**For Bad Cough, Mix This Splendid Recipe, at Home**

You'll be pleasantly surprised when you make up this easily prepared mixture and try it for a distressing cough. It is no trouble to mix, and costs but a trifle, yet it can be depended upon to give quick relief.

Make a syrup by stirring 2 cups of granulated sugar and one cup of water for a few moments until dissolved. No cooking needed. (Or you can use corn syrup or liquid honey instead of sugar syrup.) Get a 2 1/2 ounce bottle of Pinex from any drugstore, put it into a 16 ounce bottle and fill it up with your syrup. The 16 ounces thus made gives you four times as much cough medicine for your money, and is a very effective relief for coughs. Keeps perfectly and tastes fine.

This splendid mixture soothes the irritated membranes, loosens the phlegm and helps to clear the air passages. Thus it makes breathing easy, and lets you get restful sleep. Pinex is a special compound of proven ingredients, in concentrated form, well known as a soothing agent for winter coughs. Money refunded if not pleased in every way.

This building is widely known as "Rose's Inn" and was purchased by Mr. Buell some time ago. A bulldozer was hitched to the building but did not have sufficient power to pull the building across the street. As the building was moved along the street it tore down part of a chestnut tree and pulled some electrical wires down as well.

At the home of Fred Matheson Mrs. MacLeod was presented with an electric toaster, by the C.G.T. girls. The Y.P.U. presented both Mr. and Mrs. MacLeod with an electric iron at the home of Frank Clay. **IN MEMORIAM**

**MRS. CATHERINE MacDONALD**

There passed peacefully away her eternal home July 4th, at the home of her son Dan MacDonald, Trescott Street, Quincy, Mass., one of the most esteemed and beloved residents of South Quince in the person of the late Mrs. Catherine MacDonald, affectionately known to many relatives and friends as "Grandma MacDonald."

The deceased, having attained the ripe age of 83 years had been in failing health for almost two years. However, her illness and the infirmities of age, did not prevent her from visiting her native Province. Just a year ago she motored to the Island where she had an extended visit with her daughter and son-in-law, Mr. and Mrs. Murdoch MacLeod, Hartsville.

The late Mrs. MacDonald was born at Valleyfield, Prince Edward Island, and was the daughter of the late Mr. and Mrs. Alexander MacPherson. After her marriage to the late Angus MacDonald, she lived at Upper Montague. Thirty years ago she moved with her family to Quincy, Mass., U. S. A. where she lived until her recent passing.

The late Mrs. MacDonald could be truly numbered among the great Christian mothers of the church. Her love and devotion to her family and her constant solicitude for their temporal and eternal needs rightly earned for her a sacred shrine in their memories, which shall remain as long as memory endures. However, her interests did not end with her immediate family, but went out as far as "humanities" need. She heartily supported to the extent of her ability, the furtherance of the gospel of her Lord and Saviour, Jesus Christ, realizing that only in Him, eternal life and blessing is found. The deceased was a faithful member of the United Presbyterian Church, Fort Square, Quincy, Mass. The many floral tributes bespoke of the high esteem in which she was held.

There are left to mourn her passing, five sons and two daughters, thirteen grand children and six great grand children. The sons are: Neil, Alexander, Dan, Miles and Angus, all of Quincy, Mass. The daughters are: Mary, Mrs. Murdoch MacLeod, Hartsville, P. E. Island and Margaret, Mrs. Laughlin MacPhee, Quincy, Mass. also one sister, Christine MacPherson, Boston, Mass.

The funeral service in Quincy, Mass., was held in the United Presbyterian Church, and was conducted by Dr. Johnstone. The remains were then forwarded to the
