

TUESDAY

ENJOYS CAR RIDE ON ICE.—Mr. John G. Arsenault, Cape Egmont, drove to Summerside in his car on Saturday, and yet did not violate the automobile law. Some remark, "It can't be done—how?" On the ice, of course. Since the roads have become somewhat heavy with snow, Mr. Arsenault has gotten into the habit of using the ice. He made the long drive to Summerside both Thursday and Saturday of this week. This gentleman is certainly enjoying his car to the full.

WEDDING BELLS.—A pretty wedding took place in St. Dunstan's Cathedral yesterday morning, when Miss Clara Proctor, daughter of Mr. and Mrs. Edmund Proctor, Water Street, became the wife of Mr. William Grimes of Southport. The ceremony was performed by Rev. Leo Herfell in the presence of immediate friends of the wedded couple. The bride was attired in a beautiful suit of blue with hat to correspond. The bridesmaid was Miss Hilda Lorie, who was prettily attired in a suit of purple. The groom was supported by Mr. Joseph Duffy. After the ceremony the wedding party drove to the bride's home, where a delightful breakfast was served to the happy couple.

After a few months illness which he bore with Christian patience and resignation to the Divine Will, Mr. Alexander Macdonald one of the oldest and most respected residents of Lorne Valley passed away on Thursday, February the 8th instant aged 84. Deceased was a native of Portree Isle of Skye, Scotland and emigrated to P. E. Island in the year 1868 at the age of twenty-six, settling at Lorne Valley where he engaged in farming. The late Mr. Macdonald enjoyed the respect and esteem of all who knew him and his death leaves a vacuum in the home circle and the community which cannot be filled.

S. O. T. VISIT.—On Tuesday evening February 13th ult., a public temperance meeting was held in Lower Freetown hall, the occasion being a fraternal visit of the members of Shamrock Division S. O. T. Kensington with Harmony Division, Freetown. The evening being fine with good roads the hall was well filled to the doors while excellent order prevailed. John N. Proffit W. P., occupied the chair. An enjoyable programme consisting of choruses, solos, readings and addresses made the evening one long to be remembered in Harmony Division room. The solos by Mr. T. W. Bentley of Kensington who appeared in fine voice was greatly appreciated and occasioned rapturous applause. The temperance address by Rev. Archdeacon Watson and Grand Scribe Proffit received splendid hearing. The readings which were well rendered received their full shares of the hearty accolades. Mrs. E. Urch, Kensington and Miss Hazel McIntyre, Kelvin were the accompanists for the evening. The following was the programme: Remarks by chairman, Chorus by the choir, Address Rev. Archdeacon Watson; Reading, Miss Jenny Bowness; Solo, T. W. Bentley; Reading, Miss Little Caseley; Chorus by the choir; Address, J. F. Proffit; Reading, Miss Laura Palmer; Solo, T. W. Proffit near by, where a bountiful repast was served by the ladies of the Division to the number of about sixty. After a while of social songs and music "Auld Lang Syne" brought to a close a well spent evening.

HORSE RACES.—The races at Bonshaw on Saturday afternoon owing to a like event on Clyde River ice, did not have many entries. Two horses made their appearances, "Nellie," owned by Bonshaw's General Store, and "Little Sueok II," owned by Mr. Daniel McPhail, Bonshaw. The race was won by "Nellie" in good time in three straight heats. Mr. McPhail was at a disadvantage owing to his speed sleigh being undergoing repairs. He expects to have his regular trotting outfit in readiness for the next race, which will take place on Wednesday afternoon the 21st inst, and will make things lively for all collers.

PRETTY WEDDING AT KNUTSFORD.—On Feb. 13th a very pretty wedding took place at the residence of Mr. and Mrs. William J. Harris, Knutsford when their daughter, Elizabeth Olive and Mr. Joseph Bradley Superintendent of Mines at Red Mill, Quebec, were united in marriage; Rev. H. G. Mellick, B. D., officiated. A large number of relatives and friends were present to witness the impressive ceremony. The bride looked very pretty dressed in a gown of cream satin with bridal veil and orange blossoms. BANK APPOINTMENT.—The St. John Globe says that Mr. J. A. McLeod, chief superintendent of branches of the Bank of Nova Scotia, has been appointed as assistant general manager of that institution, in succession to Mr. Daniel Waters, who is retiring after a long period of most valued services. Mr. Waters, who is a native of Middlesex county, has been connected with the Bank of Nova Scotia in all for 37 years. Mr. McLeod hails from P. E. Island. His association with the bank has been one of steady progress. He entered the service at the branch at Summerside, P. E. Island, over 30 years ago as a junior clerk. Much of his later banking experience was gained in the United States. At intervals he was manager of the branches at Boston and Chicago. He was also manager of the branches at St. John's, Nfld., and Havana, Cuba. Mr. McLeod has been connected with the head office for the past five years.

The very sad news of the death of Mrs. John D. Stewart—nee Miss Hilda Stewart—was received by telegram to Mr. Harry Stewart, of the Dominion Savings Bank Department in this City. It was the fatal result of an operation for goitre, undergone at Winnipeg, where her husband is now in training for Army Service overseas. The deceased lady was the only daughter of the late Mr. and Mrs. W. H. Stewart, of Brighton. A few years ago she left here, the picture of health. She leaves, besides her bereaved husband, an infant daughter but eight months old, whom she left with Mr. and Mrs. George Stewart of Canmore, in Alberta; five brothers including Messrs Scott, Harry George, Reginald, and Rowan Stewart and a very large number of relatives and friends resident here and in other parts of Canada.

VALENTINE TEA.—Three very pleasant hours was spent at "Hillside Cottage" the home of Mr. and Mrs. Joseph Bagnall, Hazel Grove, on Wednesday afternoon, when their daughter Mary, wishing to do something to help the Prisoner of War Fund gave a Valentine Tea from three to six. Assisting Miss Bagnall in the tea room were: Mrs. Warren of New Glasgow; Mrs. Wray, formerly Miss Josie Bagnall and Mrs. Mutart of Cape Traverse. Quite a number from Hunter River, Fredericton and other places dropped in during the afternoon and partook of the dainty tea. Music was supplied in the drawing room by Mrs. Rogerson and Miss Mary McGilgan. Many pieces of silver aggregating a nice sum were dropped into the Valentine Box. It is understood that Mrs. Wray intends giving a St. Patrick's Tea on the 17th of March and it is hoped it may be as successful as the Valentine Tea was.

WEDNESDAY RACES POSTPONED.—Owing to the stormy weather, the races scheduled to take place today, will take place at a later date to be decided this evening.—The Green race, which was the card promises to be a very interesting contest, a great many new courses being worked out daily on the course in preparation. The named race will likely have as starters, Mith Miller 2.20 Miss Alcione, 2.18 1/2, Lillian Patchen 2.20 1/2 The Abegweit 2.19 1/2 Derby 2.29 1/2, and any others wishing to compete. FRAUDULENT.—Certain persons who have represented themselves as Agents for the Canadian Subscription Company have been soliciting the public in different parts of Canada for subscriptions to newspapers, magazines, and periodicals, sometimes at greatly reduced rates. The chief operator of this fraudulent scheme was known as R. H. Reede and the Post Office Department have lately obtained evidence that the same kind of a fraud is being revived and a note of warning has been issued to put the public on their guard so that on being approached by any subscription agent full enquiries may be made as to his reliability.

CHANGES IN AGRICULTURAL DEPARTMENT.—It is understood that Professor W. R. Reek has been offered and has accepted an important appointment in the Ontario Department of Agriculture and has tendered his resignation here as Director of Agricultural Instruction to take effect March 1st. Mr. Reek will be succeeded here by Professor W. J. Reid, heretofore District Representative for Prince County, and Animal Husbandman for the province. Professor Reid will be succeeded in Prince County by Professor J. L. Tennant, of the Department of Agriculture. All these appointments are to date from March 1st.

SERIOUS ACCIDENT.—Mr. James Dingwell, Fortune, was the victim of a very serious and painful accident a few days ago. He and his wife were driving to Mrs. Webster's with a spirited horse when something happened to the harness. Mr. Dingwell got out of the sleigh to see it righted when the animal by some means knocked him down and then to add to his injuries tramped on him. He is now suffering with a badly fractured hip and as he is well advanced in years, such a severe injury is almost incurable. His wife, an elderly lady who was with him at the time fortunately escaped injury. Much sympathy is felt for Mr. Dingwell by his many friends.

PAINFUL ACCIDENT.—Another most painful accident also happened a few days ago in Fortune when Mr. Daniel Burke had his leg broken by a kick, he fell under the horse's feet and was badly tramped before he managed to crawl away from the seemingly infuriated animal. His wife—the only one at home—on hearing the commotion immediately ran to the stable and was greatly shocked to find her husband so seriously injured. With great difficulty she managed to get him into the house. As she was alone with the suffering man, medical aid could not be summoned till the next day. It is sincerely hoped his severe injuries may not prove fatal.

P. E. ISLAND FOX BREEDERS ASSOCIATION.—The annual meeting of this association was summoned for yesterday afternoon in the Board of Trade Room. Mr. E. R. Brow, president, presided. As it was considered desirable to have the report of the Fur Sales Board in the hands of members before transacting ordinary business, it was agreed to adjourn the meeting to a date to be fixed by the president. As soon as Mr. McLure returns from the United States, the report of the Fur Board will be prepared for submission to the members. A letter was read from Mr. McLure to the president. His message to the breeders was "Keep patient, we are going to come out all right in the end. We will get good prices for good skins." He stated that he had already turned down offers of \$1,000 each for some of the pelts. He sold one pair for \$1,650 at St. Louis. Between 200 and 300 pelts were sold in all and Mr. McLure has forwarded between \$7,000 and \$8,000 to be distributed among members of the Board. The market has been a little unsettled since the breaking off of diplomatic relations with Germany, but it is steady again. Mr. McLure said that the impression had gone abroad in New York that he was bringing 500 skins, and this had a tendency to make buyers expect low prices, but once the facts were made known, then the situation improved considerably. After a brief discussion on the need of amalgamating the Fur Sales Board and the Association, also on registration, taxation, etc., the meeting adjourned to be held again at the call of the chair. At the next meeting it is expected that the report of the Fur Sales Board will be available.

A SHORT TRIP.—Mr. H. E. Raines, representing Campbell's Flour and Mills, Toronto, arrived in this city from the mainland yesterday at 5.25 p. m., transacted quite a considerable amount of business and left at 8.30 for Georgetown on return to the mainland.

The funeral of the late Mrs. Brooks beloved wife of Mr. John Brooks of Poplar Grove, P. E. I., took place on the 28th ult., and was largely attended. The funeral service at the Methodist Church, Bideford, were conducted by Rev. H. S. Young and interment was made in the cemetery at that place. Mrs. Brooks was a daughter of the late Wm. Faugh of East Bideford. She was twenty-six years of age.

At Ellerslie, Jan. 17th, 1917, Mrs. Ellsworth Gillis aged 38 years departed this life after a lingering illness, during which she was a great sufferer. Some time ago she underwent an operation at the Prince Co. Hospital. The operation was successful and she was apparently on the way to recovery but after returning to her home at Ellerslie her health failed and finally the end came. The funeral took place on Jan. 19th, burial at the Methodist Cemetery, Bideford.

GIFT APPRECIATED.—Mrs. Michael Burke of Georgetown recently received a letter from her husband, Private Burke of the 105th Regiment in which the writer desired through the medium of the Guardian to thank the ladies of the Georgetown Red Cross Society for a nice Christmas box he received from them containing many comforts much appreciated by the boys so far from home. Mr. Burke and the other members of the 105th with whom he is stationed are enjoying good health and are delighted with the part of the country in which they are quartered. "G."

60th ANNIVERSARY.—Mr. and Mrs. John Foley, Kildare, celebrated the 60th anniversary of their marriage on the 15th inst. The event was made the occasion of the assembling of many friends at the home of the happy couple to felicitate them upon the occasion. A presentation of gold pieces accompanied by a happily worded address was made to the happy couple. Mr. Foley, who has passed the four score and ten milestone on life's highway, is one of the pioneers of the district and strongest among all of the many features in his life, the following is certainly worthy of remark, he never signed a note of hand and never paid one cent of interest.

The guests were received by Mr. and Mrs. MacLeod in a very kind and genial manner. The early evening was spent in games and music; Mrs. L. R. Ings acted as organist and Mr. Milton Furness sang several songs in his own capable and efficient manner. A sumptuous repast was prepared in a manner excelling even the former efforts of the Orwell ladies. After supper a number of the guests indulged in a social dance till two o'clock when all left for their homes feeling that it was an evening well spent. Mr. MacLeod received much praise for having opened his house for the social and having been so pains-taking with all present. The sum of thirty dollars was collected at the various tables and a donation of five dollars sent by Mrs. John S. MacLeod, Uigs, was heartily received.

GOING TO ENGLAND.—Mr. J. D. Taylor has returned from St. John where he went to see his son, Mr. Reginald Taylor before sailing for England. He, however, secured his prisoner before reaching Kensington, where engaging a team he drove back to town and lodged his man in jail, it being still in the early hours of the morning. The citizens have every confidence in Chief Oakes as an official.—H.

MacIntyre, the bride who is one of Albany's most popular young ladies, was the recipient of many valuable gifts. SUCCESSFUL CONCERT.—The concert and pie social held in Orwell Cove Hall on Thursday night proved a grand success. Although the spacious hall was crowded to its utmost capacity the best of order prevailed throughout and every number was greeted with hearty and well-merited applause. The concert was given solely by the school under the skilful training of Miss Margaret Cavanagh, teacher, and Mrs. L. R. Ings. So well was every number staged that it would be doing a gross injustice to particularize as even the "wee tots" conducted themselves in a manner worthy of "grown ups." After the concert was over Mr. James Morrissey in a clever and well worded speech tendered the vote of thanks of the school district to the ladies who took such great pains in training the scholars to perform their various acts. The chair was very capably filled by Mrs. L. R. Ings. The pies were auctioned by Mr. Milton Furness, in a manner deserving of much credit. A considerable sum was realized which will be used in the best interests of all concerned. The program was as follows:—Chorus, by the school; recitation, by Irene McLeod; dialogue, by Florence McDonald and Borden Ings; recitation, Annie McDonald; solo, Irene McLeod; dialogue, Stanwood McLeod and Johnnie Morrissey; recitation, Walter McLeod; recitation, Hazen Ings; solo and chorus; harmonica selection; drill; intermission; sale of home-made candy; children's drill, Jack Frost; dialogue, "Scene in the Backwood"; school recitation, John McDonald; duet, Florence and Vernon Ings; recitation, Marion Ings; dialogue, "Taking the Census"; solo, by Stanwood McLeod; harmonica selections; recitation, Angus Nicholson; dialogue, by Annie McDonald and Elmer McPherson; chorus, by the school; good-night drill.

EXPERT CABALLERIE.—One of the finest exhibitions of skill in handling a fractious horse was furnished by Miss Mae Mill, of Springfield, on last Wednesday evening after the finish of the races on Long River ice. The crowd were getting to their homes quickly after the races were over. Miss Mill had her friend, Miss Lawless, of Graham's Road, in the rig with her. In rounding Fitzsimmons' Point, Miss Mill's horse was touched on the hocks by the sleigh and started to run away. It looked to the spectators like the beginning of a bad accident, but Miss Mill's nerve never faltered. Standing up in the sleigh, she used the whip freely and headed the horse for the uplands, and soon had him under control. The spectators breathed a sigh of relief when they saw that the danger was passed, and marvelled at the dexterity and nerve displayed by the young lady.—K

Just Home
and tired after the day's work. That cup of KING COLE TEA, ready and waiting, will refresh as nothing else can quite do. In its warm, generous glow, weariness will be forgotten.
KING COLE TEA
"You'll like the flavor."

It is the Flavour that counts
You know, yourself, that 95% of what you buy to eat, is purchased rather for the flavour than its food value. In other words, we eat what we enjoy, and usually eat only what pleases our palate. There is nothing inviting or appetizing about a loaf of bread made of western spring wheat flour, with its coarse texture, and lack of flavour. But when the bread and rolls and biscuits are made of **BEAVER FLOUR** MILLED OF BLENDED WHEAT Ah! that's another story altogether. While the food value of Bread, made of "Beaver" Flour is not to be belittled, it is the delightful flavour, the delicious nutlike "homey" taste, the fine, even texture, the creamy lightness, that make homemade "Beaver" Flour Bread such a treat for young and old alike. And when it comes to things like Apple and Mince Pies—Chocolate or Layer Cake—or a batch of Cookies or Gingerbread for the children—well—just try "Beaver" Flour once, that's all—and you'll see and taste the difference. "Beaver" Flour is a blend of the famous Ontario winter wheat and enough western spring wheat to give it strength. It has the flavour of the one and the strength of the other, and being milled of scientifically blended wheat, it is always the same in flavour, in quality and strength. Why miss so many of these good things, by using western wheat flour? Order a sack of "Beaver" Flour, at your dealer's, and begin to enjoy the delicious bread and pastry it makes.
