Sensational Racing Witnessed At Montague

3-year-old Raymond Budlong Paces Mile In 2:15; Very Close Finishes

Upwards of 1200 racing fans saw blanket finishes, fast times and horses taking new records at the big five-class meet held at Montague race track yesterday. Raymond Budlong, All Grattan, Bonnie Scott, Uscita Britton and Watchim were returned the winners but only after breath-taking, sensational finishes in every heat on the lengthy card.

And as if the sensational racing were not enough, extra thrills were added as two drivers figured in spills. In the first heat of the 2.28 trot and pace Tyndall Sample was thrown as Golden Guy went down while the other occurred in the third heat of the 2.15 trot and pace driver Joe O'Brien being thrown while driving Major Bowes and being dragged quite a distance. Luckily both mishaps were not of a serious nature.

Outstanding performance of the meet was the mile in 2:15 turned in by Well McNeill's Raymond Budlong in the first heat of the 3-year-old trot and pace. It was a marvelous exhibition and stamps this 3-year-old as a classy performer.

Uscita Britton in going the second heat of the 2.15 class in 2:09 was another highlight with Beaverdale trotting in 2:13 1-2 and Watchim going in 2:11 3-4 adding that much more spice to the program.

The track pacing record also nearly took a licking as All Grattan in a sensational duel with Jane Azoff went the second mile in 2:07-1-2.

Ideal weather, after two previous setbacks, and a very fast track added greatly to the meet and although the program was a lengthy one, it was run off in great fashion by the officials in charge. Starter D. K. McLeod did a workmanlike job getting his classes away with a minimum of scoring and completing the fifteen heats in around four hours and forty minutes.

3-Year-Old Trot and Pace

First Heat: They got away in a line on the second score with Hilda Budlong snapping the rail on the second turn from Jack Clyde with Bonnie Budlong third, Raymond Budlong fourth and Wait N'See fifth. Coming by the stands the first three horses were in a line with Raymond Budlong taking the rail at the turn. Positions were unchanged going up the back side as Raymond Budlong increased his lead to win the heat by two lengths. Jack Clyde pacing fast in the stretch captured second from Hilda Budlong with Wait N'See placed fourth. Bonnie Budlong who had finished fourth was set back one position for running. The mile was in 2:15 a great performance for the three-year-old Raymond Budlong.

Second Heat: There wasn't very much to it as Raymond Budlong took the second heat by a length from Hilda Budlong. Raymond went away on the pole the first score and was never headed. The entire field was tucked in coming by the stands with Raymond Budlong in the lead, Hilda Budlong, second, Jack Clyde, third, Bonnie Budlong, fourth and Wait N'See fifth. Positions were unchanged during the last half with Raymond Budlong pacing the last half in 1:07 with the mile in 2:17.

3rd Heat: Raymond Budlong again made every post a winning one and making his summary 1-1-1. His margin wasn't as great as in the previous heats as Bonnie Budlong and Hilda Budlong pushed him right to the wire in another great stretch drive. Bonnie Budlong was second, Hilda Budlong, third, and Jack Clyde, fourth, and Wait N'See, fifth. The mile was in 2:18 1-2.

Championships Decided At Tennis Tournament

Championships were decided yesterday in the Charlottetown Tennis Club's closed tournament in men's singles, ladies singles, men's doubles and ladies doubles. Only one final match remains, that in the mixed doubles event, which will not be played for several days. It was announced.

Bill Moreside won the men's singles event, defeating Ivan Reddin, 6-1, 6-1, 7-5. Mrs. Simpson, wife of a Royal Air Force member here, won the ladies singles championship from Mildenor Bourke, a former title-holder. The scores were, 7-5, 6-2.

Ivan Reddin and Bill Moreside teamed up in the men's doubles event, defeating N. Wran and Allison Saunders, 6-1, 6-3, 7-5. Earlier in semi-finals Wran and Saunders defeated M. Dew and Jack Kenny, 6-3, 3-6, 6-2.

In the ladies doubles Eleanor Bourke and Gwen Rogers defeated Mrs. Simpson and Mrs. Edwards, 6-2, 6-2.

Semi-finals were played in the mixed doubles. Mrs. Simpson and A. W. Matheson defeated Mrs. N. Wran and Jack Kenny, 6-1, 6-1, while Eleanor Bourke and Bill Moreside defeated Gwen Rogers and G. F. Hutcheson, 6-3, 6-3.

No club championship event was held last season and none of the 1939 champions defended their titles this year.

up her first win since coming to the Island by capturing the third and final heat. Going away on the pole she was never headed winning by a length in 2:13 1-2. At the first half it was Bonnie Scott, Silent Mac, Beaverdale, Jean Henley, Miss Victoria and Grattan Queen. Positions remained unchanged to the 3-4 pole when both Beaverdale and Jean Henley went to drives but couldn't catch the leader. Jean Henley seemed to have second place sewed up 30 yards from the wire but went to a break, Beaverdale getting the place. Miss Victoria was fourth, Grattan Queen, fifth, and Silent Mac, sixth.

2.15 Trot and Pace

1st Heat: Another sensational stretch duel was witnessed as Millie Kalmuck for the third time this season again just headed Albert E. Grattan to the wire. Going away on the fourth score Millie was in front followed by Hal Britton, Uscita Britton and Albert E. with the other horses a length back. Hitting into the back stretch Albert E. Grattan moved up on the outside to second place with Hal Britton and Uscita Britton tucked in followed by Major Bowes, Martindell and Charlotte E. The field tore up to the three quarter pole and from here on the drives started. Albert E. pulled abreast of Millie as the wire field moved up and coming through the stretch it was anybody's race. But Millie had just a little too much winning by a head from Albert E. as drivers Kelly and McKenna teamed hard. Uscita Britton came fast to get third, Hal Britton fourth, Martindell fifth, Major Bowes, sixth, Charlotte E. not up to her best racing form was distanced.

Second Heat: Uscita Britton after finishing third the first heat caused an upset as she won the second heat by half a length from Albert E. Grattan. Away on the fourth score after D. K. McLeod had told the field to score by Albert E. Grattan, the Grattan horse went off in front followed by Uscita and Hal Britton. Hal Britton tried to take the rail but had to drop back at the top of the stretch. Hitting into the back stretch Driver McKenna had Albert E. still in front after going the half in 1:05 1-2 but halfway up Uscita Britton with a tremendous burst of speed forged ahead and was half a length to the good at the wire. In 2:09 a new record for her. Albert E. was second. Joe O'Brien took Major Bowes in third with the remaining three horses about a length back and bunched closely. Millie Kalmuck was fifth, breaking continually the first quarter of a mile.

Third Heat: The crowd got another bit of excitement as Major Bowes spilled coming around the last turn but Driver Joe O'Brien game as they come held on to his mount until he brought him to a standstill. Away on the fourth score Uscita Britton was never headed from the start. At the time of the accident, Millie Kalmuck, Major Bowes, and Albert E. Grattan were all to drives but the accident put Millie and Major out of the running. Uscita won by a length over Albert E. Grattan. Millie Kalmuck was third, Martindell fourth, Hal Britton fifth with Major Bowes being placed sixth.

Around the second turn George Mac showed the lead to Scotty Watson. The Watson horse still lead as they hit into the back stretch the second trip but halfway up Watchim took over to win handsly. Cape Breton Horses sweep Inverness meet

INVERNESS, N.S., July 30—(CP)—Cape Breton horses made practically a clean sweep of the annual harness racing meet here today, winning three of the four events. Sully, owned by J. H. Breen of Halifax, was the lone mainland horse to place, winning the free-for-all.

Dinah G., owned by D. R. Macdonald, placed sixth in the first heat of the 2.24 trot and pace only to come back with two straight wins. Senator MacLennan's Mary Stuart won an undispensed first in the named race with three straight wins, as did Benny T., owned by J. A. MacLeod, in the Inverness classified event.

Tonight is the night that wrestling fans are expected and likely will see two hours of the fastest action that has ever taken place in the Sporting Club when an all-star wrestling card will be staged featuring four of the world's outstanding wrestlers in the persons of Len Cowboy Hughes, Tuffy Cleet, Jackie Nichols and Buddy Knox.

All those names are synonymous with wrestlers and tonight the four performing a double man event are expected to put on the best show ever seen in the city.

Usually it is taken for granted when wrestlers are in action that the performance is just a show but this hasn't been the case in bouts seen here. Participants always wrestle every minute they are in the ring and tonight will be no exception. Tonight four boys are in the ring and fans who like their action rough, tough and strenuous should make it a point to be on hand.

As said before prices are down to the lowest ebb and for a small price you are assured of two hours fast entertainment.

Don't forget to be at the Sporting Club tonight at 9 o'clock. Daylight Saving Time and get in on every minute of what should be a great show.

CLEVELAND, July 29—(CP)—Jeff Heath, who lets "things get under my skin more than a lot of other people," is back on the warpath for the American League batting crown now that the Cleveland Indian tepee is under Roger Peckinpah's care.

With a booming 343 in his freshman year, the 25-year-old native of Fort William, Ont., finished a close second to Jimmy Fox for the 1938 hitting title. Then he fell into a two-year campaign slump of .292 and .219 before snapping out of it this season.

Jeff, frequently described as one of the best natural hitters in the ball-banging business, is nervous and unusually sensitive to factors which while they annoy other players, do not seriously impair their efficiency.

He feels that conditions leading to the Indian rebellion of 1940 affected his play "a great deal."

"It wasn't that I gave up—I didn't. I ate my heart out to sit on the bench for not being allowed to stay in the lineup long enough to get started. This year I just started hitting the ball again and got into stride."

He thinks it's high time he won a batting championship, for until now Jeff has been always a bridesmaid but never a bride.

In his very first season in professional baseball, in 1936, he clubbed .383 for Zanesville, O., of the Mid-Atlantic League but finished second to Barney McCoskey. The next year he hit .307 for Milwaukee of the American Association but wound up behind Ednos Slaughter. And in 1938 he barely lost out to Fox.

Cards Whip Dodgers 6-4 To Increase League Lead

ST. LOUIS, July 30—(AP)—Cardinals twice came from behind today to whip Brooklyn's Dodgers 6-4 and increase their first place margin in the National League to three games.

A three-run surge in the eighth after Pete to his tenth home run of the year with a man on base that same inning put Brooklyn ahead, was typical of this rampant gang of veterans and youngsters who will not give up.

For rookie southpaw Ernie White it was victory number 12, his fifth in nine days, although he gave way to a pinch hitter and Howard Katz hurled the ninth. White has lost only three.

That pinch hitter for White was Estel Crabree who will be 37 Aug. 19. He single scored, doubling Marlon with the tying run.

The most reliable captain Terry Moore swatted one to centre field sending home Eddie Lake, pinch runner for pinch hitter Don Padgett, and Crabree.

But the doleful Dodgers did not give up. After two outs Lou Rizzo batted for Mickey Owen and walked. Jim Wascellick batted for Huah Casey and singled, sending Rizzo to third. But all Pewee Reese could do was a fly to Johnny Hoop.

At Chicago, Tot Pressnell's brilliant relief pitching gave Cubs an even break with Philadelphia Phillies in a mid-week doubleheader.

Phils, breaking loose with six runs off Jake Mosley in the fifth, captured the opener. Roy Blanton lasted out the game although Cubs touched him for 14 hits, five by Stan Hack.

In the second game Phils made their bid for a clean sweep of the twin bill by knocking starting pitcher Vance Page out of the box in the third. But Pressnell took over at this point and yielded only three hits the rest of the way.

Cubs untied the score with a run in the fifth and added another in the sixth for a 3-3 decision.

Cubs now have won 11 of their last 14 contests.

Yanks Are Good But Not Like Yanks Of Old

By Gayle Talbot Associated Press Sports Writer

NEW YORK, July 30—(AP)—Del Baker, who manages Detroit Tigers, admits to a tremendous respect for the present New York Yankee run-making machine. He thinks it's a beauty, that it possesses two of the greatest players he ever saw in an outfielder, Joe DiMaggio, and second-baseman Joe Gordon, and that it probably will win the American League pennant.

But does it compare with those Yankee bone-crushers of '32 and '33, when Babe Ruth and Lou Gehrig and Bill Dickey and Lefty Gomez and Red Ruffing were in their prime? When "murderers" gave rival pitchers nightmares? Never, says Del.

"Understand," he inserted hurriedly, "I'm not saying these boys can't knock your head off. They can and do. They all hit that long ball, with the possible exception of Johnny Sturm at first base. But these old Yankee clubs I'm talking about could do that, too, and they had wonderful pitching to go with it. That's the difference, and if you had tried to hit against Ruffing and Gomez in those days you would know what I mean."

Sitting out a rainy afternoon, Del was a little jumpy and curious about a vague report from our west that Jimmy Dykes might take over the Detroit management next season. Said he didn't know a thing about it except what he had heard second-hand.

"We've had a tough run," he admitted. "There's nothing a manager can do about it when his key players go wrong. It was bad enough losing Hank Greenberg in the draft, but Rudy York hasn't been hitting at all and Buck Newsum hasn't been able to win. Newsum's in as good shape as he was last year—maybe better—but I suppose the hop is just gone from his fast ball for the time being."

The conversation turned to the terrific batting race going on between Joe DiMaggio and Ted Williams of the Boston Red Sox. Both Baker and his veteran pitcher, Tommy Bridges, said they would have to vote for DiMaggio as the greatest player in the game today, but couldn't agree as to which was the more dangerous batter in a pinch.

"Let me see," said Bridges, thoughtfully. "If I was having a good day and had all my stuff, I believe I'd rather face Williams with men on base. Once in a while you can fool him, but you can't ever fool DiMaggio."
