"I didn't know I needed an Elevator until I saw this Book."

THAT'S what a merchant said in our office recently. We had just sold him an Elevator for use in his small, but growing factory in a little town in Western Ontario. He is enthusiastic over the economy he has been enabled to effect through the installation of a small hand-power Elevator costing but \$70.00. He has discovered the secret of efficiency in handling goods and filling orders. He has learned how to cut out unprofitable methods and reduce the cost of labor by eliminating waste time and needless effort.

Perhaps you may find in this Book the solution of your most difficult problem. Isn't it worth writing for?

## IN MEMORIAM

MR. JAMES GORDON MURCH

Died at P.E.I. Hospital, April 10, 1914, of appendicitis, James Gordon Murch, aged 29 years, son of David Murch, Mount Herbert. He was a loving and devoted husband, kind and sympathetic to all, had only been married three years, and prospects were bright before him, when sickness came, but he was ready for the great change that awaited him, saying to Rev. E. Bell, who visited him a short time before he passed away, "I'm going Home!" Our brother leaves to mourn a widow (nee Mammie E. Prowse Blackley Point Road) father, brother Leslie at home. Sisters, Mrs. W. H. McDonald, Johnston River, and Mrs. Frank Stewart, Charlottetown. The funeral on the 12th inst., from his father's residence was very largely attended. His brother Foresters acted as pall bearers, viz F. T. Morrow, Urziah Boyce, Elmore Raynor, Lincoln Wood, M. W. Wood, and Seymour Wood.

The casket was covered with flowers from kind friends, including wreaths from Court Garden Island, No. 16, C.O.F. of which he was a valued member and Alpha Rebecca Lodge I.O.O.F. The funeral services were conducted by Rev. E. S. Weeks, who spoke from the words "If a man die shall he live again?" Job 14c. 14 ver. Rev. Wm. McVie, brother Forester, and Rev. D. McLean assisted at the ceremony. His favorite hymns were sung, "Asleep in Jesus, Jesus' Lover of my Soul", and "Abide With Me."

GERTRUDE LILLIAN PHILLIPS

Deep sympathy of friends and acquaintances is extended to Mr. and Mrs. H. J. Phillips of Charlottetown, in the loss of their eldest and dearly beloved little daughter Gertrude Lillian, who died of heart failure on April 2nd, 1914, at the early age of 9 years and 2 months. Although not very robust during the winter, no one anticipated the end was so near and her death came as a great shock, to her parents and friends. She was up and around her home within three days of her death. The day she died she wished to be carried into the sitting room and stayed there quite a while. Getting tired she told her papa to carry her to bed and shortly after she told them she was better and that she was going to sleep and sweetly fell asleep in Jesus. Everything was done to save her young life but of no avail, God called her and she went to him. Heart failure was the immediate cause of her death. She was an exceptionally bright child with an endearing disposition and a great favorite especially with her teacher and schoolmates as was evidenced at her funeral when teacher and scholars gathered around her little white casket to bid the last farewell. Her casket was totally covered with flowers, being the gifts of kind friends, and were silent tokens of their very sincere sympathy. The following lines were favorites of the bright little girl who is now with the angels in Heaven.

O soul with your windows closed at night,  
Open them wide to the dawn,  
For o'er the hills is breaking light  
The shadows of night are gone.  
Open your doors, to the East, I pray  
O soul of sorrow and sin,  
That the first sweet rays of the coming day  
May softly enter in.

## GIRLS! THICKEN AND BEAUTIFY YOUR HAIR

BRING BACK ITS GLOSS, LUSTRE, CHARM AND GET RID OF DANDRUFF.

To be possessed by a head of heavy, beautiful hair; soft, lustrous, fluffy, wavy and free from dandruff is merely a matter of using a little Danderine.

It is easy and inexpensive to have nice, soft hair and lots of it. Just get a 25 cent bottle of Knowlton's Danderine now—all drug stores recommend it—apply a little as directed and within ten minutes there will be an appearance of abundance; freshness, fluffiness and an incomparable gloss and lustre, and try as you will you cannot find a trace of dandruff or falling hair; but your real surprise will be after two weeks' use, when you will see new hair—fine and downy at first—yes—but really new hair—sprouting out all over your scalp—Danderine is, we believe, the only sure hair grower; destroyer of dandruff and cure for itchy scalp and it never fails to stop falling hair at once.

If you want to prove how pretty and soft your hair really is, moisten a cloth with a little Danderine and carefully draw it through the hair—taking one small strand at a time. Your hair will be soft, glossy and beautiful in just a few moments—a delightful surprise awaits everyone who tries this.

## Thin People Can Increase Weight

Thin men and women who would like to increase their weight with 10 or 15 pounds of healthy "stay there" fat should try eating a little Sargol with their meals for a while and note results. Here is a good test worth trying. First weigh yourself and measure yourself. Then take Sargol—one tablet with every meal—for two weeks. Then weigh and measure again. It isn't a question of how you look or feel or what your friends say or think. The scales and the tape measure will tell their own story, and most any thin man or woman can easily add from five to eight pounds in the first fourteen days by following this simple direction. And best of all, the new flesh stays put. Sargol does not itself make fat, but mixing with your food, it turns the fats, sugars and starches of what you have eaten, into rich, ripe fat producing nourishment for the tissues and blood—prepares it in an easily assimilated form which the blood can readily accept. All this nourishment now passes from your body as waste. But Sargol stops the waste and does it quickly and makes the fat producing contents of the very same, meals you are eating now develop pounds and pounds of healthy flesh between your skin and bones. Sargol is safe, pleasant, efficient and inexpensive.

Druggists sell it in large boxes—forty tablets to a package—on a guarantee of weight increase or money back.
