ABUSE

Have you ever thought of it? The VALUE of your eyes. What would you do without them? Probably you would not part with them at any price.

What you may not understand is that abuse and neglect wear the eyes down. Experience shows neglected eyes fail early.

MORNING STOCK LETTER

(Received over Pitfield and Co's Private Wire)

NEW YORK, June 24—Overnight news continues on the unsatisfactory side. Germany has massed a number of battleships off the coast of Spain. Domestically, there is no improvement in the labor news and thus far the Steel Mediation Board has apparently had very little success. Sears Roebuck sales for first 20 weeks would indicate that earnings for first half of year would be between $2.85 and $3.00 against $2.60 in first half of last year. National Distillers is scheduled to have a dividend meeting today. Yesterday's market won some friends for itself in view of the fact that it made some progress without the help of news but we believe volume will have to show a decided pickup before market gets a public following.

TORONTO, June 24—Hardrock—Extension of No. 1 vein on 250 foot evel reveas an ore length of 275 feet of high garde. No. 102 vein system on the first level has opened up a total ore length of 450 feet averaging $14.50 over five foot width.

Sand River—75 ton mill to be installed. There is roughly 2,000 feet of ore length developed by drifting on three levels and an estimate of ore showed 32,500 tons grading $20.41 per ton after allowing for 20 per cent dilution. The shaft will now be sunk to 650 feet depth with two new level being opened up at 525 feet and 650 feet.

MINING

TORONTO, June 24 — (CP)—A four-point rise in the mines, golds and other groups, today disspelled some of the gloom that has been hovering over the stock market recently. Buying was mainly in the better grade of issues, both golds and base metals suggesting accumulation.

The copper producers were apparently aided by active buying of metal in London. Noranda firmed 1 1-2, Hudson Bay a point, Ventures 70, Pend Oreille 50, Sherritt 39, Sudbury Basin 10, Waite-Amulet 20 and Aldermac 13 3-4.

Senior golds continued quiet and Dome, up 3-4, had the only sizeable gain. McIntyre added 1-8 and Hollinger lost 1-8. Net gains of 20 to 30 cents were held by Little Long Lac, MacLeod-Cockshutt, Pickle Crow, Kerr-Addison and Pioneer.

Cheaper oils firmed up to show scattered gains. Issues up 5 cents or more at the close were Calgary-Edmonton, Calmont, Foundation, Okalta, Vulcan, Dalhousie, Home and Foothills.

Slight Gains Registered On New York Mart

(By Frederick Gardner, Associated Press Financial Writer)

NEW YORK, June 24—Fresh political tension abroad and lifting of some steel strike clouds aided the stock market to gain of fraction to around 2 points today.

Coppers led forward movement as traders gave this group a flurry in otherwise quiet dealings.

Steels showed some disposition to join, but progress in this sector was uneven until late trading when it was announced martial law in the Johnstown strike zone would be lifted tomorrow.

Measured by the Associated Press average of 60 shares, the market rose 0.2 of a point to 64.6. Transactions totalled 553,380 shares, compared with 551,170 Wednesday.

Gains and losses were divided among Canadian stocks. International Nickel advanced 2 1-4 points to 59 1-2. Minor gains were scored by Distillers-Seagrams, Dome, McIntyre and Ford. Brazilian, Canadian Industrial Alcohol, Canadian Marconi, Imperial Oil and Lake Shore eased fractions.

Share market gainers included Anaconda at 53 1-4, Kennecott 58 5-8, American Smelting 85 1-2, U. S. Steel 99 1-2, Republic 36 1-8, Bethlehem 85 and General Motors 50 7-8.

Cardigan Sub-Division of C.W.L.

The following is the secretary's report for the year 1936-37:

On May 10, 1936, at the annual meeting of this division of the C.W.L., I was appointed secretary and it is my duty at the close of a year to report its activities.

Though the membership shows a considerable increase over last year, from twenty-three to thirty-nine, still there is room for greater improvement, which we hope next year will bring.

During the year eight regular and two special meetings were held all of which were largely attended, and the goodwill and co-operation shown on every occasion was a credit to the society.

The social and financial activities consisted of a play, put on by the Little Pond Dramatic Club; a chicken supper and several whists and entertainments held in private houses. The activities of the society were many and varied. A prize was awarded to the pupil making the highest mark in the catechism class, thus encouraging the children to take more interest in their studies.

Our sympathy was expressed to the bereaved through letters of condolence, and baskets of fruit and flowers brought our message of kindness to the sick.

The poor and needy saw a ray of comfort in the donations of clothing and food sent them. During the year a beautiful canopy was purchased and a book-rack installed which is well patronized, and I am sure many an invalid will breathe a fervent prayer for both those who donated it and those who furnish the literature. The members also attended to the cleaning of the church and decorating of the altars.

The society sent presents to the inmates at Falconwood and money was sent to the building fund of Mount St. Mary.

The good work done by our little division extended even to the far west, as contributions were sent to the Sisters of Service and to the Memorial Chapel, built in memory of Margaret Jones.

Our president attended the diocesan convention at Kensington and after her return gave us a vivid account in her own interesting manner of the activities of the convention.

In conclusion I wish to thank the officers and members of the society for their co-operation and kindness during the year.

Respectfully submitted,
MRS. JOHN REVILLE
