Clear, Peachy Skin Awaits Anyone Who Drinks Hot Water

Says an inside bath, before breakfast helps us look and feel clean, sweet, fresh.

Sparking and vivacious — merry bright, alert—a good, clear skin and a natural, rosy, healthy complexion are assurred only by pure blood. If only every man and woman could be induced to adopt the morning inside bath, what a gratifying change would take place. Instead of the thousands of sickly, anaemic-looking men, women and girls, with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," rundowns," brain fags" and pessimists we should see a verile, optimistic throng of rosy-cheeked people everywhere.

An inside bath is had by drinking each morning before breakfast, a glass of real hot water with a teasponful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, before putting more food into the stomach.

Those subject to sick headache, biliousness, nasty breath, rheumaism colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate a the drug store which will cost but a trifle but is sufficient to demonstrate the quick and remarkable change in both health and appearance, awangiting those who practice internal sanitation.

Mother! Give Child "Syrup of Figs" If Tongue is Coated

IF CROSS FEVERISH SICK, BILIOUS, CLEAN LITTLE LIVER AND BOWELS.

Children love this "fruit laxative", and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty its bowels, and the result is they become tightly clogged with waste, liver gets sluggish, stomach sours, then your little one becomes cross, half sick, feverish, don't sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.

::A thorough pill.—To clear the stomach and bowels of impurities and irritants is necessary when their action is irregular. The pills that will do this work thoroughly are Parmelee's Vegetable Pills, which are mild in action but mighty in results. They purge painlessly and effectively, and work a permanent cure. They can be used without fear by the most delicately constituted, as there are no painful effects preceeding their gentle operation.

Acidity of Stomach, Indigestion or Gas

Eat one Tablet! Get instance relief by taking Pape's Diapepsin.

When meals don't fit and you belch gas, acids and undigested food. When you feel lumps of distress in stomach, pain, flatuence, heatburn or headache. Here is instant relief—No waiting!

Just as soon as you eat a tablet of Pape's Diapepsin all the dyspepsia, indigestion and stomach distress ends. These pleasant, harmless tablets of Pape's Dispepsin never fail to make sick, upset stomachs feel fine at once, and they cost so little at drugstres.

::Only the uninformed endure the agony of corns. The knowing ones apply Holloway's Corn Cure and get relief.
