

Just a Tilt of the Pail

Women don't mind filling the knee-high supply can of the new Suction-feed. Only a few inches to lift. No straining of back or arms.

THE NEW SHARPLES SUCTION-FEED

Separate gets all the cream all the time. Any other separator will give cream when the speed slackens. You can't always turn at exactly the right speed. No one can. It's impossible. Speed indicator or no speed indicator. The Suction-feed skims clean, fast or slow, and delivers even cream. Capacity increases with the speed. Come in and let us show you how it works.

Commodore Ledyard No. 34709

ENROLLMENT No. 11
Will make the season 1918 at the owner's stable, Montague, Terms: Five dollars a time of first service and ten dollars additional when mare proves in foal. Commodore Ledyard foaled in 1901 was sired by Admiral Dewey the son of Bingen and Nancy Hanks. Commodore's dam was Lady Etheby by Jackdaw. Hence, it will be seen that no horse stands higher in point of breeding. As a sire, he stands without peer in the Maritime Provinces. In fact he has produced more race horses than all the other stallions confined standing for service today on P. E. Island. He is the sire of Bob Mac, 2134, Hilda S., 216, Orwell Belle, 219, Iona Girl 2175, Rexwell 2174, and 19 others in the 230 list, besides a host of others that have trotted in better time than standard time but were successful in having their time suppressed. Commodore is now 17 years old and was never in such good condition as at the present time. He is at the age at which all great sires have transmitted their greatest number of trotters, as it is an unquestionable fact that our greatest sires beget more speed between 15 years and 22 years than they do before that age. Anyone owning a like mare that wishes to get a colt with speed or a superb driver will run less risk of failure by breeding to Commodore than in using those unproved sires that owe their reputation to their owner's ability as boosters.

Colonel McCrae: full well we know, In Flanders fields red poppies grow. Rest you; and feel that those at home, Have thrown their hearts across the foam, We—just as you—would beat the foe. Tho' you are gone, your nation hears Your words my Colonel, have no fears, Rest you; and well, in bed of clay, Our John McCrae.

To arms; to arms; Your words are right.

We shall remember; and the light Has never—never, been dimmed yet. Ours is a race who won't forget Our valiant dead, so sleep—good night. Colonel McCrae, FRED H. CHAMPLING, Halifax Club.
