

Auto Accident Case In Supreme Court

Mr. Justice M. R. MacGilligan sitting without a jury, yesterday heard the evidence in the case of Beverly D. Clow of North Wilkes, plaintiff, vs. Arthur Bowness of Magnfield, defendant.

The plaintiffs claim for \$3,500 damages for loss of his truck and \$800 damages for loss of its use as a result of an accident at the St. Dunstan's hollow on the Malpeque Road Sunday night the 21st of November, 1948, in which the plaintiffs truck proceeding to the north of the defendant's truck crashed into the back of the defendant's truck which was parked while the defendant examined the machine which had stalled.

The defendant Bowness counter-claims for \$1,340.75 for repairs to his truck, medical and hospital expenses and for personal injuries to his head and neck and to his right arm and hand in the accident, that of S. H. Burhoe.

Mr. Lester O'Donnell, counsel for the plaintiff called as witnesses, Ronald MacDonald of Millport who drove past the parked truck shortly before the accident and stopped at the scene on his return from the city; Everett D. Clow, the plaintiff and his passenger, the defendant, Kent and Leslie Mulgrew as well as Charles Russell who helped to dismantle the truck for the scene.

Mr. M. Alban Farmer, counsel for the defendant, called William Evans, West Royalty who passed just as Bowness was getting out of his truck, Arthur Bowness, the defendant, Robert Howes and George Semers of Freetown who was passed by the plaintiff just before the accident.

Conflicting evidence was given as to the speed of the plaintiffs truck as it was in the light of the defendant. The case was adjourned until the morning at 10.30 for argument.

A SHOT OF NA-CHURS liquid fertilizer at a side spray on potatoes, turnips, cucumbers, and other vegetables, will boost their growth tremendously. Not expensive. Livestock Feed Agency.

FUNERAL YESTERDAY—The funeral of Mrs. John B. Andrew was held from Central United Church, Dunstaffnage, yesterday afternoon. Service was conducted by Rev. Mr. McCallum. Pallbearers were Herbert Love, Neil Darrach, Arthur Robertson, Robert Howes, Scott Cairns, Edgar Heartz. Interment was in the church cemetery.

POLICE REPORT—Miscellaneous fines and costs for the month of June amounted to \$350.00, stated Chief of Police Council yesterday afternoon. There were two convictions for common assault, three for contributing to delinquency, six for drunk and disorderly, six for theft and two for vagrancy.

HEALTH REPORT—There were 21 pupils examined in rapid surveys, 121 home visits made and 101 children in day camps held, reported Dr. B. C. Keeping, Chief Health Officer, in his report for the month of June to the City Council last night. The number of births in the city totaled 116 and 111 deaths. There were 38 marriages and 24 deaths. There was one new male patient and no new female patients treated for V.D. during the month.

IN MAGISTRATE'S COURT—Five cases appeared before Magistrate Gilbert Gaudet at the court yesterday morning. A Malpeque resident charged with causing a disturbance in a public place was fined \$15.00 and costs of 20 days. A Charlottetown resident convicted for falling to stop at the scene of an accident was fined \$25.00 and costs of 30 days. Another Charlottetown resident charged with driving was sentenced to seven days. A man convicted of vagrancy had his sentence suspended for six months but could not return to the City within that time. The case of a man charged with rape was remanded for preliminary hearing until Wednesday morning, July 13.

SIR STAFFORD CRIPPS

Sir Stafford Cripps has announced in London that the government has ordered a halt in all new purchasing from the United States and Canada until at least mid-September in an effort to safeguard the country's diminishing gold and dollar reserves. He warned also that Britain might have to go through a further period of restraint and restriction. Sterling, he said, would not be devalued.

Election Of

(Continued from Page 1)

worth and Middlesex East, as well as in the Nova Scotia riding of Annapolis-Kings and in Regina City.

The recount in Ile-de-la-Madeleine gave Mr. Cannon a winning margin of 58 votes, instead of the 46 announced a week ago, over Pierre Sevigny, Independent Progressive Conservative candidate. Mr. Sevigny asked for the recount.

Officials conducting the Dorchester recount in Quebec City said they expected it would require two days.

In Middlesex East, the recount started yesterday at London, Ont. Judge Ian MacEneaney, presiding, County said it probably would take several days to recheck the more than 21,000 ballots.

OVER 40 PER CENT

(Continued from Page 1)

Board are coming in now with less delay. Mr. MacDonald states the financial situation is much improved.

Some difficulty still exists in procuring 56 lb. boxes. One carload is expected early this week from Digby, Nova Scotia. Another is on its way from Quebec for distribution from the station at Albany.

There is also the danger of a shortage in the Maritimes of the parchment paper used as box liners. A supply is on its way from Montreal but expressage will increase its cost.

With the extraordinary increase in production, and because butter is moving so slowly from the Province, storage of the surplus is becoming an increasing problem. At present, some 5,000 (56 lb.) boxes have been tendered to the Dairy Products Board. It is hoped that the storage problem will be relieved within a few days.

32 Boy Scouts

(Continued from Page 1)

The Scouts move into Moncton Thursday night and join the New Brunswick contingent of 220 and will sleep in railway cars on a siding there.

On Friday the group will leave for Ottawa on a special Scout train with Scouts from Nova Scotia and Newfoundland. Train facilities will include the Scouts' own driver and baggage car. They will arrive in Ottawa Saturday morning and pitch tents in preparation for participation in the extensive program of the jamboree with first class Scouts from all over Canada, 4,000 strong, in addition to two first class Scouts from each of the 48 states of the United States.

The jamboree will be held at Connaught, outside Ottawa, marking the 50th anniversary of the Scout movement in Canada. The group will return on July 25.

EMERGENCY

(Continued from Page 1)

fish dockers. On one hand, Government spokesmen urge in the strongest terms that to stay out is virtually treason to the country. On the other, the C. S. U. and spokesmen for the "lockout committee" tell the men that to quit the dispute now would be unshakable disloyalty to the whole principle of trade unionism.

"Of course it's not our quarrel, but it's a dispute between two trade unions and we're trade unionists," one dockerman—typical of many—told a reporter.

"It's up to the Canadian unions to sort it out but we should not be asked to work on ships until the dispute is settled. We're ready to work every ship in this port except these two Canadians."

He referred to the Beaverbees and the Argonaut—labelled "black" by the C.S.U. The Dock Labor Board has insisted that the stevedores must work all ships in port without discrimination. They have refused to hire any dock labor until this is done. But the "lockout committee"—the men claim the board's ultimatum amounts to a

Orange Parade At Hunter River Today

An Orange parade will be held at Hunter River early this afternoon, proceeding the short distance from the Hunter River Orange Hall to the tea-grouns where the "Glorious Twelfth" was celebrated last year.

Expecting a parade of some 300 representatives of the Grand Lodge of the L.O.B.A. and Grand Officers will include C. D. MacPhail, Meadbank, Grand Master of the Provincial Grand Orange Lodge of Prince Edward Island and G. Arthur Cadmore, Deputy Grand Master.

It is expected that addresses will be delivered by Rev. J. R. Skinner, Winsloe, Grand Chaplain of the Orange Association of British America, and Rev. Mr. Piercy, Milton.

MONTHLY MEETING

(Continued from Page 1)

Alexander Drive as soon as conditions permit.

There were numerous complaints received by the Council concerning the blowing of dust from sand patches on Connaught Square on children, and the presence of men drinking lotions and using obscene language in front of the children. It was thought important by the Council for water carts to keep these sand patches dampened, and difficult for the police to chase the "Shakos" off the Square unless they are caught open handed.

A complaint regarding black smoke and soot emitting from a dry cleaning establishment and entering nearby business institutions and homes was referred to the City Engineer.

Resolutions brought before the Council included the laying of concrete sidewalks on Brighton Avenue from Spring Park, Road to Ambrose Street, on Villa Street from Ambrose St. to Spring Park Road; on the north side of Kent St. between Edward and Fitzroy Streets, and the laying of a parking lot in front of Sterns Laundry on Hillsboro and Kent Streets.

Reports On Conference

Mayor MacDonald reported on the recent Mayor's Conference in Quebec on civic affairs, as it affects all cities in Canada. In referring to traffic problems he said it was estimated that a speed-up by the motorists in Montreal would save time and money for the City. He added that a speed-up of the motorists who drive 10 and 15 m.p.h. in Charlottetown would cut down on accidents and delays from the station at Albany.

In concluding his report the Mayor said: "In our travels and from Quebec, we have not seen a city or town as well looked after in any way as a city which sponsors the Federation from Victoria to Newfoundland. We heard the Prime Minister speak, and the Premier of Quebec. We know it costs a City which sponsors the Federation about \$5,000. We had sweet peas on our table, flown from Victoria as a goodwill gesture by that City. We met many Mayors and Aldermen from the U. S. A. and took advantage of sending them our Island literature through the Travel Bureau here.

"There was a special program each day for the women. It was decided to have a full time representation of the Federation office to Ottawa that is present. At present our head office is in Montreal because the Executive Director is a paid employee of that City.

"It is a known fact that the cities of Canada need a sound and constructive national policy and program and this can be presented to the Government so that it will be sympathetically understood and in time will receive the proper legislation to receive our share of the remuneration."

RIVERDALE-CHURCHILL W. I.

The regular monthly meeting of Riverdale-Churchill Women's Institute was held on Wednesday, June 1st at the home of Mrs. Gerald MacFadyen with an attendance of nine members and several visitors present.

The meeting opened in the usual way with the president presiding. Roll call was answered with an exchange of flower slips.

There was no report from school committee. A bill of \$12.00 was presented and paid. Correspondence was read by secretary. It was moved by Mrs. John Allan MacKinnon, seconded by Mrs. Gay MacLeod that we purchase two gallons of ice-cream to treat children at school closing. Two delegates were appointed, namely Mrs. Robbie MacKinnon and Mrs. Fred Buchanan. One new member joined.

A guessing contest was put on by Mrs. Fred Buchanan, first prize being won by Mrs. Duncan MacKinnon. A sing-song was then enjoyed, accompanied on the guitar by Mrs. Eugene McQuillan.

Next meeting to be held at the home of Mrs. Robbie MacKinnon, roll call to be answered with a dill. Meeting closed with the National Anthem, after which a dainty lunch was served by the hostess assisted by Miss Edythe MacKenzie.

lockout has repeatedly refused to do so despite Government charges that they are being made dupes of Communist agitators by siding with the C.S.U.

As troop transporters rumbled onto docks today, carrying servicemen to their posts shifting perishable cargoes, dock workers and C.S.U. pickets raised an ironical but good-natured cheer. There has been no sign of violence on any organized scale in this dispute, but on both sides there is iron-clad determination not to be the first to give in.

Almost 2,000 troops now are unloading the ships and more probably will be sent in.

Induction Of Rev. Mr. Ashford

Rev. Mr. Ashford

Before a large congregation in Trinity United Church last evening, Rev. H.E.D. Ashford, M.B.E., B.A., B.D., was inducted into the pastorate of the church.

Following the service, a reception was held in the social hall where the congregation was received by Rev. Dr. and Mrs. Roy Vessey, B.A., B.D., Murray Harbor.

Dr. Gingras described what is meant by paraplegia, a condition which prior to World War II, was followed by death within three months, and quite often within two weeks. The injury to the spinal cord deprives the victim of all control below the injury and even the sensation of pain is lost which further complicates matters. Persons suffering from this injury are usually suffering from a broken or broken a bone.

Rehabilitation Problems To rehabilitate these people attention must be given not only to their physical condition, but also to their education, finances, social background, psychological condition, and personal aptitude. In the Centre conference an individual expert in all these matters and the patient called in also and made fully aware of the possibilities open to him.

Rehabilitation, the preparation of the patient to fit and find a place where he can perform a useful task, is the key to the program. It has already proved itself to be a practical and many persons who were formerly doomed to dependence are now independent, earning their own living, driving cars, overcoming their handicaps in an almost miraculous manner.

Guests yesterday included Rotarians J. Gordon Armitage, Sherbrooke, Que.; Rev. E. M. Aitken, Hamilton, Ont.; Dr. C. Barbain, Montreal; Mr. Robert Banks, North Bend, Oregon; Charles McDonald, Camrose, Alberta; Dr. John Argue, Ottawa. Others present were Messrs. A. E. Styles, Montreal; W. Skelton, Montreal; Rev. Edward Aitken, Saint John, N. B.; Roy C. MacLean, Souris; Lt. Col. F. B. Conrad, Dr. G. L. Smith, Grant Thompson, Charlottetown; Mr. C. E. Baver, Dr. Lockhart, Little Shelden, and Dr. W. Fisher, Malden, Mass.

Rotarians Norman Lowther and Frank Jelks were chairmen.

NORTH RIVER SCHOOL

Report for May and June: Grade X—Elaine MacPhail, Jessie Murray (equal).

Grade IX—L. Leith MacKinley; 2. Golden MacKinley. The following year he returned as a member of the College players in a play in the Charlottetown Theatre.

Last fall, the new minister led the "Cavalcade" team on a visit to the Island.

BONSHAW SCHOOL REPORT

Report of Bonshaw School for year: Grade X-1. Clair MacLeod; 2. Wanda MacNevin; 3. Barbara Stewart.

Grade VII-1. Betty Crosby; 2. Lorne Boyce; 3. Ernest Crosby.

Grade VI-1. Sheldon MacNevin; 2. Nellie MacNevin.

Grade IV (a)-1. Marylea Stewart; 2. Eltha MacNevin; 3. Beryl Buchanan.

Grade IV (b)-Rena Ferguson.

Grade III (a)-Barry MacPhee; 2. Freddie Curtis.

Grade III (b)-1. Billie MacRae; 2. Judy Crosby; 3. Dorothy Ferguson.

Grade I (a)-1. Margaret White; 2. Harvey Lee MacRae.

Grade I (b)-1. Reid MacPhee; 2. Sonny White.

Grade I (c)-Carol Ann MacManus.

Highest average in senior grades—Anne Stewart, 87.

The school closing was held on June 28 at Argyle Shore in the form of a picnic, when approximately 30 percent and visitors joined with the pupils for this occasion. All present were treated to ice cream by the teacher and the Women's Institute gave a treat of soft drinks.

Remembrances were given to those who came first in each grade for the year, by teacher Marie MacDonald.

Wanda MacNevin read an address and Mrs. Stewart presented the teacher with a purse of money.

Special mention and thanks are extended to Mr. T. Rogers and Mr. Fred Bertram for their kindness in making the picnic such a success.

Work Of Paraplegic Clinic Discussed

"It is of the utmost importance that we adopt modern and efficient methods of handling all paraplegic cases," said Dr. Gustav Gingras, director of the Paraplegics Centre, Queen Mary's Veteran Hospital, Montreal. He was addressing Rotarians at their luncheon yesterday.

Because of the advance of medicine and surgery, an increasing number of cripples are surviving, the expense of treatment and hospitalization is very great, and is borne either by the taxpayer, or by private and organized charity, Dr. Gingras explained. Unless adequate steps are taken to minimize this expense, it may well become an insupportable burden on the community.

The Paraplegics Centre in Montreal is endeavouring to show that military and civil invalids need not be permanently dependent, but with proper treatment and guidance, may become in many instances self supporting, and even once again enter the ranks of taxpayers.

Dr. Gingras described what is meant by paraplegia, a condition which prior to World War II, was followed by death within three months, and quite often within two weeks. The injury to the spinal cord deprives the victim of all control below the injury and even the sensation of pain is lost which further complicates matters. Persons suffering from this injury are usually suffering from a broken or broken a bone.

Rehabilitation Problems To rehabilitate these people attention must be given not only to their physical condition, but also to their education, finances, social background, psychological condition, and personal aptitude. In the Centre conference an individual expert in all these matters and the patient called in also and made fully aware of the possibilities open to him.

Rehabilitation, the preparation of the patient to fit and find a place where he can perform a useful task, is the key to the program. It has already proved itself to be a practical and many persons who were formerly doomed to dependence are now independent, earning their own living, driving cars, overcoming their handicaps in an almost miraculous manner.

Guests yesterday included Rotarians J. Gordon Armitage, Sherbrooke, Que.; Rev. E. M. Aitken, Hamilton, Ont.; Dr. C. Barbain, Montreal; Mr. Robert Banks, North Bend, Oregon; Charles McDonald, Camrose, Alberta; Dr. John Argue, Ottawa. Others present were Messrs. A. E. Styles, Montreal; W. Skelton, Montreal; Rev. R. T. HOLMAN Ltd. BOTH STORES SUMMERSIDE - CHARLOTTETOWN Will Close At 11 A. M. Wednesday, July 13

take her part and who held many regular and special meetings in her home. Two minutes silence was observed in memory of this faithful member, whose vacant chair will be hard to fill. A large attendance was recorded at this meeting and several visitors were present. Mrs. Harry Crosby invited the members to her home for July meeting. A delicious luncheon was served by Mrs. Willis and committee, and a very pleasant social time enjoyed by all.

OYSTER BED BRIDGE W. I. The regular monthly meeting of the Oyster Bed, Bridge Women's Institute met at the home of Mrs. Walter Ford on June 14, with the president in the chair. The meeting opened by repeating the Creed in unison. The roll call was responded to with eleven members present, after which the minutes were read, approved and signed.

The reports of the various committees were heard and it was decided to treat school children with chocolate dips, teacher to see about same. \$5.00 was given to cancer fund; treasurer reported \$63.23 on hand. \$5.50 was received from DeBlais Bros. for profit on flour. \$1.05 for the return of Ivory soap wrappers to the company; 35c collection; \$50.00 from the variety concert and selling of candy. The Institute would like to thank any who helped to make the concert a success.

Mrs. H. Carr was appointed a delegate to Charlottetown convention in place of Mrs. R. L. MacPherson. New business, canvass for cancer fund, was decided to remember the girls in our district with keepsake for taking part in concert.

Mrs. Gordon Carr kindly invited members to her home for July meeting, which is to be held on July 11 instead of regular night roll call to be answered by "My most embarrassing moment."

Meeting adjourned, after which a dainty luncheon was enjoyed by all.

INDIAN PENSIONS

New Horseshoe Club Opened

Inter-club matches with the Chestnut Street Horseshoe Club marked the opening of the new Victoria Horseshoe Club. The new club which is a one bed club is situated at 59 Victoria Street and is complete with a lighting system.

The club brings the total of Horseshoe Clubs in the City to four with each having some good shoe tossers participating in their tournaments.

The Victoria Club is ideally situated and will afford plenty of competition for all members.

SHINE WORTH MILLION BOUGHT FOR DOLLAR

ST. BONIFACE, Man., July 11 (CP)—Alexander Desautels of this city once gave \$1,000,000 away. He says it takes money to make money.

Now 84 years old, Mr. Desautels said in an interview that he discovered a vein of gold when he was prospecting with a former C.M.P. inspector on the shore of Lake Rice, in northern Manitoba.

"When we got to Winnipeg, the inspector asked me if I had points to work the claim or sell it. I told him I had no money to work it and offered the deed for 10 cents. The inspector gave me \$1 and we went to the bar and celebrated the deal. I had 75 cents left so I didn't lose anything," laughed Mr. Desautels.

His strike now is known as San Antonio Gold Mines and he figures he would have made \$1,000,000 if he could have developed the mine.

BIRTHS, MARRIAGES, DEATHS 50c Per Insertion

BIRTHS
