victory, which increased the Giants lead over the second place St. Louis Cardinals to four full games, was the lean southpaw's 23rd of the season and his 13th in a row. This is the best record turned in by a Giant twirler since Burleigh Grimes, the old spitball star, hung up 13 in a row back in 1927.

At Boston Pittsburgh Pirates touched up young Bill Weir for five runs in the first inning and then pushed on to a 10-3 victory over Boston Bees.

Weir, a southpaw, started the first inning by walking Schulte and Brown, Vaughn and Paul Waner singled, bringing in one run then Gus Suhr drove three runs in with a double to left.

The Phillies defeated Cincinnati 9-6 in the first game of the Philadelphia series. Bill Hallahan, who started in the box for the Reds, was knocked out in the sixth inning when the Phils pushed over four runs to break a 5-5 tie and win.

At Brooklyn, Van Mungo and his strikeout pitching staff St. Louis Cardinals another half game back of the National League lead today by stopping them in the nightcap of a doubleheader with Brooklyn Dodgers after the Gas House Gang had won the opener.

The split, coming while the pace-setting New York Giants were winning their single start against the Cubs, dropped the Cards to four full games from first place.

Don Gutteridge, rookie third-baseman, slammed out two homers and a triple to drive in five runs as the Cards won the first game 12-8. Mungo's mates staked him to a one-run lead in the sixth inning, and that was enough to give him and the Brooklyn's 5 to 4 decision in the nightcap.

Extensive repairs have been made to the Y. M. C. A. Bowling Alleys during the summer months and all patrons of the alleys are assured of a much improved service this season. Alley beds have been re-levelled, certain surfacing material replaced and the alleys re-painted in first class shape. General cleaning and painting in addition has given a very attractive appearance to the whole set up which is most inviting.

Judging from inquiries now being received at the Y. M. C. A. office there is every indication that the number of organized groups participating in activities on the alleys will at least reach last year's figures. Groups of previous years and prospective patrons will have an opportunity to participate in several days' program of invitation bowling which will mark the opening week schedule of the season around the date of Oct. 1st, and this programme will be immediately followed by the regular bowling schedules including the starting of several leagues which are already assured. A new feature of the programme will be the setting aside of Wednesday afternoon for ladies. Reservations will be made for those who wish to bowl casually and steps will shortly be taken to promote the organization of a Ladies afternoon league.

Mr. Tom Campbell is now taking up his duties as games supervisor for the season and will bring to his task a wide experience in bowling. He is a member of long standing in the Y. M. C. A. and for several years has been an active participant in the leading bowling events of the city. In taking over his duties at the Y. M. C. A. he succeeds Mr. Jack MacLean who leaves this next week to take up further studies, entering Queen's University at Kingston. The bowling alleys will open on Tuesday next the 15th inst.

scored twice without a hit. Caldwell walked Rick and Wes Ferrell, hit Weiber with a pitched ball and then forced in two runs with free transportation to Cramer and Fox.
