Y. M. C. A. SERVICE OF SONG

About 600 people attended this service last night in the Baptist Church. Adjutant Martin of the Salvation Army was the speaker of the evening and gave a very inspiring and responsive address from the text "What shall I do to be saved?" Mr. Walter Mutch was the chairman for the occasion, and Mr. Roy Webster read the scripture lesson. Messrs. Roy, Quigley and Leigh Dingwell rendered the pleasing duet "Watchman, what of the night?" They were accompanied by Miss Roberta Spencer, Miss Margaret Bentford presided at the organ for the congregational singing, which was assisted by a choir of young people. The next service will be held in the Central Christian Church.

AGED PRELATE

(Continued from page 1)

education at St. Dunstan's College and at the Montreal Seminary, completing his theological course at the latter institution. He was ordained in Montreal on May 1, 1870, and for some time was curate of St. Patrick's Montreal. Subsequently he was pastor at St. Andrews, St. Peter's, East Point, Indian River and Free-town, this Province. He visited Rome during his career and was named Roman Prelate by Pope Leo XII.

The late Monsignor Gillis was keenly interested in the temperance movement and was one of the pioneer workers in this field. His genial disposition, sympathetic understanding and persuasive powers were exerted to convince men of the evils of strong drink and there were many who attributed to his influence their success in combating temptation.

Monsignor Gillis had many anecdotes of the early days in Prince Edward Island. He was a theological student when the Confederation Fathers met in Charlottetown and his recollection of the leaders in politics, religion and social welfare in those days was keen and vivid.

Monsignor Gillis is survived by one sister, Miss Catherine Gillis of Miscouche, Rev. Joseph Gillis of Burlington, Vt., and Dr. E. G. Gillis of Kensington are nephews of the deceased. Monsignor Gillis resided with the latter since retiring more than a year ago.

The funeral will be held on Wednesday from Indian River.

IN MEMORIAM

In loving memory of our dear mother, Mrs. Thomas Yeo, who departed this life two years ago, March 10, 1929.

Before our eyes she faded,
 Growing weaker every day,
 Doing all we could to save her,
 Until God took her away.
 Never shall we cease to love her,
 Never shall her memory fade,
 Sweetest love forever lingers
 Around her sweet and peaceful grave.

Inserted by the family.

IN MEMORIAM

In loving memory of our dear mother, Mrs. Thomas Yeo. Died March 16, 1929.

In our hearts your memory lingers:
 Sweetly, tender, fond and true,
 There is not a day dear mother
 That we do not think of you.
 Off and off our hearts do wander
 To a grave not far from here,
 Where we laid our darling mother
 Just two years ago today.

Sadly missed but lovingly remembered by her daughters. 3946-3-16

IN MEMORIAM

To the memory of a kind and loving husband and father, Mr. James Burns, who died at Malpeque, P.E.I., March 16th, 1930.

And it's oh, for the touch of a vanished hand,
 And the sound of a voice that is silent.

Inserted by Wife and Family.

3939-3-16-11.

IN MEMORIAM

ST. PATRICK'S DAY PARADE

Tuesday being Saint Patrick's Day the Benevolent Irish Society will celebrate their one hundred and sixth anniversary, founded in the year 1825 by one of the largest parades in the history of the Society. The steady increase of membership in the last ten months has been one of the outstanding events. All the members both young and old are requested to take part in this parade and to be at their hall on Richmond Street not later than 9 o'clock a. m. to receive regalia and hats, badges and instructions concerning the parade. The City Council has kindly consented to the put the line of march in better condition. The formation of the parade will be as follows: Standard bearer, Union Jack, Chief Marshal, League of the Cross Band, Younger members of the Society, Legion Band, older members, visiting branches, executive and honorary members, assistant marshalls and standard bearers will take their places in the line of march also.

Weather conditions being favorable the route will be as follows. From the hall on Richmond to Queen, to Water, to Great George to Basilica, where a High Mass will be celebrated and a sermon preached for the occasion. After the services the parade will form up on Great George Street, thence to Water, along Water to Hillsboro along Hillsborough to Grafton, along Grafton to Queen. Along Queen to Richmond to the Hall where all members will meet in session.

On the evenings of the 16th and 17th the big hit of the season, "My Irish Cinderella" Broadway production will be staged at the Prince Edward Theatre by J. Austin Trainor, one of our foremost local dramatists. This play is under the distinguished patronage of the Lieutenant Governor, Sir Charles Dalton and Mrs. Dalton; His Worship Mayor Prowse, and His Worship All Theatre goers are assured of a good night's entertainment.

DEATHS

CONBOY—Suddenly at Arelis, Sask. on March 9, 1930, Mrs. Boyd Conboy, (nee Hilda Leard, of Alberta) aged 35 years.

GILLIS—At Kensington, Saturday evening, March 14, Monsignor Daniel J. Gillis. Remains will be taken from the home of Dr. D. E. Gillis, Kensington to Saint Mary's Church, Indian River, Monday afternoon at 2:30 o'clock. Interment will be at Indian River Wednesday morning at 11 o'clock. Members of the clergy arriving at Kensington from the east at 9 o'clock and from the west at 11:10 will be conveyed to Indian River Church by teams.

BENNETT

number of man-days work being 1,590,000. The number of persons given direct relief up to February 28th was 17,000.

NO REPORT ON QUEBEC

"In Quebec work is being carried on under the Unemployment Relief in over one thousand municipalities but the provincial authorities have not yet found themselves able to prepare a representative report showing the number of men who have been given work as a result of the Act. Reports from 62 of the municipalities show that to February 28th 39,395 individuals who were given employment amounting to 385,518 man-days. In addition 287 families and 4,392 individuals were given direct relief.

"The figures for New Brunswick show a total of men employed to February 28th of 24,041, who were given employment to the extent of 161,179 days. No direct relief has yet been given in the Province of New Brunswick.

"In Prince Edward Island 1,143 individuals had been employed up to February 28th a total of 8,399 man-days work having been given. Up to February 28th, 275 individuals had been given direct relief.

"Nova Scotia reports that 30,462 individuals were given work for 403,260 man days. The number of families receiving direct relief up to the end of February was 2,331.

RAILWAYS HELP

"The Canadian Pacific Railway Co reports that work done as a result of the agreement under the unemployment relief act by which the railway company advanced the date of carrying out certain works, so that unemployment might be relieved, has resulted in 4,845 individuals being given employment up to February 28th. These men were given a total of 138,166 man-days work.

"The Canadian National Railways reports that work done as a result of the agreement under the unemployment relief act has resulted in 3,180 individuals being given employment up to February 28th. 75,522 man-days work having been given."

All were unanimously in favor of railway accommodation in this important section of country.

It was shown by the speaker that in the now greatly increasing production of bulky farm products such as potatoes, and the long distances to local centres make it almost impossible that farm products can be handled by team work, it being in

SKATING TONIGHT—BAND. 3953-3-16

EMPHASIZED INCREASED PRODUCTION

Without Increased Acreage — Messrs. J. W. Boulter and S. G. Peppin Address Meeting.

Mr. J. W. Boulter and Mr. S. G. Peppin attended two farmers meetings Wednesday, one at Fortune in the afternoon, the other at Elmira in the evening. At Fortune, there was no room in the hall to accommodate the crowd, while the meeting at Elmira was also largely attended. Mr. Peppin was the first speaker at each meeting. He emphasized the benefit of increased yield which could be obtained only through the greatest care in selection of seed, cultivation, spraying, and care in harvest. He described minutely the common virus diseases which attack the growing plant, and gave definite instructions as to how these diseases could be recognized in the plant and the methods of elimination. He strongly advocated the use of seed plots, using the tuber union method.

Mr. Boulter, in his address dealt with the necessity of reducing the costs of production, as the value for all farm products has decreased greatly during the past year. The farmer in order to finance himself must make use of every possible means at his disposal to reduce his production cost. The speaker emphasized increased production, without increasing the acreage. He dealt specifically with the great waste from which the farmer suffers because of the inferior seed used. The analysis of seed sown shows that the great majority of farmers make no attempt to improve their seed. It was pointed out that the farmer could effect a tremendous saving in the purchase of his fertilizer by using chemicals rather than mixed fertilizer; as an illustration, he would pay twenty-five dollars less by purchasing the same amount of plant food in chemicals as he would get in five tons of a 3-8-7 mixed fertilizer. He would haul a ton less material from the station than he would haul if he used a mixed fertilizer. This extra twenty-five dollars saved at the beginning of the operation, means considerable in the marketing of the crop being made at the low price now prevailing.

Mr. Boulter further explained to the meeting the effect of the Cuban tariff on our market, and gave the figures regarding the proposed planting for the United States for 1931, which are considerably larger than for 1930, and if only the normal yield is obtained would give a total of more than four hundred million bushels, which practically closed the United States market against Canadian potatoes except those used for seed.

many instances upwards of 15 miles to the nearest centre. This places producers at a great disadvantage as marketing can not be completed in reasonable time, being in fact an almost impossible task.

Petitions have been framed and are now being placed in the hands of canvassers in each school district of the named sections for signature. The following resolution was passed: Whereas a petition has been drawn for signatures of the electors of Murray Harbor North, Gaspeaux, Sturgeon, Cambridge, Peters Road, Alliston, Glen William, Caledonia, Glen Martin, Brooklyn, Milltown, St. Mary's Road, Albion and adjacent sections in this thriving area of Kings County, praying for the construction of a branch line of railway to intersect the said districts.

"Therefore resolved that this meeting held in Cambridge Hall on March 10, 1931, does emphatically endorse such action as contained in said petition, and would respectfully urge that our Federal Government at Ottawa proceed with this work at the earliest possible date.

"Further resolved that our representative, Hon. J. A. MacDonald, with the aid of Hon. Senators Hughes and McLean be requested to bring this matter before the Government at the coming session and use his influence as a member of the Cabinet with them to give special prominence to this most important work.

WEST KENT 2 S' SIDE HIGH 1

West Kent pucksters defeated the Summerside High School sextet 2 to 1 in a fast, clean game Saturday morning at the Forum.

The first period went scoreless, but was nevertheless crammed with fast and brilliant hockey, with both goals working like big leaguers to save. The deadlock was broken in the second session, when Jimmy Rattenbury got in a wicked shot from inside the blue line. The Summerside goalie made a good hand stop, but fumbled the disc, which fell to the ice and was quickly pounced upon by Currie, who shoved it home. This count was registered four minutes before the bell. The Western boys, undaunted and determined, evened the count half a minute from the face-off, Steele, fast forward, counting on Brown on a pass-out from Gay.

The third period was hard fought and anybody's from bell to bell. West Kent made their winning goal one minute from the face-off. Stewart doing the trick, the disc glancing off Steele's stick and ricocheting into the net to the surprise of Rogers.

For the remainder of the game, both teams worked like Trojans, but failed to register. The local forwards had considerable edge on the visitors, who in turn possess one of the best school back lines on the Island. kitchen had been wrecked.

SIX CONVICTS WOUNDED IN PRISON RIOT

(Canadian Press)

JOLIET, Ill., Mar. 14—Four convicts were wounded, two seriously, and one guard suffered a broken arm in a riot at the seventy-five-year old State Penitentiary at noon today. Prison guards quelled the mutiny after the dining room and best school back lines on the Island.

(BY "TEC")

AMHERST MAY NOT COME

Local hockey moguls who have been trying to arrange an exhibition game here between Amherst Ramblers, P. E. I.-N.B. hockey champions and the Abegweits, announced last night that their efforts to date have been in vain, as the Nova Scotians intend to disband after their banquet in Amherst tonight. However, another effort will be made today to book the Ramblers for Wednesday or Friday night. Should a satisfactory answer be received, local fans may expect a game par excellence.

"Y" HOOPSTERS OFF AGAIN

The Y.M.C.A. basketball team, who have already been turned back twice by "King Winter" will make another attempt today to reach New Brunswick soil, the land of the Mount Allison basketball team. If they make the grade this time, the locals will hook up with the University quintette tonight in a game which has every promise of being a thriller. The following players are making the trip—Glen Partridge, "Tiny" Mathieson, Alex Mathieson, Dick Filiter, Gordon Toombs, Bill Henry, Walter Goss.
