Many throughout the province will learn with regret of the death of James Bulman, which occurred at his home in New Glasgow, March 21st, 1928, in his seventy-fifth year. His death though not unexpected, was not thought serious until the last few days, and all that medical skill and loving hands could do of no avail and he passed peacefully away.

He was a man of sterling integrity and universally esteemed upright and honest and the community loses a kind neighbour always ready to help in time of trouble.

Mr. Bulman was twice married, his first wife was Francis Bagnall, daughter of the late William Bagnall, Clyde Mills, New Glasgow.

His second Margaret Stewart devotedly nursed him during his last illness. There are left to mourn their loss besides his widow, Honeywell of Stanley Bridge, Nellie (Mrs. Wilbur Clark), Alma (Mrs. Ernest Clark) of Cavendish and Mervyn on the homestead. The ceremony was performed by Right Rev. Monsignor Maurice MacDonald, who also celebrated the nuptial Mass. The bride, who was becomingly gowned in a navy blue suit trimmed with gray squirrel and gray squirrel neckpiece and hat to match, was assisted by Miss Mary Duffy, sister of the bride, who was attractively gowned in a navy blue suit with Copenhagen hat. Mr. James Power ably assisted

the groom. Both the bride and bridesmaid carried bouquets of beautiful American roses and maiden hair fern. After the ceremony the happy couple motored to the residence of Mr. and Mrs. Leo Bradley, Hillsborough Square, where a sumptuous wedding breakfast was served, after which they left by the express for a short honeymoon trip of the Maritime Provinces. The numerous and valuable array of presents testified in no small measure to the popularity of both bride and groom.

The Guardian joins with many friends in extending to Mr. and Mrs. Theriault hearty congratulations.

The announcement of the death, at his home, 43 Chestnut Street, Halifax, Thursday night, of Mrs. Carrie Hall, wife of Sheriff James Hall, was received with deep regret by the many friends of the family. Mrs. Hall, who was 74 years of age, had been ailing for several months, but it was only some ten days ago that she contracted pneumonia, and her passing was not unexpected.

The deceased lady had been a member of the Grafton Street Methodist Church until its union with St. Andrew's, with which congregation she continued as a member until her death. Her interests were principally of the home and the Church, of which she was a very zealous worker, engaging in many phases of its activities.

The Nellie J. Banks, trim little sailing craft, the property of Captain Edward Dicks, is being fitted up at the Marine Wharf preparatory to leaving for the high seas.

It will be remembered that the Nellie J. Banks was seized with her cargo of rum last fall by the Government Steamer Bayfield, and towed to this port where said cargo was confiscated and vessel dismantled. Her owner, Capt. Dicks, immediately started court proceedings with the result that in January of this year a verdict was given in favor of the defendant.

At the time of her seizure the Nellie J. Banks had on board 2295 gallons of rum, with clearance papers from St. Pierre for the high seas. The Exchequer Court, it is alleged, wanted Dicks to take the vessel and cargo back, but he declined. It is understood he made several trips to Ottawa to try for a more adequate settlement, but this was of no avail. It was finally decided to send a representative from Ottawa to consult with the Captain and his solicitor. After considerable consultation a settlement was reached; the vessel and cargo being handed back with damages done to the ship paid in full and also the cost of nine months detention of the vessel. Her crew was also paid wages up until the vessel's articles had expired.

It is understood that most of the provisions which were on the vessel at the time of seizure and lately returned had to be thrown overboard. The bedding also appeared in a filthy state. Various cooking utensils and ship's tools were also returned.

The vessel is at present being painted, corked and rigged after which delivery will be taken of her cargo.

Regina To Take Big Cargo

The Regina, an auxiliary vessel, owned by Mr. Wilson Trenholm, Port Elgin, N. B., and chartered by parties in St. Pierre, is tied up at the Marine Wharf waiting to take delivery of approximately 1100 packages of liquors seized by the Customs Cruiser Margaret last year off the Nova Scotia shore. This liquor is being returned by virtue of a claim put in, and will be returned to the owners in St. Pierre. The Regina has at present on board 350 cases of liquors taken on at Halifax, the cargo of another vessel which was seized and had to be returned. This lot is also going back to the owners in St. Pierre.

Suitable music was rendered by the choir under the direction of Professor W. E. Fletcher, while Mr. Elmer Ritchie sang very touchingly, "Ode Sweetly Solemn Thought." After the Benediction, which was pronounced by Rev. Dr. Ramsay, the Dead March from the Caledonian Club in plaid and bonnet were present in a body, and were accompanied by the Club's pipe and drum band. MOST people know this absolute antidote for pain, but you are careful to say Bayer when you buy it? And do you always give a glance to see Bayer on the box—and the word genuine Aspirin without it? A drug-store always has Bayer, with the proven directions tucked in every box:

Tablets Aspirin

WATERBURY'S

Aspirin is the trade mark (Registered in Canada) indicating Bayer Manufacture. While it is known that Aspirin is made by other factories, to assure the public against imitations, the Tablets will be stamped with their "Bayer" trade mark.

FORMERLY OF P. E. I.—Rev. J. W. S. Lowry recently baptized a baby boy of one of the families of the Kirk, in Cambridge, Mass., who was named "Lloyd George" for Great Britain's illustrious former Premier. The parents have possibly found a satisfactory answer to the query, "What's in a name?"

Robertson, who has just finished his course for the ministry at Knox College, Toronto, and is at present visiting friends in the Province, will go to Cambridge, Mass., this week, to assist Rev. J. W. S. Lowry with the services of the Sacrament Season in the congregation of the Church of Scotland in that City, April 26-30, under the direction of the Colonial Presbytery of Prince Edward Island.

ALPHA REBEKAH LODGE—Many unique features marked the regular meeting of Alpha Rebekah Lodge held in Oddfellows Hall Tuesday evening. About seventy members were present and a veteran Oddfellow and founder of Alpha Rebekah Lodge in Charlottetown, was among the honored members present, along with Past Grand Master Benjamin Tremmer, who is probably the Senior Past Grand Master of Oddfellows in Canada. Mrs. Hazel Henry, nee How, of the Lodge, conferred the degree on seven candidates including her own daughter, and that veteran Oddfellow Mr. J. A. Moore, who has fifty two years' membership to his credit. Refreshments were served in a most inviting manner at the conclusion of this most enjoyable meeting.

FORMER MEMBER DEAD—The wide circle of friends will be sorry to learn of the death of Hon. Alfred MacWilliams, which took place on Sunday at the home of his nephew, Wm. G. MacWilliams, West Cape. He made this his home for some time before his death. It may be remembered he represented the Second District of Prince for many years in the local legislature. During the ups and downs of election contests he was always successful at the polls having never been defeated. He is the last of a family who occupied a prominent place in West Prince.

SAD BEREAVEMENT—The sad death took place on Monday at the home of Mr. and Mrs. Cyrus Wedge, of Summerside, of their little son, Clarence, at the early age of six years and six months. The little fellow had been ailing for some time and gradually failed until the end. What makes it more sad is the fact that his little sister was buried just four months ago. He will be sadly missed in the home as he was a bright child and loved by all. There are left to mourn a sorrowing father and mother, a brother and sister, to whom is extended our sincere sympathy. The funeral took place Tuesday morning at nine o'clock.

A delightful banquet was given in the Victoria Hotel last night in honor of Hon. A. C. Saunders by the liberal members of the Legislature, his supporters and friends.

Interpersed with the speeches were some well chosen readings by Dr. Geo. Green, a vocal solo sung by Mr. Leigh Dingwell in his usual artistic manner, and orchestral music.

An event unique in the history of the Island province was observed at Saint Joseph's Convent yesterday, the event being the fifteenth anniversary—Golden Jubilee—of Mother St. Catherine (of Sweden), Superiorress of Saint Joseph's Convent.

The Reverend Mother, who is as active as any of the Sisters of the community and enjoying excellent health, is being heartily congratulated by numerous friends and pupils.

Forty five of those fifty years of Mother St. Catherine's service in the Congregation of Notre Dame have been spent on the Island.

Especially in this city is her work known and appreciated. During her regime as Superiorress of Notre Dame Academy many improvements were inaugurated in that Institution. It was during her term of office that the large roomy addition was built with the pretty Chapel on the upper floor.

At present under her guiding hand Saint Joseph's Convent is being successfully managed, and here too within the past few years through her efforts many improvements were made.

Yesterday Saint Joseph's Convent really observed a double celebration, as this was also the Feast of the Patroness of Saint Joseph, the Carillon of Saint Dunstan's Cathedral being rung in honor of the jubiliarians.

Mother St. Catherine was born in Summerside and received her education at Misouche Convent and at Quebec. Entering the Congregation de Notre Dame in Montreal in 1876, she made her profession in 1878 and spent one year at the Visitation Academy, in Montreal, after which she spent three years at St. John's, Quebec.

In 1882 she came to Tignish as a first class teacher, where she taught most successfully for eleven years. In 1893 the Reverend Mother was transferred to Notre Dame Convent, this city, where she had charge of the graduating class. In 1900 Mother St. Catherine received the appointment of Superiorress of the Institution in succession to the late Venerable Mother St. Peter. During her stay there as noted before many improvements were made.

In 1917 Mother St. Catherine was transferred to Souris, where she remained for six years, when she was transferred to St. Joseph's Convent, this city, and where through her careful management and pleasing personality, she is doing a wonderful work.

Yesterday morning in the beautiful Chapel of Saint Joseph's Convent Pontifical High Mass was celebrated by His Lordship Bishop O'Leary, assisted as follows: High Priest, Right Reverend Monsignor J. C. McLean, Souris; Deacon of Honour—Rev. J. Murphy, Saint Dunstan's University; Deacon of the Mass, Rev. N. Poirier, Saint Dunstan's University; Sub Deacon of the Mass, Rev. Gavan Monaghan, Saint Dunstan's University; Master of Ceremonies, Right Reverend Monsignor Maurice McDonald.

In the Sanctuary were seated Rev. T. Curran, Rev. F. McQuaid, Rev. B. Gillis and Rev. P. Petrie.

The pupils of the convent sang the Mass, including the "Proper," was especially well rendered.

There was a large attendance of the members of Saint Joseph's Sodality.

Yesterday afternoon there was a reception for the children, at which the following programme was carried out:

In the evening at 7:30 Pontifical Mass was celebrated and an eloquent and appropriate sermon was delivered by the Right Reverend Monsignor J. C. McLean. Bishop O'Leary, assisted as follows: Rev. A. J. McIntyre as deacon and Rev. John Archibald McDonald as sub-deacon. Father Walsh acted as Master of Ceremonies.

The death occurred at Tryon on April 18th, of Mr. Ernest Howatt, well-known merchant, leaving to mourn a widow (nee Miss Ethel Waugh), and two children, the eldest being three-years-old. Mr. Howatt had been in failing health for some time, and although suffering greatly bore it with true Christian fortitude. The funeral was followed by a large concourse of friends and relatives, left his home at Tryon on Friday, at 1 p. m., for the Church of Scotland at Cape Traverse, Mr. Howatt having been an elder of that congregation. After the funeral service by the Rev. E. MacDonnell, the remains were laid to rest in the family plot, thereby to await the great awakening. The deep sympathy of the community is felt for Mrs. Howatt and children in their sad bereavement.

The death took place at Albany, Tuesday morning, April 10th, of Mrs. Margaret, dearly beloved daughter of Lemuel and Mrs. Dawson, leaving to mourn her sorrowing parents, also the following brothers and sisters: Frank, Major and Annie (Mrs. Albert Brown) Saranac Lake, New York; Mrs. A. A. Waddell, North Tryon, Murdoch, Albany; Christie, Sadie and Charles at home, and Sterling in Western Cape. Deceased had been in her usual health until a little over a week before her death, when Dr. Bell was called in and all that loving care and skilled attention could do failed, for the great Father desired His child for that Upper and Better Kingdom, where sorrow and pain are no more, and on Tuesday morning at 1 o'clock he called her to be with him and the angels. The funeral took place on Thursday at 1 p. m. After a short service at the home, conducted by the Rev. Geo. Somers of Tryon United Church it wended its way to Cape Traverse, where Rev. D. M. Lamont of Charlottetown preached the funeral sermon in the Kirk, at Cape Traverse, after which she was laid to rest in the family plot adjoining there to await a glorious resurrection. Margaret will be deeply missed, both in the home and in the community, for she was always ready with a smile and a pleasant word. As a member of the Presbyterian Church at North Tryon, she will also be missed by the many subscribers of the telephone system, for as operator of the Albany Exchange she was always courteous and obliging. The many floral tributes and messages sent, showed the deep sympathy of the many friends. The pall bearers were—Messrs. Eldon Large, Bazil Sherry, Arthur and Frank McKay, Lou Mabey, and Ambrose Noonan. Her brother Stirling, who was notified of her illness left for home at once, but did not say he did not arrive until after the funeral. Her sister, Annie, however, arrived in time to see her 'ere she departed, on Oh, High.

SUDDEN DEATH—Mrs. Robt. C. MacNeill, 47 Bayfield Street, this city, died yesterday morning that Miss Margaret Blue of Detroit, Mich., had passed away suddenly.

SERIOUS ILLNESS—The many friends of Mr. Preston McNeill, son of Mr. D. J. McNeill of this city, will be sorry to learn that he has developed meningitis from the fracture sustained ten days ago as reported at the time in The Guardian. Last night his condition was reported as not favorable.

FUNERAL SERVICES—The funeral of the late Mrs. Marian Trainor was held Wednesday morning at her late residence, 211 King Street, at St. Dunstan's Cathedral, where a High Mass was celebrated by Right Reverend Monsignor Maurice McDonald. The pallbearers were Messrs. Hugh Hennessy, James Lappin, Philip Shinnott, J. McDonald, Robert Wood and Edward "Tom" Service; at the grave was conducted by Rev. P. McMahon, D.

NEW LIGHT FIXTURES IN ST. JOHN'S CHURCH, CRAPAUD—Unqualified delight and satisfaction were expressed by very many of the congregation assembled in St. John's last Sunday night for the inauguration of the new lighting system. The fixtures are of the very latest American model, and consist of eight 300-watt glass tubes, sixteen inches in diameter suspended by stately bronze finished chain, canopy and screwless holders, about one foot from the ceiling, and each carrying a 200 candle power Nitrogen lamp. The light fixtures are so wired to switches that all may be used, or only a portion as desired, and they have made a delightful transformation in the previously dimly lighted church, which should tend to increase the responsive participation in the services of the church.

C. P. R. OFFICIALS HERE—Among the visitors to the city yesterday were Mr. G. Bruce Burpee, District Passenger Agent C. P. R., St. John, N. B., and Mr. D. W. Alton, District Passenger Agent. Both officials were optimistic regarding the prospects for the Maritime tourist traffic for the spring season, especially in view of the new hotel accommodation being provided in Halifax and Digby. But they were rather despondent regarding the prospects for Prince Edward Island, as the result of the Provincial Government's policy to search for liquor. They said tourists, especially Americans, resented the suggestion of such a search, and would not be induced to come where it was in operation. They were not aware what prospects there are for C. P. R. running power over the C. N. P. although the question was being investigated in Halifax. In addition to Messrs. Burpee and Allan, Messrs. Gerald Hiram, Divisional Freight Agent, and John S. Lord, Traffic Freight Agent were here on business and all leave this morning for the mainland.

MET WITH ACCIDENT—Mr. John McLaughlin of Bonshaw, met with a painful accident yesterday. While driving accompanied by his son, the latter walking by the carriage and driving, the horse took fright at an automobile following them at some distance. The horse became unmanageable and plunged to the side of the road and over a stump fence, leaving the carriage behind him but still attached. When the driver of the car saw the predicament he stopped, left his car and went forward to assist in disentangling the mess. Between them all they managed to release the horse but in doing so Mr. McLaughlin was kicked by the horse, a recent western importation, with the result that his leg was broken between the knee and the ankle. The injured man, who is 86 years of age, pluckily bore his injuries. He was assisted to a carriage and driven home, the driver of the car following him and helping them to carry him into the house. The car driver then drove to Bonshaw corner and procured the services of a doctor, whom he drove back to the injured man's home. Mr. McLaughlin, although severely injured, and well advanced in years, is sufficiently strong and physically healthy to lead to the hope that his convalescence will be speedy and complete.

In the passing of George H. Foster, Charlottetown has lost another of its aged and highly respected citizens; one who has filled a familiar place in the esteem and friendship of a very large circle of friends in the community. For many long years the late Mr. Foster conducted business as a master blacksmith from which he retired in 1920. A year later he sold his properties, and removed with his family to the United States. After about a year he felt that to him there was "no place like home" and he returned to the Province of his birth to spend his remaining days. Since his return he was called upon to mourn the loss of his wife, a most estimable lady

and beloved partner. In the prime of life he was active in the civic and political affairs of his generation. As a member of the famed Orient Division of the Sons of Temperance he took an active part in those concerns which brought about the change in our city wards, resulting in a more effective administration of temperance laws particularly the "Secret Act" then in force. He was a communicant and devoted member of St. Peter's Episcopal Church. During the last few months his health continued to fail until he (and came, yet not until he had reached the ripened age of four score and three years.

He leaves to mourn the loss of a kind father and brother: two sons, the Rev. George I. Foster of Cleveland, Ohio; and Mr. C. Harry Foster of this city; one daughter, Mrs. William Wilson of Cleveland, Ohio; two brothers, Arthur and Frederick, and one sister Mrs. John White, all of this city.

The funeral has been delayed, awaiting the arrival of his son, the Rev. George I. Foster, who is expected to reach here from Cleveland on Saturday.

To the bereaved family the Guardian extends its sincere sympathy.
