Abegweits Sends Resolution to Dr. Lamb

The following resolution was passed at a meeting of the Abegweit Athletic Association, Charlottetown, today and forwarded to Dr. Lamb:

Dr. A. S. Lamb,
Secretary A. A. U. of C.
McGill University Building,
Montreal, P. Q.

Whereas the present chaotic conditions existing in Athletic matters in the Maritime Provinces are most detrimental to sport, and whereas the suspension of the M. P. B. of A. A. U. of C. was hastily advised and without sufficient investigation, therefore resolved that the A. A. U. of C. be requested to appoint Dr. Cyrus McMillan of McGill University to investigate and in event of his inability to act, to name Hon. R. T. Macleith, Halifax, Dr. H. D. Johnson, Past President A. A. U. of C., Charlottetown and Mr. Chas. Owen, St. John, to thoroughly investigate and report.

CHAS. D. STEWART,
Sec'y Abegweit A. A. U. of C.

Colonel MacLeod Issues Statement After First Meeting of New Body

Asks All Athletes to be Ready For Olympic Trials—Calls Doyle Organization "Defunct M.P.B.A.A.U. of C."—Fifteen Clubs Are Represented.

MONCTON, May 9.—The trail that is believed will eventually lead to regeneration of true amateur sport in the Maritime Provinces was blazed here Saturday when private session of leaders in amateur sport in New Brunswick and Nova Scotia met in a local hotel and formulated plans which the hope is expressed will eventually mature and stabilize Maritime amateur sport considered to have been in a chaotic state for some time past as a result of alleged ruthless reinstatement of professionals, long standing by President S. F. Doyle, of the suspended Maritime Provinces Branch of the A. A. U. of C.

Colonel Norman P. MacLeod of Saint John, who was named by the executive of the A. A. U. of C. to carry out the re-organization plans, presided and at the close of the conference handed out the following statement to the press:

"In view of the temporary impasse which has arisen with respect to promotion of amateur athletics in the Maritime Provinces through the unconstitutional action of S. F. Doyle, late president of the defunct M. P. B. A. A. U. of C., the continued defiance of constituted authority by Mr. Doyle and his violation of his pledged word given to many delegates at the Amherst meeting of April 21st regarding the reinstatement of professionals which I have statements of more than one delegate it appeared necessary to take further and more drastic action in the interest of clean sport in these provinces.

OLYMPIC TRIAL WILL BE HELD IN EACH PROVINCE

The following bulletin has just been released by A. S. Lamb, Secretary of the Canadian Amateur Athletic Union re Olympic Trials:

On April 21, 1926, a set of Standards was forwarded to all Governors of the Union, members of Committees and other interested parties. Special reference has been made on many occasions to those Standards and the Sectional Meets which the Olympic Committee proposes to have conducted during the summer of 1927.

Many suggestions have been received and at a meeting of several members of the Executive Committee of the Canadian Olympic Committee held April 14th, the attached list was approved.

The plan is that each provincial Olympic Committee and Branch of the A. A. U. should in conjunction conduct not later than August 29th a Track and Field meet which to be known as the Provincial Olympic Trials. The provinces of British Columbia, Alberta, Saskatchewan and Manitoba should conduct these trials not later than July 25.

Any athlete who in the Provincial Trials attains the Standards set, will be assisted by the Olympic Committee to attend the Sectional Meet for his district. The Olympic Committee will pay to the Branch concerned one-half of the railroad fare and sleeping car accommodation of all athletes whom the Branch desires to send to the Sectional Meets, providing they meet the Standards listed on the attached form. This does not mean that Branches cannot send additional competitors to the Sectional Meets at their own expense.

Information from the western provinces indicates that the most suitable place for a central Sectional Meet would be the city of Edmonton and that this meet should be held on August 1st, 1927.

McLellan Home

NOEL, Hans Co., May 9. — Silas McLellan, veteran Noel marathon runner, who did so well in the Boston Marathon last month, slipped quietly back to his old home town last week, and plans to spend the summer here. He came back by way of Yarmouth, and many of his friends were on hand to greet him.

McLellan claims he was running in third position when he was forced to quit in the Boston race, after running about twenty miles. He has started training again, and plans to enter several Provincial events.
